Student Technology Overview

**TCARD AND UTORID ACCESS**

Your UTORID is how you access all of your online services at U of T so it is important to get that setup and activated.

[Learn more about how to convert your JOINid to a UTORid](#)

Get your TCard! Make a virtual appointment with TCard services. [Visit How to Get Your TCard](#)

**Quercus**

Quercus is the University of Toronto's Learning Management System, where all your courses (and these training resources reside). It will connect you with your course material and many of the other tools you will use in your learning. It is accessible by logging in with your UTORID and password at: [https://q.utoronto.ca](https://q.utoronto.ca)
Email and Office 365

All students at the University of Toronto are eligible for UTmail+.
You will be given a firstname.lastname@mail.utoronto.ca email address. You can log in to your account at mail.utoronto.ca using your UTORid and Password.

Once you activate UTmail+, you will have access to:
• E-mail and Calendar
• 1TB of storage in your OneDrive
• **FREE** Microsoft Office Suite (O365) for your desktop and tablet for the duration of your academic enrolment
• OneDrive and O365 Online (Microsoft Office Online) for Collaboration
