### *New Canadian Opportunities*

The [Society for Simulation in Healthcare](#) annual conference will be held January 10-14, 2025, in Orlando, FL. **Abstract submission deadline is June 5, 2024.**

The [Chronic Pain Centre of Excellence for Canadian Veterans](#) funding competition is open. Funds available: maximum of \$450,000 per grant. There are three opportunities: assessing and improving quality of life of Canadian veterans living with chronic pain and common comorbidities; health system and policy innovations for Canadian veterans living with chronic pain; and understanding the diverse experiences of Canadian veterans living with chronic pain. **Application deadline is June 30, 2024.**

The [Canadian Association of Nurse Educators Using Simulation](#) research grant application deadline is June 30, 2024.

The [New Frontiers in Research Fund Exploration Competition](#) is now open. Notice of Intent deadline is August 27, 2024. Full application due November 5, 2024. **U of T researchers must meet internal deadlines: MRA by noon August 20, 2024; NOI due noon August 26, 2024. Full application due October 29, 2024 by noon.** A minimum of 100 awards will be made; funds available: up to \$125,000 per year (including indirect costs) for a

maximum of two years. The goal of NFRF Exploration is to inspire high-risk, high-reward and interdisciplinary research.

University of Toronto graduate students are eligible to apply for the University's [conference grant](#); deadlines are in fall, winter, and summer. **Current application deadline is July 31, 2024.** Funds available: at minimum, registration fee of conference.

The [Institute for Pandemics Catalyst Research and Development Grant](#) Phase 2 **deadline is August 18, 2024.** There is an information **webinar on May 30, 2024.** Funds available: Up to \$60,000 per award. Eligibility: the Principal applicant must be tenure stream at U of T or hold a primary appointment at one of the EPIC consortium hospitals. Topics of interest include pandemic readiness; pandemic resilience (e.g., how and what can we learn from the public health, economic and health system decisions made during COVID-19 pandemic); and pandemic recovery (e.g., what are the broader health and societal impacts of the COVID-19 pandemic and/or its containment strategies, e.g., mental health, access to care etc.).

The [Gerontological Nursing Association of Ontario's Research Grant](#) **deadline is September 1, 2024,** and is open to GNAO members. **PhD students: if applying, please include your supervisor as a co-PI, and check re: suitability and eligibility.**

[Social Sciences and Humanities Research Council](#) **Postdoctoral fellowships application deadline is September 12, 2024; Partnership Engage Grant deadline is September 15, 2024, and Connection Grants deadline is November 1, 2024.** U of T researchers should check all internal deadlines carefully and plan to submit full applications up to 5 days ahead of the sponsor deadline.

**Students: Applying for research funding? Check with the Research office about your eligibility to hold funds. Contact the Research Office to get information and approval on proposals, administrative requirements and ethics ahead of deadlines, and always check with your supervisor! Email: [research.nursing@utoronto.ca](mailto:research.nursing@utoronto.ca)**

## *New CIHR Opportunities*

[Upcoming webinar](#): question and answer session for **trainees, postdoctoral researchers** and institution staff about award programs at CIHR. This webinar will include information about the CIHR Clinical Fellowship, the CIHR Canada Graduate Scholarship and Master's awards. **Date: June 11, 2024, at 1 pm ET.**

[Upcoming Opportunity](#): Moving upstream: Structural determinants of health catalyst grants. Objectives: to increase evidence base on structural determinants of health inequities in Canada; support novel designs, theories, methods to understand structural determinants of health and impact on health inequities; to foster connections and collaborations. Research areas include structural determinants of health inequities: commerce; racism and health; ageism, cancer; sex, gender and health; human development, child and youth health; indigenous health and wellness; and more. Anticipated funding: \$4,000,000, enough to fund approximately 32 grants. Maximum per grant: \$125,000 per year for one year. **Anticipated timeline: launch spring 2024;**

registration deadline fall 2024; application deadline fall 2024.

[Implementation Science Chairs in Human Development, Child and Youth Health](#). The objectives are to build capacity; advance the field; and strengthen research excellence and ensure maximum research impact. Funds available: \$4,000,000, enough to fund up to four awards; maximum per award is \$200,000 per year for up to five years for a total of \$1,000,000 per award. **Application deadline: October 15, 2024.** Eligibility: early or mid-career researcher.

[Team Grant: Healthy Youth](#). **Registration deadline December 10, 2024. Full application due February 2, 2025.** This grant will support research teams that bring evidence to at least two of the six youth-defined priorities of Canada's Youth Policy, of which Health and Wellness is one. Teams must follow key design elements as appropriate – tri-partite leadership; youth engagement; intersectoral and multi-disciplinary teams; EDI and Indigenous rights; building and/or bridging capacity; and knowledge mobilization. Funds available: \$9,000,000, enough to fund approximately six grants. Funding per grant: \$300,000 per year for up to 5 years for a total of \$1,500,000 per grant.

**Use your Research Office. We are here to support you. Please let us know when you are beginning the grant process – we are happy to assist with developing budgets and providing editorial, financial, content and methodological feedback. Let us know when you succeed! Email: [research.nursing@utoronto.ca](mailto:research.nursing@utoronto.ca)**

### *New International Opportunities*

**AACR** The [American Association for Cancer Research](#) MPM Oncology Charitable Foundation Transformative Cancer Research Grant awards \$400,000 over two years for early to mid-career investigators. These grants reward high risk high reward research. **Letter of intent deadline is June 11, 2024.** Full application (invitation) due October 1, 2024.

- Letter of intent due 30 days before application date; **expires September 8, 2025.**
- National Institute of Aging multi-site clinical trial implementation grant ([PAR-23-057](#)); **expires January 8, 2026.**
  - Early and Late Stage Clinical Trials for the Spectrum of Alzheimer’s Disease/Alzheimer’s Related Dementias and Age-Related Cognitive Decline (R01 Clinical Trial Optional); ([PAR-23-081](#)); **expires January 8, 2025.**
  - [Understanding expectancies](#) in cancer symptom management (R01, clinical trial required). PAR-23-155, no LOI required; **multiple due dates between June 15, 2023, and February 5, 2026.**
  - National Institute of Allergy and Infectious Diseases [Clinical Trial Planning Grant](#) (R34); multiple deadlines with application expiring in May 2026. **Letter of intent due 30 days** before application due date. **Expires May 14, 2026.**
  - Social disconnection and suicide risk in late life. [PAR-23-239](#) (R21) and [PAR-23-238](#) (R01). **Letter of intent required** 30 days before application due date. **Expires September 8, 2026.**
  - Understanding expectancies in cancer symptom management (R01, [PAR-23-273](#)); **expires May 8, 2026**
  - HEAL Initiative: Understanding individual differences in human pain conditions (R01, [RFA-NS-24-021](#)); **expires February 7, 2025**
  - Personal health informatics for delivering actionable insights to individuals (R01, [PAR-23-245](#)), **expires November 6, 2026.**
  - Secondary analysis and integration of existing data to elucidate cancer risk and related outcomes (R01, [PAR-23-245](#) and R21, [PAR-23-255](#)); **expires September 8, 2026.**
  - Improving care and outcomes for cancer survivors from sexual and gender minority (SGM) populations (R01, Clinical Trial Optional [PAR-23-292](#)). **Letter of intent due 30 days before application.** **Expires January 28, 2027.**
  - Ethical, legal and social implications (ELSI) research on human genetic or genomic research ([R01-PAR-23-293](#) and [R03 – PAR-23-205](#) and [R21-PAR-23-294](#)). No letter of intent; multiple application deadlines; **expires November 2026.**
  - [Cancer prevention and control clinical trials](#) grant program (R01, PAR-24-072); **letter of intent due** 30 days before due date; **expires January 8, 2027.**
  - Notice of Special interest : [US Health in the International Perspective](#); **expiration date: May 8, 2027.**  
Submit applications for this initiative using one of the following notices of funding opportunities (NOFOs) or any reissues of these announcements through the expiration date of this notice.
    - [PA-20-183 - NIH Research Project Grant \(Parent R01 Clinical Trial Required\)](#)
    - [PA-20-184 - NIH Research Project Grant \(Parent R01 Basic Experimental Studies with Humans Required\)](#)
    - [PA-20-185 - NIH Research Project Grant \(Parent R01 Clinical Trial Not Allowed\)](#)
    - [PA-20-200 - NIH Small Research Grant Program \(Parent R03 Clinical Trial Not Allowed\)](#)
  - Notice of Special Interest (NOSI): [Telehealth Research in Cancer Care](#); expiration date March 17, 2026.  
Submit applications via the Notice of funding opportunities listed under application and submission information.

#### Expiring soon

- Pilot Studies for the Spectrum of Alzheimer’s Disease/Alzheimer’s Disease-Related Dementias and Age-Related Cognitive Decline (R61 Clinical Trial Optional) ([PAR-23-083](#)); **expires November 19, 2024**
- [Sustained support for informatics](#) technologies for cancer research and management (U24, RFA-CA-24-019); letter of intent due 30 days before application; **application deadline: November 14, 2024.**
- [Advanced development of informatics technologies](#) for cancer research and management (U24, RFA-CA-24-018), letter of intent due 30 days before application; **application deadline: November 14, 2024.**
- [Early-stage development of informatics](#) technologies for cancer research and management (U01, RFA-CA-24-017); letter of intent due 30 days before application; **application deadlines November 14, 2024.**
- [Development of innovative informatics](#) methods and algorithms for cancer research and management (R21, RFA-CA-24-016), letter of intent due 30 days before application; **application deadline: November 14, 2024.**
- Extension of “Effectiveness trials for post-acute interventions and services to optimize longer-term outcomes

([post-acute management of mental health conditions affecting youth, adults, and older adults](#));final application deadline **November 5, 2024 (LOI required October 5, 2024)**.

- Optimizing behavioral sleep interventions for adolescents and young adults. Application due dates: **October 30, 2024 and June 13, 2025**. **LOI required 30 days before due date**. [RFA-MH-25-130](#), R34 (Clinical Trial required).

More opportunities are available in the [NIH database](#). Important: for researchers thinking of applying to the NIH, **NIH strongly encourages PIs to contact program officers directly**. Program Officers give valuable information and assistance to applicants. They will also help rejected applicants understand the weaknesses of an application.

Standard application deadlines apply. Please check NIH funding applications carefully re: submission deadlines. U of T Researchers must meet internal deadlines; please check with research office before beginning an application.

## Reminder – these competitions are still open

### *Canadian Opportunities*

 The [Global Institute of Psychosocial, Palliative and End-of-Life Care](#) Collaborative Research Grant **deadline is May 31, 2024**. Three awards of up to \$20,000 will be offered in clinical innovations in palliative care; palliative care and public health; and global cancer control. Principal or co-principal applicant must be affiliated with GIPPEC, the Division of Palliative Medicine at U of T or the PMH Global Cancer Program. **PhD students considering applying must include their supervisor as a PI.**

[SSHRC](#) next Connection Grant **deadline is June 20, 2024**. UofT applicants must meet internal deadlines and submit roughly 5 days before sponsor deadline.
