

Research Resources

Reminder: Bloomberg Nursing's Research Office [Research Funding Resources](#) page has information about predatory publishing; reductions in APC fees; EDI resources; free software licenses (e.g., how to access REDCap, NVIVO); and more.

Sign up for the [Centre for Research & Innovation Support newsletter](#) for information about training sessions, funding opportunities and other resources, such as [spotlight on scholarly podcasts](#).

Check the CRIS [Calendar of events](#), for upcoming events such as the [fall programs](#) that are on offer. If you missed a session, presentations and slide sets of past events are often available on the CRIS website.

Grant and Award Opportunities

Remember – always check grant information carefully

New Canadian Opportunities

Connaught Fund The [Connaught Innovation Award](#) letter of intent deadline is **September 9, 2024**. Full proposal is due October 7, 2024. Funds available: up to \$100,000. Up to 15 awards funded annually. Funds will support accelerating an existing invention for commercialization and knowledge transfer.

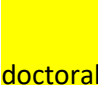

The [University of Toronto's Data Sciences Institute Data Access Grant](#) application deadline is **September 13, 2024**. Funds available: \$10,000 for up to 8 months. This grant supports costs associated with accessing and working with large data sources.

MS Canada [Multiple Sclerosis Canada's](#) Catalyst Research Grant deadline is **October 2, 2024**. There are streams for biomedical research and clinical and population health research. Funds available: \$50,000 over two years.

crohn's  colitis [Crohn's and Colitis Canada's](#) grants in aid of research program opens on September 16, 2024. Notice of intent to apply deadline is **October 15, 2024**. Full application (by invitation) is November 20, 2024.

The [Kidney Foundation of Canada's](#) Allied Health Kidney  Fellowships competition opens September 16, 2024, with application due **November 1, 2024**. Funds available: up to \$31,000 per year for up to

two years. Allied Health research grants' competition opens September 16, 2024, with application deadline of November 1, 2024.

[Alzheimer Society](#) [Alzheimer Society Canada](#) opens its Research Program on Monday September 9, 2024. **The application deadline is November 4, 2024.** The **doctoral award is** valued at \$129,000 for three years; the postdoctoral award is valued at \$150,000 for two years; the New Investigator operating grant is valued at \$200,000 for up to four years; and the proof of concept grant is valued at \$100,000 for up to three years.

Students: Applying for research funding? Check with the Research office about your eligibility to hold funds. Contact the Research Office to get information and approval on proposals, administrative requirements and ethics ahead of deadlines, and always check with your supervisor! Email: research.nursing@utoronto.ca

New CIHR Opportunities

[Early career researchers in human development, child and youth health](#). **Registration deadline is September 9, 2024, with full application due September 24, 2024.** In addition to the general pool, these priority areas will also be supported: Indigenous human development, child and youth health; Human development, child and youth health for equity-deserving groups. Funds available: maximum of \$50,000 per year for up to three years. A total of 12 grants are expected to be funded.

[Transition to Leadership Stream – Phase 2](#). **Application deadline is September 10, 2024.** This is the **final** opportunity for any Phase 1 recipient to submit an application for phase 2. Maximum award is \$115,000 per year for up to four years depending on Phase 1 duration.

CIHR's Institute of Cancer Research is offering a [media training webinar](#) on **Tuesday, September 24, 2024, 2 pm – 3 pm Eastern.**

[CIHR's Institute for Cancer Research](#) is calling for applications for the Fall 2024 CIHR-ICR Early Career Researcher Workshop. **Application deadline is September 30, 2024.** Workshop dates: November 26-27, 2024. CIHR will cover costs associated with travel, accommodation and poster printing. Details about expenses will be provided to successful applicants.

The Canada Graduate Scholarships have launched. The [Doctoral Award](#) is open on ResearchNet. **Important: students should check their institutional and departmental deadlines.** U of T nursing has set **September 30, 2024, as an internal deadline.** Priority areas include ageism; bioinformatics and computational biology; global health; HIV/AIDS; patient-oriented research; research in First Nations, Métis and/or Inuit Health; and sex, gender and intersectionality in health research.

Catalyst Grant: [Analysis of Canadian Longitudinal Study in Aging Data](#). **Registration deadline October 1, 2024, with full application due October 30, 2024.**

Team Grant: [Canadian Consortium on Neurodegeneration in Aging \(CCNA\) Phase III: Research Teams](#). Funds available: \$250,000 per year for up to four years. Themes: primary prevention; secondary prevention and treatment; quality of life. Strategic research priority areas include health equity in caregiving; international Australia-Canada Indigenous health research; sex, gender and dementia in Black and/or Racialized communities; and more. **Registration deadline: November 6, 2024; full application due December 11, 2024.**

Use your Research Office. We are here to support you. Please let us know when you are beginning the grant process – we are happy to assist with developing budgets and providing editorial, financial, content and methodological feedback. Let us know when you succeed! Email: research.nursing@utoronto.ca

New International Opportunities

The [Government of Canada has allocated \\$147 million](#) to fund Canada's association with Horizon Europe. Calls of [interest to the cancer research community](#) can be found here. [Application information](#) can be found here. Deadlines vary.

The [Rally Foundation's](#) Collaborative Pediatric Cancer Research Awards Program letter of intent is now open. **Deadline is September 13, 2024, 3:30 pm Eastern.** Full application (invitation only) is due January 6, 2025. Award categories include: Postdoctoral and clinical research fellow grant (up to \$50,000 per year for 1-2 years); Independent Investigator Grant (up to \$50,000 per year for 1-2 years); Consortium Grant (up to \$100,000 per year for 1-2 years); and Outside the Box Grant (\$50,000 for one year).

The [Beryl Institute Patient Experience Grant and Scholar Programs](#) application deadline is **September 27, 2024.** The competition is open to members of the Beryl Institute. Patient Experience Grants are valued \$1,000.

NIH Funding

- Cancer prevention and control clinical trials planning grant program (R34, [PAR-22-173](#) and [PAR-22-174](#)). Letter of intent due 30 days before application date; **expires September 8, 2025.**
- National Institute of Aging multi-site clinical trial implementation grant ([PAR-23-057](#)); **expires January 8, 2026.**
- Early and Late Stage Clinical Trials for the Spectrum of Alzheimer's Disease/Alzheimer's Related Dementias and Age-Related Cognitive Decline (R01 Clinical Trial Optional); ([PAR-23-081](#)); **expires January 8, 2025.**
- [Understanding expectancies](#) in cancer symptom management (R01, clinical trial required). PAR-23-155, no LOI required; **multiple due dates between June 15, 2023, and February 5, 2026.**
- National Institute of Allergy and Infectious Diseases [Clinical Trial Planning Grant](#) (R34); multiple deadlines with application expiring in May 2026. **Letter of intent due 30 days** before application due date. **Expires May 14, 2026.**
- Social disconnection and suicide risk in late life. [PAR-23-239](#) (R21) and [PAR-23-238](#) (R01). **Letter of intent required** 30 days before application due date. **Expires September 8, 2026.**
- Understanding expectancies in cancer symptom management (R01, [PAR-23-273](#)); **expires May 8, 2026**
- HEAL Initiative: Understanding individual differences in human pain conditions (R01, [RFA-NS-24-021](#)); **expires February 7, 2025**
- Personal health informatics for delivering actionable insights to individuals (R01, [PAR-23-245](#)), **expires November 6, 2026.**
- Secondary analysis and integration of existing data to elucidate cancer risk and related outcomes (R01, [PAR-23-245](#) and R21, [PAR-23-255](#)); **expires September 8, 2026.**
- Improving care and outcomes for cancer survivors from sexual and gender minority (SGM) populations (R01, Clinical Trial Optional [PAR-23-292](#)). **Letter of intent due 30 days before application.** **Expires January 28, 2027.**
- Ethical, legal and social implications (ELSI) research on human genetic or genomic research ([R01-PAR-23-293](#))

and [R03 – PAR-23-205](#) and [R21-PAR-23-294](#)). No letter of intent; multiple application deadlines; **expires November 2026**.

- [Cancer prevention and control clinical trials](#) grant program (R01, PAR-24-072); **letter of intent due 30 days before due date; expires January 8, 2027**.
- Notice of Special interest : [US Health in the International Perspective](#); **expiration date: May 8, 2027**. Submit applications for this initiative using one of the following notices of funding opportunities (NOFOs) or any reissues of these announcements through the expiration date of this notice.
 - [PA-20-183 - NIH Research Project Grant \(Parent R01 Clinical Trial Required\)](#)
 - [PA-20-184 - NIH Research Project Grant \(Parent R01 Basic Experimental Studies with Humans Required\)](#)
 - [PA-20-185 - NIH Research Project Grant \(Parent R01 Clinical Trial Not Allowed\)](#)
 - [PA-20-200 - NIH Small Research Grant Program \(Parent R03 Clinical Trial Not Allowed\)](#)
- Notice of Special Interest (NOSI): [Telehealth Research in Cancer Care](#); **expiration date March 17, 2026**. Submit applications via the Notice of funding opportunities listed under application and submission information.
- Standardizing data and metadata from wearable devices (R01; [PAR-24-250](#)). LOI required 30 days before **application due date**. Application deadlines: **June 10, 2025 and June 10, 2026**.
- Early- and late-stage clinical trials for the spectrum of Alzheimer’s Disease Alzheimer’s / Disease-related Dementias and age-related cognitive decline (R01 clinical trial option; [RFA-AG-25-011](#)). **Letter of intent highly encouraged at least 10 weeks before anticipated application due date of October 17, 2024**.
- Alzheimer’s Clinical Trials Consortium Clinical Trials (R01 clinical trial required; [RFA-AG-25-010](#)). No LOI, **application deadline is October 17, 2024**.

Expiring soon

- Pilot Studies for the Spectrum of Alzheimer’s Disease/Alzheimer’s Disease-Related Dementias and Age-Related Cognitive Decline (R61 Clinical Trial Optional) ([PAR-23-083](#)); **expires November 19, 2024**
- [Sustained support for informatics](#) technologies for cancer research and management (U24, RFA-CA-24-019); letter of intent due 30 days before application; **application deadline: November 14, 2024**.
- [Advanced development of informatics technologies](#) for cancer research and management (U24, RFA-CA-24-018), letter of intent due 30 days before application; **application deadline: November 14, 2024**.
- [Early-stage development of informatics](#) technologies for cancer research and management (U01, RFA-CA-24-017); letter of intent due 30 days before application; **application deadlines November 14, 2024**.
- [Development of innovative informatics](#) methods and algorithms for cancer research and management (R21, RFA-CA-24-016), letter of intent due 30 days before application; **application deadline: November 14, 2024**.
- Extension of “Effectiveness trials for post-acute interventions and services to optimize longer-term outcomes ([post-acute management of mental health conditions affecting youth, adults, and older adults](#));final **application deadline November 5, 2024 (LOI required October 5, 2024)**.
- Optimizing behavioral sleep interventions for adolescents and young adults. Application due dates: **October 30, 2024 and June 13, 2025**. **LOI required 30 days before due date**. [RFA-MH-25-130](#), R34 (Clinical Trial required).

New

- Translating Socioenvironmental influences on neurocognitive development and addiction risk ([U01](#), RFA-DA-25-037). **Letter of intent due October 7, 2024, with full application due November 7, 2024**.
- Translating Socioenvironmental influences on neurocognitive development and addiction risk ([U24](#), RFA-DA-25-038). **Letter of intent due November 4, 2024, with full application due December 3, 2024**.

More opportunities are available in the [NIH database](#). Important: for researchers thinking of applying to the NIH, **NIH strongly encourages PIs to contact program officers directly**. Program Officers give valuable information and assistance to applicants. They will also help rejected applicants understand the weaknesses of an application.

Standard application deadlines apply. Please check NIH funding applications carefully re: submission deadlines. U of T Researchers must meet internal deadlines; please check with research office before beginning an application.

Reminder – these competitions are still open

Canadian Opportunities

[Heart and Stroke Foundation of Canada](#) Grants in Aid, Women’s Personnel Awards, New Investigator Awards, and Postdoctoral Personnel Awards competitions are now open. Deadlines:

- Grants-in-Aid: **4 pm, August 29, 2024**; maximum \$400,000 total over a maximum duration of four years.
- New Investigator Award: **4 pm, September 5, 2024**. Maximum \$60,000 per year for a maximum of three years.
- Postdoctoral Fellowship awards: **4 pm, September 5, 2024**; Matching funds required. Maximum \$30,000 per year for two years and the same amount from the host institution.
- Women’s Junior Personnel Awards
 - **doctoral students: 4 pm, September 10, 2024**. Matching funds required. Maximum \$45,000 per year for up to three years and the same amount from the host institution.
 - **postdoctoral fellows: 4 pm, September 10, 2024**. Matching funds required. Maximum \$30,000 per year for up to two years and the same amount from the host institution

 The [Crohn’s and Colitis Foundation of Canada](#) nursing-led IBD Research Grant is **due August 30, 2024**, with a value of up to \$15,000.

University of Toronto’s [Climate Positive Energy/Climate Health and Sustainable Care – PLUS/ Collaborative Centre for Climate Health and Sustainable Care](#) **Seed Grant deadline is August 30, 2024, 5 pm Eastern**. Funds Available: \$10,000 each (4-11 grants will be awarded).

The [Gerontological Nursing Association of Ontario’s Research Grant](#) **deadline is September 1, 2024**, and is open to GNAO members. **PhD students: if applying, please include your supervisor as a co-PI, and check re: suitability and eligibility.**

The [Vanier Graduate Scholarship Competition](#) is now open. **Doctoral students** should check with their graduate student office for internal deadlines (**anticipated to be around September 10, 2024**). This program has institutional [quotas](#), so there will be an internal institutional competition to select applicants to go forward to the main competition. [Eligible students](#): doctoral students who are Canadian citizens, permanent residents of Canada and foreign citizens. Award value: \$50,000 per year for three years. The [U of T SGS page](#) has more information.

[Social Sciences and Humanities Research Council](#) **Postdoctoral fellowships application deadline is September 12, 2024; Partnership Engage Grant deadline is September 15, 2024, and Connection Grants deadline is November 1, 2024.**

Insight Grant applications are due October 1, 2024. SSHRC will hold an English information session on August 22, 2024, 1:00 – 2:30 pm. Connection details: [Insight Grants Webinar number](#): 2337 168 5933; **Webinar password**: JnMaM6WEw82; (56626693 for mobile phone and video systems); **Join by phone**: 1-855-244-8677 Canada toll-free; +1-613-714-9906 Canada toll (Ottawa).

U of T researchers should check all internal deadlines carefully and plan to submit full applications up to 5 days ahead of the sponsor deadline.

[SSHRC Doctoral Fellowships and Canada Graduate Scholarships](#) – Doctoral Program internal deadline for U of T nursing students is September 30, 2024.

The [Banting Postdoctoral Fellowship](#) application deadline is **September 17, 2024**. Value: \$70,000 for two years. This competition is open to Canadian citizens, permanent residents of Canada and foreign citizens.

The [Drucker Family Innovation Fund Grants](#) (Banting & Best Diabetes Centre) application deadline is **4 pm on September 19, 2024**. Value: \$75,000. Preference given to high risk innovative proposals focused on diabetes and metabolism research.

IDRC • CRDI

International Development Research Centre
Centre de recherches pour le développement international

The [2025 IDRC Research Awards competition](#) is now open. **Application deadline is September 22, 2024**. The themes include ethics in development research, global health, policy and evaluation, and more. All awards are based in Ottawa, except for climate-resilient food systems (Nairobi) and democratic and inclusive governance (New Delhi).

CRDCN

RCCDR

The [Canadian Research Data Centre Network](#) offers an emerging scholars grant to support **PhD students** undertaking thesis-related research in a research data centre in Canada. Applications received from December 1 to March 31: grants will be awarded by May 15. Applications received from April 1 to July 31: grants will be awarded by September 15. **Applications received from August 1 to November 30**: grants will be awarded by January 15.

CIHR Grant Opportunities

Operating Grant: [ECRs in Human Development, Child and Youth Health](#). **Registration deadline September 4, 2024, with full application due September 24, 2024**. Funds available: \$1,800,000, enough to fund approximately 12 grants. Maximum per grant is \$50,000 per year for up to three years. Two grants will be funded from the Indigenous Human Development, Child and Youth Health pool, and two applications will be funded from the Human Development, Child and Youth Health for Equity-Deserving Groups pool.

Operating Grant: [Data Analysis Using Existing CDN Databases And Cohorts](#): **Registration deadline September 10, 2024, with full application due October 3, 2024**. This research opportunity is sponsored by the Institute of Human Development, Child and Youth Health. Research should be relevant to human development, child and/or youth health with the goal to inform improved patient, population and system outcomes. Funds available: \$75,000 per year for up to one year.

Project Grant: Registration deadline August 14, 2024, with full application due September 11, 2024. Important [updates](#): equalization is expanding to applicants who self-identify as a racialized person or as a person with a disability; remember to follow formatting requirements; and CCV is updating security (you may be required to update your password and security questions). [Priority Announcements](#) have been released and include opportunities for aging, breast cancer research, global health research, and much more.

Catalyst Grant: [Moving Upstream: Structural Determinants of Health](#). **Registration deadline September 11, 2024, with full application due October 9, 2024.** Objectives: to increase evidence base on structural determinants of health inequities in Canada; support novel designs, theories, methods to understand structural determinants of health and impact on health inequities; to foster connections and collaborations. Research areas include structural determinants of health inequities: commerce; racism and health; ageism, cancer; sex, gender and health; human development, child and youth health; indigenous health and wellness; and more. Total funding available: \$4,000,000, enough to fund approximately 32 grants. Maximum per grant: \$125,000 per year for one year

The CIHR Institute of Human Development, Child and Youth Health has launched its [IHDCYH Talks](#) competition. **Registration deadline is September 23, 2024, and submission deadline is October 8, 2024.** The competition welcomes short videos under 5 minutes, and new this year, will accept infographic and podcast submissions. First (\$2,500), second (\$1,500) and third place (\$750) will be awarded in each category. This competition is open to researchers as well as **undergraduate and graduate students and postdoctoral fellows.**

The [CIHR Fellowship](#) **deadline is October 2, 2024** (internal deadlines may apply and are yet to be announced). [Priority Announcement](#) areas include aging, sex and gender, patient-oriented research, and more. The maximum amount per award is up to \$60,000 for up to five years. Amount and duration may vary based on degree(s) held, licensure, location of tenure and applicant experience. Designated funding: Black Scholars Initiative: additional funds have been deployed to increase direct support for Black scholars.

The CIHR Institute of Nutrition, Metabolism and Diabetes [Training and Community Support Grant](#) **application deadline is October 4, 2024.** Value: Up to \$50,000. One grant will be funded.

[Implementation Science Chairs in Human Development, Child and Youth Health](#). The objectives are to build capacity; advance the field; and strengthen research excellence and ensure maximum research impact. Funds available: \$4,000,000, enough to fund up to four awards; maximum per award is \$200,000 per year for up to five years for a total of \$1,000,000 per award. **Application deadline: October 15, 2024.** Eligibility: early or mid-career researcher.

[Team Grant: Healthy Youth](#). **Registration deadline December 10, 2024. Full application due February 2, 2025.** This grant will support research teams that bring evidence to at least two of the six youth-defined priorities of Canada's Youth Policy, of which Health and Wellness is one. Teams must follow key design elements as appropriate – tri-partite leadership; youth engagement; intersectoral and multi-disciplinary teams; EDI and Indigenous rights; building and/or bridging capacity; and knowledge mobilization. Funds available: \$9,000,000, enough to fund approximately six grants. Funding per grant: \$300,000 per year for up to 5 years for a total of \$1,500,000 per grant.

International Opportunities

[Sigma Theta Tau International](#) open grants include Emergency Nurses Association Foundation Grant (**due August 28, 2024**); the Association of perioperative Registered Nurses Grant (**Deadline is August 31, 2024**), and the American Association of Critical-Care Nurses Grant (**Due October 27, 2024**). **Doctoral students may apply but must include their supervisor/committee member on the grant as a co-principal investigator. Students should check with their supervisor and research office for eligibility and suitability.**

The [Sleep Research Society](#) small research **grant application deadline is September 1, 2024**. Maximum value: US\$5,000. Students who apply should check with their supervisor and the research office re: suitability and eligibility and must include their supervisor as a co-principal investigator on the application.

The March of Dimes (US) [Discovery Research Grants](#) **application deadline is September 6, 2024**. The focus is on maternal fetal health and related fields. Areas of interest include racial inequities as they relate to morbidity, mortality, and access to care, and cardiovascular health conditions developed during or exacerbated during pregnancy. Funds available: \$200,000 over two years inclusive of 10% indirect costs.

ResMed [ResMed Foundation](#) (supporting sleep and respiratory health) clinical research proposals **are due September 15, 2024**. Value: US\$250,000 maximum.

The [American Association of Nurse Anesthesiology Foundation](#) dedicated research **grant submission deadline is September 30, 2024**. This opportunity is open to members.

The National Council of State Boards of Nursing [Centre for Regulatory Excellent Grant](#) **submission deadline is October 4, 2024**. Funds available: Up to US\$300,000. Research priorities: outcome studies related to nursing regulation; nursing workforce; new technologies related to the profession; and more.

Canadian mid-career professionals with an interest in safe and high-quality healthcare can apply to the [Harkness Fellowships](#). **Deadline is November 1, 2024**.

Research Updates

Tricouncil Funding Agency Updates

[ResearchNet update](#): **Starting September 18, 2024**, CIHR will be implementing **multifactor authentication** in ResearchNet.

[CIHR March Project Grant](#) results released with information on equalization and geographic distribution.

The [Government of Canada has released its report](#) about what they heard on the review of the Tri-Agency Open Access Policy on Publications.

CIRH announces [increases to awards and impact on grant budgets](#).

Other updates

The British Medical Journal has developed [reviewer training materials](#), particularly for those interested in reviewing for the BMJ. Contents include PowerPoint presentations, sample referee reports, and relevant readings.

The Elsevier Reviewer Centre offers a [certified peer reviewer course](#) (seems to be free), as well as resources in its [reviewer hub](#).

Upcoming Events

New events and calls for abstracts

The [Society for Post-Acute and Long-Term Care Medicine](#) annual conference will be held in Charlotte, NC, March 13-15, 2025. Poster submission opens mid-September; **submission deadline TBD.**

North American Refugee Health Conference The [North American Refugee Health Conference: Health means the world to us](#) will be held in Niagara Falls, ON, September 11-13, 2025. Abstract submission opens in September 2024.

University of Toronto, UHN, and the Centre for Advancing Collaborative Healthcare and Education are presenting “[Educating Health Professionals in Interprofessional Care](#)”, November 6-8, 2024. Participants are encouraged to apply as a team of two or more to enhance learning. Participation is competitive – submit a 250 word description/outline of an interprofessional initiative/project/activity that you hope to undertake. **Early bird application deadline is August 24, 2024; application deadline is September 18, 2024.**

The [International Forum on Quality and Safety in Healthcare](#) will be held in Utrecht, Netherlands, May 21-23, 2024. **Poster Abstract submission opens August 27, 2024.**

NACNS The [National Association of Clinical Nurse Specialists Conference](#) will be held March 10-13, 2025, in Boston, MA. **Abstract submission deadline is August 27, 2024.**

The University of Toronto Collaborative Centre for Climate, Health and Sustainable Care will be held October 22, 2024, in Toronto, ON. **Late-breaking and student abstracts will be accepted until August 31, 2024, with a strong preference for poster submissions. An extended deadline for posters only is September 9, 2024.**

AAPM The [American Academy of Pain Medicine](#) 41st anniversary annual meeting will be held April 3-6, 2025, in Austin, TX. **Abstract submission deadline for education session proposals is August 31, 2024.**

The [World Hospital at Home Congress](#) will be held March 27-20, 2025, in Vienna, Austria. **Abstract (oral or poster presentation) submission deadline is September 12, 2024.** Topics include patient and caregiver experience; education, training and workforce; quality and safety; and more.

NAON The [National Association of Orthopaedic Nurses](#) annual conference will be held May 15-16, 2025; this will be a virtual only conference. **Abstract submission deadline for poster presentations is September 16, 2024.**

PAS The [Pediatric Academic Societies](#) annual conference will be held April 24-28, 2025, in Honolulu, HI. **Abstract submission deadline for scholarly sessions and abstracts is September 18, 2024; abstract submission deadline (posters) is November 4, 2024.**

The [Oncology Nursing Society's Congress](#) will be held April 9-13, 2025, in Denver, CO. **Abstract submission deadline is September 26, 2024.**

ICN The [International Council of Nurses Congress](#) will be held in Helsinki, Finland, June 9-13, 2025. **Abstract submission deadline is September 30, 2024.**

The [International Congress on Academic Medicine](#) will be held in Halifax, NS, April 3-6, 2025, in Halifax, NS. **Abstract submission deadline is October 4, 2024.** The Health Research call for abstracts will open in early 2025.

The [Marie Curie Research into Practice Conference](#) will take place the week of Monday, February 10, 2025. This conference will be virtual only. **Abstract submission deadline is October 7, 2024.** The four themes are: supporting physical or mental health and wellbeing of people affected by dying, death and bereavement; ending financial insecurity at end of life; ensuring support for all affected by death and dying; ending inequity in end of life experience.

NurseTRUST [NurseTRUST 2025 Annual Summit](#) will be held March 23-25, 2025 in Charlotte, NC. **Abstract submission deadline is October 9, 2024.** The focus is on nurse leaders – themes include technology, artificial intelligence, innovation; health equity, culture of health and generational strategies; innovative methods of care delivery and meeting the needs of special populations.

The [British Society for Rheumatology's](#) annual conference will be held in Manchester, UK, April 28-30, 2025. **Abstract submission deadline is October 16, 2024.** Topics include epidemiology and outcome research; health service research and redesign; education; and more.

The [Canadian Respiratory Conference](#) will be held in Quebec City, QC, April 3-5, 2025. Abstract submission opens in early September; **deadline is October 21, 2024.**

The [European Society of Gynaecologic Oncology](#) annual conference will be held in Rome, Italy, February 20-23, 2025. **Abstract submission deadline (for oral, poster or surgical video) is October 28, 2024.** Topics of interest include quality of life after treatment, palliative care, and more.

The 36th [International Nursing Research Congress](#) (a Sigma Theta Tau International Event) will be held July 17-20, 2025, in Seattle, WA. **Abstract submission deadline is October 30, 2024.**

Calls for Meeting Abstracts Still Open

The [American Association of Occupational Health Nurses'](#) annual conference will be held in Pittsburgh, PA, March 31 – April 2, 2025. **Conference podium session abstract submission deadline is August 25, 2024; and submission deadline for conference posters is September 8, 2024.** Topics of interest include remote work, nursing professional development, research/evidence-based practice and more.

The Canadian Conference on Dementia: [Hot Topics 2024](#) will be held virtually on October 18, 2024. **Deadline for abstract submissions is August 26, 2024.**

STTI's [Creating Healthy Work Environments Annual Conference](#) will be held March 28-30, 2025, in Phoenix, AZ. **Abstract submission deadline is August 29, 2024.** Topics of interest include optimizing healthy work environments for patient outcomes, enhancing professional wellbeing and more.
