

Research Resources

Reminder: Bloomberg Nursing's Research Office [Research Funding Resources](#) page has information about predatory publishing; reductions in APC fees; EDI resources; free software licenses; and more.

Sign up for the [Centre for Research & Innovation Support newsletter](#) for information about training sessions, funding opportunities and other resources, such as [Using Social Media to Promote Your Research](#).

Check the CRIS [Calendar of events](#), for upcoming events such as [Research Governance](#) & Stakeholder Involvement, **May 14, 2024, at 10 am**. And if you missed a session, presentations and slide sets of past events are often available on the CRIS website.

Grant and Award Opportunities

Remember – always check grant information carefully

New Canadian Opportunities

[Social Sciences and Humanities Research Council](#) upcoming deadlines: **Connection Grants May 1, 2024**, and June 20, 2024; **Partnership Engage Grants May 22, 2024**, and September 15, 2024; **Insight Grants October 1, 2024**. Remember that U of T applicants must meet internal deadlines to submit their grants – usually 3-5 days ahead of the agency deadline.

The Canadian Association of Schools of Nursing [Pat Griffin Research Grant](#) **deadline is May 1, 2024**. The focus is on education and nursing. Funds available: up to \$15,000. Two awards will be made.

[AGEWELL and the University of Toronto](#) are offering EPIC-AT Fellowships, which provide a minimum of \$8,000 to **trainees** and \$10,000 to early career researchers for a one year training platforming, EPIC-AT, which prepares next gen leaders in digital health solutions for seniors with complex health needs. **Application deadline is May 3, 2024**.

Canadian
Cancer
Society

The [Canadian Cancer Society Breakthrough Team Grants](#) will fund at least two teams at a maximum of \$1.5 million per year for 5 years. **Important dates: Mandatory informational and Networking Workshop: May 9, 2024. LOI deadline: June 27, 2024. Full application (invitation): October 15, 2024.** There are

two themes: 1. Better understanding cancer biology; 2. Better supporting people living with advanced or metastatic disease.

The [Arthritis Society of Canada](#) has several competitions open.

- Ignite Innovation Grants: **Abstract registration deadline May 14, 2024, with full application due June 25, 2024**
- Stars Career Development Award for early career investigators. **Abstract registration deadline is May 15, 2024, with full application due June 26, 2024.**
- The CRAF (CIORA) Arthritis Society Canada New Clinical Investigator **Award deadline is June 26, 2024.**

The [Heart and Stroke Foundation's](#) Personnel Awards for **Black Scholars application deadline is May 22, 2024.** UP to \$30,000 per year for up to three years will be awarded.

The [Global Institute of Psychosocial, Palliative and End-of-Life Care](#) Collaborative Research Grant **deadline is May 31, 2024.** Three awards of up to \$20,000 will be offered in clinical innovations in palliative care; palliative care and public health; and global cancer control. Principal or co-principal applicant must be affiliated with GIPPEC, the Division of Palliative Medicine at U of T or the PMH Global Cancer Program. **PhD students considering applying must include their supervisor as a PI.**

The [Terry Fox New Frontiers Program Grants](#) – Breaking new frontiers in cancer research through innovative team science – is now open. There will be an information webinar on May 16, 2024, 4-5 pm EST. The webinar will be recorded and made available. **Letter of intent deadline is Monday, July 8, 2024, at 5 pm PDT. Full application (invitation only) is due Monday, November 18, 2024, at 5 pm PDT.** New applications can apply for three to five years of funding with a total budget of \$2,400,000. This grant will support multidisciplinary program projects of excellence that contribute to important topics of relevance to cancer research – cancer diagnosis, treatment and/or understanding of cancer biology.

The [Banting Postdoctoral Fellowship](#) **application deadline is September 17, 2024.** Value: \$70,000 for two years. This competition is open to Canadian citizens, permanent residents of Canada and foreign citizens.

Students: Applying for research funding? Check with the Research office about your eligibility to hold funds. Contact the Research Office to get information and approval on proposals, administrative requirements and ethics ahead of deadlines, and always check with your supervisor! Email: research.nursing@utoronto.ca

New CIHR Opportunities

[Upcoming Opportunity: Implementation Science Chairs](#). This opportunity is expected to launch in spring 2024. The objectives are to build capacity; advance the field; and strengthen research excellence and ensure maximum research impact. Funds available: \$4,000,000, enough to fund up to four awards; maximum per award is \$200,000 per year for up to five years for a total of \$1,000,000 per award. **Timeline: anticipated application deadline of October 2024.**

Upcoming webinar: question and answer session for **trainees, postdoctoral researchers** and institution staff about award programs at CIHR. This webinar will include information about the CIHR Clinical Fellowship, the CIHR Canada Graduate Scholarship and Master's awards. **Date: June 11, 2024, at 1 pm ET.**

Catalyst Grant: Community-based research in climate change priority areas. **Registration deadline is August 14, 2024, with full application due September 12, 2024.** This funding opportunity will focus on climate justice, alternative diagnoses of Lyme disease, food security in northern communities, and health impacts of climate change on older adults. Funds available: \$1,625,000. Of this, \$250,000 is available to fund up to two applications relevant to the health impacts of climate change on older adults pool. Maximum per grant: \$125,000 per year for up to one year. Webinar: Thursday May 9, 2024, at 1 pm ET.

Operating Grant: ECRs in Human Development, Child and Youth Health. **Registration deadline September 4, 2024, with full application due September 24, 2024.** Funds available: \$1,800,000, enough to fund approximately 12 grants. Maximum per grant is \$50,000 per year for up to three years. Two grants will be funded from the Indigenous Human Development, Child and Youth Health pool, and two applications will be funded from the Human Development, Child and Youth Health for Equity-Deserving Groups pool.

Use your Research Office. We are here to support you. Please let us know when you are beginning the grant process – we are happy to assist with developing budgets and providing editorial, financial, content and methodological feedback. Let us know when you succeed! Email: research.nursing@utoronto.ca

New International Opportunities

Alex's Lemonade Stand Foundation 'A' Award Grant application deadline is **June 13, 2024**. The Competition is open to early career scientists seeking to establish a career in pediatric oncology research.

ASPAN The American Society of PeriAnesthesia Nurses Research Grant application deadline is **June 15, 2024**.

The Association of perioperative Registered Nurses Research Grant deadline is **June 30, 2024**.

Sigma Theta Tau International Research Grants with a **July 1, 2024, deadline** include the American Board for Occupational Health Nurses Grant, Doris Bloch Research Award; Joan K Stout RN Research Grant; and American Nurses Credentialing Center Evidence-Based Practice Implementation Grant. Funds Available: US\$5,000-US\$20,000. **PhD students thinking of applying for these funds should talk to their supervisor and include their supervisor as a co-PI on the grant.**

NIH Funding

- Cancer prevention and control clinical trials planning grant program (R34, [PAR-22-173](#) and [PAR-22-174](#)). Letter of intent due 30 days before application date; **expires September 8, 2025.**
- National Institute of Aging multi-site clinical trial implementation grant ([PAR-23-057](#)); **expires January 8,**

2026.

- Early and Late Stage Clinical Trials for the Spectrum of Alzheimer's Disease/Alzheimer's Related Dementias and Age-Related Cognitive Decline (R01 Clinical Trial Optional); ([PAR-23-081](#)); **expires January 8, 2025.**
- [Understanding expectancies](#) in cancer symptom management (R01, clinical trial required). PAR-23-155, no LOI required; **multiple due dates between June 15, 2023, and February 5, 2026.**
- National Institute of Allergy and Infectious Diseases [Clinical Trial Planning Grant](#) (R34); multiple deadlines with application expiring in May 2026. **Letter of intent due 30 days** before application due date. **Expires May 14, 2026.**
- Social disconnection and suicide risk in late life. [PAR-23-239](#) (R21) and [PAR-23-238](#) (R01). **Letter of intent required** 30 days before application due date. **Expires September 8, 2026.**
- Understanding expectancies in cancer symptom management (R01, [PAR-23-273](#)); **expires May 8, 2026**
- HEAL Initiative: Understanding individual differences in human pain conditions (R01, [RFA-NS-24-021](#)); **expires February 7, 2025**
- Personal health informatics for delivering actionable insights to individuals (R01, [PAR-23-245](#)), **expires November 6, 2026.**
- Secondary analysis and integration of existing data to elucidate cancer risk and related outcomes (R01, [PAR-23-245](#) and R21, [PAR-23-255](#)); **expires September 8, 2026.**
- Improving care and outcomes for cancer survivors from sexual and gender minority (SGM) populations (R01, Clinical Trial Optional [PAR-23-292](#)). **Letter of intent due 30 days before application.** **Expires January 28, 2027.**
- Ethical, legal and social implications (ELSI) research on human genetic or genomic research ([R01-PAR-23-293](#) and [R03 – PAR-23-205](#) and [R21-PAR-23-294](#)). No letter of intent; multiple application deadlines; **expires November 2026.**
- [Cancer prevention and control clinical trials](#) grant program (R01, [PAR-24-072](#)); **letter of intent due** 30 days before due date; **expires January 8, 2027.**

Expiring soon

- Pilot Studies for the Spectrum of Alzheimer's Disease/Alzheimer's Disease-Related Dementias and Age-Related Cognitive Decline (R61 Clinical Trial Optional) ([PAR-23-083](#)); **expires November 19, 2024**
- [Sustained support for informatics](#) technologies for cancer research and management (U24, [RFA-CA-24-019](#)); letter of intent due 30 days before application; **application deadlines: June 11, 2024, and November 14, 2024.**
- [Advanced development of informatics technologies](#) for cancer research and management (U24, [RFA-CA-24-018](#)), letter of intent due 30 days before application; **application deadlines: June 11, 2024, and November 14, 2024.**
- [Early-stage development of informatics](#) technologies for cancer research and management (U01, [RFA-CA-24-017](#)); letter of intent due 30 days before application; **application deadlines: June 11, 2024, and November 14, 2024.**
- [Development of innovative informatics](#) methods and algorithms for cancer research and management (R21, [RFA-CA-24-016](#)), letter of intent due 30 days before application; **application deadlines: June 11, 2024, and November 14, 2024.**
- Notice of Special Interest (NOSI): [Telehealth Research in Cancer Care](#); expiration date March 17, 2026. Submit applications via the Notice of funding opportunities listed under application and submission information.
- Extension of "Effectiveness trials for post-acute interventions and services to optimize longer-term outcomes ([post-acute management of mental health conditions affecting youth, adults, and older adults](#))"; final **application deadline November 5, 2024 (LOI required October 5, 2024).**

New

- NIH Grants Process: [A brief walk-through for beginners](#). **May 15, 2024.**

- Optimizing behavioral sleep interventions for adolescents and young adults. Application due dates: **October 30, 2024 and June 13, 2025**. **LOI required 30 days before due date**. [RFA-MH-25-130](#), R34 (Clinical Trial required).
- Notice of Special interest : [US Health in the International Perspective](#); **expiration date: May 8, 2027**. Submit applications for this initiative using one of the following notices of funding opportunities (NOFOs) or any reissues of these announcements through the expiration date of this notice.
 - [PA-20-183 - NIH Research Project Grant \(Parent R01 Clinical Trial Required\)](#)
 - [PA-20-184 - NIH Research Project Grant \(Parent R01 Basic Experimental Studies with Humans Required\)](#)
 - [PA-20-185 - NIH Research Project Grant \(Parent R01 Clinical Trial Not Allowed\)](#)
 - [PA-20-200 - NIH Small Research Grant Program \(Parent R03 Clinical Trial Not Allowed\)](#)

More opportunities are available in the [NIH database](#). Important: for researchers thinking of applying to the NIH, **NIH strongly encourages PIs to contact program officers directly**. Program Officers give valuable information and assistance to applicants. They will also help rejected applicants understand the weaknesses of an application.

Standard application deadlines apply. Please check NIH funding applications carefully re: submission deadlines. U of T Researchers must meet internal deadlines; please check with research office before beginning an application.

Reminder – these competitions are still open

Canadian Opportunities

[Pfizer Global Medical Grants](#) (in association with the Lung

Health Foundation, Lung Cancer Canada and Association pulmonaire du Québec) has released an RFP on “Improving the care and outcomes of residents of Canada living with metastatic non-small cell lung cancer.”

Application deadline is April 30, 2024. A maximum of \$200,000 is available. Maximum request is \$100,000. The focus is on improving health equity by addressing challenges such as (but not limited to): disparities linked to age, race, geography etc., implementation of value-based healthcare to improve quality of care; multidisciplinary care models; approaches to optimizing care; and more.

The Canadian Association of Schools of Nursing’s [Woodend Clinical Education Research Grant](#) is open to **doctoral students**. Value: \$5,000; **application deadline: May 1, 2024**.

The [University of Toronto and Université Paris Cité](#) have launched a call for joint research proposals to support collaborative research initiatives. **Intent to apply deadline is May 3, 2024**.

The [University of Toronto and the Hebrew University of Jerusalem](#) have issued a call for proposals for a research and training alliance. **Application deadline is May 9, 2024**.

The [Canadian Association of Nurses in Oncology](#) research grant application deadline is **May 15, 2024**. Funds available: up to \$8,000; up to four grants will be awarded. This competition is open to association members; **doctoral students** who apply must include their supervisor on the grant.

SSHRC Partnership Engage Grants; **next competition is May 22, 2024**. The next Connection Grant **deadline is June 20, 2024**. UofT applicants must meet internal deadlines and submit roughly 5 days before sponsor deadline.

The **Canadian Research Data Centre Network** offers an emerging scholars grant to support **PhD students** undertaking thesis-related research in a research data centre in Canada. Applications received from December 1 to March 31: grants will be awarded by May 15. **Applications received from April 1 to July 31: grants will be awarded by September 15**. Applications received from August 1 to November 30: grants will be awarded by January 15.

CIHR Grant Opportunities

Operating Grant: [Knowledge mobilization in diabetes prevention and treatment](#). **Application deadline: May 1, 2024**. Objectives: to increase and enhance knowledge mobilization and integration of evidence into policies and practices; support researchers and knowledge users; facilitate uptake of evidence. Funds available: \$2,000,000. Enough to fund approximately 16 grants. Max per grant: \$125,000 per year for up to one year. Pools: general (7 awards); Atlantic (2 awards); territorial (three awards); and up to 4 awards that have a substantial focus on type 1 diabetes.

International Opportunities

Sigma Theta Tau International research grants with a **May 1, 2024**, application deadline include the Dr. Martha Pitel Global Nursing Research Grant, Global Nursing Research Grant, and the Sigma Foundation for Nursing Latin America/Caribbean Nursing Research Grant.

The **American Association for the History of Nursing** grants for historical research **application deadline is May 1, 2024**. Opportunities are available for established scholars and masters and doctoral students.

The **American Psychiatric Nurses Association research grant** **application deadline is May 7, 2024**. A preliminary review is available upon request – deadline is April 12, 2024. Funds available: US\$1,000-10,000 per award. Applicants must be early career investigators and current members of APNA. APNA will accept applications for **doctoral dissertation** research (doctoral students should discuss with their supervisor and ensure the supervisor is listed as a Co-PI on the grant).

The **Global Alliance for Chronic Diseases** has launched a call for implementation research for management of multiple long-term conditions in the context of non-communicable diseases. Interested applicants should complete the [GACD Intention to Apply](#). The **deadline for first stage proposals is May 15, 2024**; full application deadline (invitation only) is September 18, 2024. Canada is not yet a participant on the call.

The **Oncology Nursing Foundation** has several research grant opportunities. **Letters of intent are due May 16, 2024, with full proposals due June 28, 2024**. These include: the small research grant (\$US\$50,00) and the large research grant (US\$100,000), and the focused research grant on oral chemotherapy adherence (US\$100,000).

[Sigma Theta Tau International](#) Association of Rehabilitation Nurses Grant **has a June 1, 2024, application deadline.**

[Alex's Lemonade Stand](#) R Accelerated Grant **application deadline is June 6, 2024.** This grant funds original research that is not currently funded and that aims to accelerate discovery of more effective, less toxic therapies for childhood cancers. Funds Available: US\$200,000 per year for up to four years.

Research Updates

Tricouncil Funding Agency Updates

Tri-agency [guidance on research security](#).

The federal research funding agencies are [seeking feedback on draft guidance about use of AI](#) in development and review of research proposals. Deadline to provide feedback is June 14, 2024.

[The CIHR Institute of Gender and Health Listening Tour](#): What We Heard Report

[What We Heard](#): A Report from the Three Federal Research Funding Agencies' Ad Hoc Working Group on Indigenous Citizenship and Membership - Canada.ca

Other Updates

The [European Research Council](#) and the Canadian Tri-agency Institutional Programs Secretariat have signed an implementing arrangement. This allows researchers supported by SSHRC, CIHR, NSERC, and Banting post-docs to pursue research collaborations with ECR funded partners.

The [Passages Model](#) open source dynamic microsimulation model for policy analysis and research relating to Canadian retirement income system is now available.

University of Toronto Updates

[U of T welcomes the federal budget](#) investments in research and innovation (increased funding for graduate students, increased Tricouncil funding agency budgets, more money for major research infrastructure projects).

The University of Toronto has published its [Institutional Strategic Research Plan](#).

Upcoming Events

New events and calls for abstracts

The [Canadian Association on Gerontology](#) has **extended its abstract submission deadline to May 1, 2024.** The meeting will be held in Edmonton, AB, October 24-26, 2024.

The [24th World Congress of Psychiatry](#) will be held in Mexico City, Mexico November 14-17, 2024
Abstract submission deadline is May 6, 2024.

[Children's Healthcare Canada](#) will hold the Right-Sizing Health Systems for Kids: Navigating to Brighter Futures conference October 20-22, 2024, in ST. John's, NL. **Abstract submission deadline for posters is May 12, 2024;**

UNIVERSITY OF TURKU

The [postdoctoral researchers in nursing science shaping the future of the social and health care](#) conference will be held at the University of Turku in Finland, December 12-13, 2024. **Abstract submission deadline is May 15, 2024.**

CANADIAN PUBLIC HEALTH ASSOCIATION

The [2024 Canadian Immunization Conference](#) will be held November 26-28, 2024, in Ottawa, ON. **Abstract submission deadline is May 16, 2024.** Topics of interest include vaccine confidence and uptake, informing and implementing policy, and more.

North America Conference on Integrated Care

The [North American Conference on Integrated Care 2024](#) will be held in Calgary, AB, October 15-17, 2024. **Abstract submission deadline is May 31, 2024.** Conference tracks include workforce capacity and capability; people as partners in health and care; digital solutions; population health needs and local context; and more.

The [6th Commonwealth Nurses and Midwives Conference](#), in partnership with the Malta Union of Midwives and Nurses, will be held September 27-28, 2024, in St. Julian's, Malta. **Abstract submission deadline is May 31, 2024.**

The [Association of Pediatric Gastroenterology and Nutrition Nurses](#) annual meeting will be held November 6-9, 2024, in Hollywood, FL. **Abstract submission deadline is June 6, 2024.**

International Conference on Health Policy Statistics

The [International Conference on Health Policy Statistics](#) will be held in San Diego, CA, January 6-8, 2025. **Abstract submission deadline is June 30, 2024.**

The European Society for Medical Oncology [Asia Congress 2024](#) will be held in Singapore, December 6-8, 2024. **Abstract submission deadline is July 16, 2024.**

Calls for Meeting Abstracts Still Open

The [International Gynecological Cancer Society](#) conference will be held in Dublin, Ireland, October 16-18, 2024. **Abstract submission deadline is April 30, 2024.**

The [Perinatal Child Health Research Meeting](#) will be held in Vancouver, BC, June 3-6, 2024. **The call for ENRICH abstracts closes May 1, 2024.** ENRICH learners can submit to the ENRICH abstract system.

The [European Public Health Conference](#) will be held November 12-15, 2024, in Lisbon, Portugal. **Abstract submission closes May 1, 2024.** Topics include public mental health, health promotion, chronic diseases and NCDs, and more.

The [18th Vaccine Congress](#) will be held in Lisbon, Portugal, September 8-11, 2024. and more. **Abstract submission deadline for oral presentations is May 3, 2024.** Topics include vaccine hesitancy; sociopolitical implications of vaccination and vaccine policy; one health; and more.

The [European Society of Medical Oncology's](#) Congress will be held in Barcelona, Spain, September 13-17, 2024. **Abstract submission deadline is May 7, 2024.** Abstract categories include breast cancer, hematological malignancies, and a variety of cancer nursing topics (precision health, rehabilitation and survivorship care, symptom management, leadership and educational issues in cancer nursing, health promotion, prevention and screening).

The [9th International Nurse Education Conference](#) will be held October 27-30, 2024, in Singapore. **Abstract submission deadline is May 10, 2024.**

The [Society for Medical Decision Making](#) annual meeting will be held October 27-30, 2024, in Boston, MA. **Abstract submission deadline for oral and poster presentations is May 17, 2024.**

The [Academy of Oncology Nurse and Patient Navigators](#) annual conference will be held in San Antonio, TX, November 1-5, 2024. **Abstract submission deadline is June 4, 2024.** Abstract categories include survivorship and end of life, clinical research, psychosocial support/assessment, and more.

The [8th World Congress on Controversies in Breast Cancer](#) will be held in Edinburgh, Scotland, September 11-14, 2024. **Abstract submission deadline is June 5, 2024.**

The 50th Annual Conference of the [Transcultural Nursing Society](#) will be held in Salt Lake City, UT, October 23-26, 2024. **Abstract submission deadline is May 15, 2024 extended to June 6, 2024.**

The [American Heart Association's Scientific Sessions](#) will be held November 16-18, 2024, in Chicago, IL. **Abstract submission closes June 6, 2024.** Abstract tracks include nursing research and clinical; prevention, health and wellness; quality of care and outcomes research; and more.

The [Diabetes Canada/CSEM Professional Conference](#) will be held in Halifax, NS, November 20-23, 2024. **Abstract submission deadline (General stream) is June 17, 2024.**

The [Academy of Neonatal Nursing's](#) fall conference will be held in New Orleans, LA, September 4-7, 2024. **Abstract submission deadline is July 1, 2024.**

Requests for Manuscripts

New Calls for Manuscripts

[Advances in Neonatal Care](#) (Wolters, IF 1.7) is calling for papers for a special issue on pain and stress in the neonate. **Abstract submission (title, authors, synopsis) is June 1, 2024, with full manuscript due September 1, 2024.**

[Psychosomatic Medicine](#) (Lippincott, IF 3.864) is calling for papers for a special issue on sex and gender issues in cardiovascular disease: Exposures, mechanisms and outcomes **Abstract submission deadline is June 3, 2024. Manuscript submission (by invitation) deadline is November 15, 2024.**

The [Gerontologist](#) (OUP, IF 5.7) is calling for papers for a special issue on Hispanic/Latinx Healthy Aging. **Abstracts are due June 15, 2024, with full manuscripts due January 15, 2025.**

[Journal of Clinical Nursing](#) (Wiley, IF 4.2) is calling for papers for three special issues. [Advancing practice through simulation](#): Enhancing competency, quality and patient outcomes has a submission **deadline of September 29, 2024;** [Decade of healthy ageing](#): A world where older people can live long and healthy lives has a submission **deadline of September 30, 2024;** and [Generative AI in nursing and healthcare](#) has a submission **deadline of November 30, 2024.**

[Women and Birth](#) (Elsevier, IF 3.8) is calling for papers for a special issue on Midwifery education: innovation in teaching and learning. **Manuscript submission deadline is September 30, 2024.**

[Administration and Policy in Mental Health and Mental Health Services Research](#) (Springer, IF 2.6) is calling for papers for a special issue on Leveraging non-traditional mental health providers to address growing mental health needs. **Proposals** (1,000 words max) can be emailed to guest editors Drs. Soo Jeong Youn

(soojeong.youn@reliantmedicalgroup.org) and Kimberly T. Arnold (Kimberly.Arnold@penmedicine.upenn.edu) by August 1, 2024. Full manuscript submission deadline is November 1, 2024.

Science & Education [Science & Education](#) (Springer, IF 2.8) is calling for papers for a special issue on New Histories of Science and Science Education. **Submission deadline is October 14, 2024.**

Family Medicine and Community Health [Family Medicine and Community Health](#) (BMJ journals, IF 6.1) is calling for papers for a special issue on cancer and primary care. **Submission deadline is October 31, 2024.**

Continuing Calls for Manuscripts

International Journal of Qualitative Studies on Health and Well-being The International Journal of Qualitative Studies on Health and Well-being (Taylor and Francis, IF 1.8) is calling for paper for an article collection on [intersectional qualitative research methodologies](#) and for an article collection on [qualitative methods in a digital age](#). **Submission deadline for both is April 29, 2024.**

IJPH The International Journal of Public Health (Swiss Society of Public Health, IF 4.6) is calling for papers for a special issue on [mitigating and adapting to climate change](#): evidence for public health. **Manuscript submission deadline is April 30, 2024.**

JCN [Journal of Clinical Nursing](#) (Wiley, IF 1.53) is calling for papers for a special issue on the Context of Violence in Healthcare. **Submission deadline is April 30, 2024.**

Canadian Journal of Pain The [Canadian Journal of Pain](#) (Taylor and Francis, IF 2.4) is calling for papers for a special issue on health and social inequities in chronic pain across the lifespan. **Submission deadline is April 30, 2024.**

RSPH [Perspectives in Public Health](#) (Royal Society of Public Health, IF 5.8) is calling for papers for a special issue on health inequalities. The editors are particularly interested in work that enables people to practice. **Manuscript deadline is April 30, 2024.**

Asia-Pacific Journal of Oncology Nursing The Asia-Pacific Journal of Oncology Nursing (Elsevier, IF 2.2) is calling for papers for a special issue on [complementary and alternative medicine in cancer care](#). **Submission deadline is April 30, 2024.**

IJPH The International Journal of Public Health (Swiss School of Public Health, IF 4.6) is calling for submissions for a special issue on [Medical aid in dying: A societal challenge](#). **Manuscript submission deadline is April 30, 2024.**

AJRH The [Australian Journal of Rural Health](#) (Wiley, IF 1.8) is calling for expression of interest for a special issue on digital interventions to improve rural health outcomes. **Deadline for EOIs is May 1, 2024. Full papers will be due August 2024.** The focus is on safety, effectiveness, etc. of digital interventions; how digital

interventions are implemented into rural settings; rural stakeholder perspectives. International papers welcomed if show relevance to Australia.

bioethics

Bioethics (Wiley, IF 2.2) is calling for papers for a special issue on the [role of medical ethics](#) in assisted dying. **Manuscript submission deadline is May 1, 2024.** Topics of interest include: how can or should medical or clinical ethics expertise regarding assisted dying be acquired? What distinguishes medical ethicists from legal experts, health care professionals and others re: their specific contribution in practices of assisted dying? And more.

Journal of Human Lactation

The [Journal of Human Lactation](#) (Sage, IF 2.6) is calling for papers for a special issue to be published in November 2024, on the [State of the Science](#). **Manuscript submission deadline is May 1, 2024.**

American Journal of EPIDEMIOLOGY

The [American Journal of Epidemiology](#) (Oxford, IF 5.0) is calling for papers for a special issue on methods in social epidemiology (guest editors Arjumand Sidiqi, DLSPH and Mabel Carabali, McGill). **Submission deadline is May 10, 2024.**

INNOVATION IN AGING

[Innovation in Aging](#) (Oxford, IF 7.0) is calling for papers for a special issue on a life course approach to aging and opioid use. **Abstracts due May 15, 2024, with full manuscripts due October 15, 2024.**

Seminars in Oncology Nursing

[Seminars in Oncology Nursing](#) (Elsevier, IF 2.2) is calling for papers for special issues on Neurotoxicity in Cancer Survivorship: **deadline May 29, 2024**; and Kidney Cancer: **deadline July 29, 2024.**

JOURNAL OF HEALTHCARE LEADERSHIP

The [Journal of Healthcare Leadership](#) (Taylor & Francis/Dove Press, IF 4.4) is calling for papers for a special issue on Digital healthcare leadership in an era of value-based care, health equity, and patient consumerism. **Manuscript deadline: May 30, 2024.**
