Competitions with no fixed deadline

[NSERC and Mitacs](#) have developed a joint application process for researchers seeking support from both agencies. It is now possible to request support through Mitacs Accelerate internships as part of the full Alliance application. The [Alliance](#) grants system accepts applications at any time – there is no deadline.

NSERC has launched [Alliance International Catalyst and Collaboration Grants](#). **Application deadline: No fixed date.** These grants support Canadian researchers to work with leading international academic researchers, to establish and grow international research collaborations relevant to Natural Sciences and Engineering disciplines. Overall objectives: initiate development of international collaborations; support participation in international collaborative projects of global importance and benefit to Canada.

NSERC [Alliance Grants](#). **Application deadline: No fixed date.** As of February 2022, Alliance Option 2 is funded 100% by NSERC.

[Mitacs Accelerate](#) accepts applications throughout the year. The competition is open to doctoral students and post-doctoral fellows. Students partner with a supervising professor and a partner organization to

develop a research project. Partner funding is required. Funding begins at \$15,000 for 8 months.

The [Mayday Fund](#) offers grants for research into pain. **There is no deadline; grants are reviewed at the next Trustee's meeting.**

Max Bell Foundation

[Max Bell Foundation](#) has an ongoing review of grant applications in health and wellness. An LOI is required, and full application is by invitation.

The [Thrasher Foundation](#) in the US supports children's medical research; there is no fixed deadline, although decisions are made twice a year, in March and September. International applicants are welcome.

The [R. Howard Webster Foundation](#) (Canada) offers funding in the broad areas of Arts & Culture, Education, Environment, Medical, and Social Services. There are no specific deadlines, and once submitted, review and decision process may take up to 6 months.

AANA
