

Research Resources

Reminder: Bloomberg Nursing’s Research Office [Research Funding Resources](#) page has information about predatory publishing; reductions in APC fees; EDI resources; free software licenses (e.g., how to access REDCap, NVIVO); and more.

Sign up for the [Centre for Research & Innovation Support newsletter](#) for information about training sessions, funding opportunities and other resources, such as [Spotlight on Leveraging Digital Platforms](#) to Support Research Impact.

Check the CRIS [Calendar of events](#), for upcoming events, such as [Introduction to using NVivo 14/15](#) for qualitative data analysis (Mac Version) on November 26, 2024, 2-4:30 pm, and [Reflecting on Indigenous Land Acknowledgements](#), December 12, 2024, 1-4 pm. If you missed a session, presentations and slide sets of past events are often available on the CRIS website.

Grant and Award Opportunities

Remember – always check grant information carefully

New Canadian Opportunities

Want to be involved in a community that is committed to driving a positive impact in sustainable development? SDGs@UofT is welcoming any faculty, staff, or students with interest in our initiative to become an affiliate. As an affiliate, you will receive regular updates and news related to the ongoing activities of the initiative. Join us now by completing the [affiliation form](#).

[Connaught PhDs for Public Impact Fellowship](#) application deadline is **January 30, 2025**. **Information webinar on December 12, 2024, 12-1 pm**. This competition is open to **PhD students in** second year or higher at time of application and in good academic standing. This program supports an innovative program of public scholarship – it is less about what your research is and more about how you engage the public about it. Check out [previously funded projects](#). Value: \$12,500.

[SDGs@UofT](#) is calling for applications for the Catalyst and Synthesis Grant program. Value: up to \$20,000 for 1-2 years. **Application deadline: December 3, 2024**. There are two streams: selecting a nexus or building a nexus. The current nexuses include food systems, gender, and environment; education, inequality and

the SDGs; sports, health and community development; technology, health, work and inequality. Research should be aligned with the SDGs@UofT research themes. Applicants and co-investigators must be an affiliate of the SDGs Scholars Academy at time of application.

SDGs@UofT [Student Mobility Training Program](#) aims to support top **graduate (Master's or PhD) students**. This is a competitive 12-week research program for graduate students that runs from May to August. Students can request up to \$7,000 to support travel, accommodation, meals and other incidental costs. Supervisors must be affiliates of the SDGs@UofT. **Application deadline: Monday, January 20, 2025.**

 Banting and Best Diabetes Centre [Innovative Diabetes Quality Improvement Grant](#) **application deadline is December 3, 2024.** This opportunity is open to healthcare professionals working full-time at a University of Toronto affiliated institution at time of application. The objectives are quality improvement in diabetes or patient safety in diabetes care. Funds available: Up to \$10,000 for one year.

 The [2024 Catalyst Grant Competition](#) on Intervention and Policy Research for Child Health Equity is now open. This competition is supported by the Edwin S.H. Leong Centre for Healthy Children at the Hospital for Sick Children and the University of Toronto. **Letter of intent deadline is December 6, 2024, 12 noon;** full application (invitation only) is due January 31, 2025, at 12 noon. Funds available: up to \$75,000 for up to two years, with priority given to projects that can be completed in one year.

 [Ontario Institute for Cancer Research Innovation to Implementation \(I2I\) grant letter of intent deadline is December 5, 2024.](#) Full application by invitation due April 10, 2025. Funds available: \$100,000 per year (inclusive of overhead) for a maximum of two years. Research is focused on adoption, barriers, and implementation of projects.

 The Institute for Work & Health [Cameron Mustard Early Career Accelerator Award](#) **application deadline is Sunday, December 8, 2024.** Value: \$20,000; it covers data collection costs, data access fees, conference travel, and open access publications. ECR is defined as someone who has completed their PhD in last five years; has not received more than \$100,000 as a PI or Co-PI (excluding salary awards).

 The University of Toronto [Black Research Network IGNITE](#) **grant application deadline is December 11, 2024.** This grant offers \$5,000-\$10,000 towards professional development, research dissemination and other types of research support.

 [Inlight Student Mental Health Research Development Grants](#) **expression of interest is December 11, 2024;** relevance and eligibility review is finalized December 20, 2024 and team connection is established January 2025. This program supports research projects, programs and teams that have a primary focus on post-secondary student mental health and wellness through research at the University of Toronto and academic partners. The goal is for teams to apply for catalyst funding (up to \$70,000) in February-April 2025.

 The Social Science and Humanities Research Council [Partnership Engage Grant](#) **deadline is December 15, 2024;** University of Toronto researchers must meet internal deadlines – MRA due December 6, 2024, with

full application online by December 12, 2024. The next [Connections Grant](#) competition is February 1, 2025; U of T researchers will have to meet internal deadlines.

The Canadian Cancer Society [Workplace Cancer Research Grants](#) **abstract registration deadline is January 8, 2025, with full application due March 19, 2025.** Current partners for this grant include the Canadian Federation of Nurses Unions and CUPE. Funds available: up to \$100,000 per year for a maximum of two years. CCS anticipates funding up to 5 grants.

[ENRICHENRICH](#) [Doctoral Salary Award](#) for Black and Indigenous Scholars supports next generation researchers in perinatal and child health. **Application deadline is January 10, 2024.** Value: \$30,000 per year for up to 3 years.

The University of Toronto's [School of Cities](#) **grant program on inequality, data and democracy application deadline is January 13, 2025.** There are two tiers: Multidisciplinary (up to \$250,000; up to two will be funded) and Catalyst (up to \$50,000; up to six will be funded).

AMS Healthcare's [Fellowship in Leadership in Compassion and Artificial Intelligence](#) (managed by the Ontario SPOR Support Unit) **letter of intent deadline is Wednesday, January 15, 2025, at 5 pm eastern** Full application is by invitation; deadline TBD. Information webinar is November 21, 2024. Value: \$75,000. This competition is open to early and mid-career academic researchers and regulated health care professionals.

The AMS [Small Grant](#) **application deadline is Wednesday, February 19, 2025.** Webinar also on November 21, 2024. Value: up to \$30,000 for early and mid-career academic researchers and regulated health professionals.

[Transform HF 2025 Collaboration Starter Grants](#) **application deadline is January 17, 2025 (5 pm).** This competition is open to members who are forming collaborations with new partners on early stage projects that will advance equitable access to high quality heart failure care through digital innovation. Three types of projects: proposal development meetings, collaborative project activities, patient or knowledge keeper compensation and facilitation; scoping and preliminary project research and data collection; research proposal writing and editing. Value: Up to \$10,000.

The [U of T Data Sciences Institute Postdoctoral fellowship](#) **application deadline is February 7, 2025.** Value: \$63,000 for one year plus up to \$7,000 for benefits and a stipend for knowledge translation activities. The [Doctoral student fellowship](#) **application deadline is also February 7, 2025.** Value: \$25,000 per year for up to 3 years. Student research must have a data sciences focus through the development of novel methodology or innovative application of existing approaches.

The [Heart and Stroke Foundation of Canada](#) current funding opportunities include Personnel awards for black scholars and Personnel awards for Indigenous scholars. **Application deadline is March 20, 2025, at 4 pm.** These competitions are open to [doctoral](#) and master's students. Value: Up to \$40,000 per year for a maximum of three years.

Students: Applying for research funding? Check with the Research office about your eligibility to hold funds. Contact the Research Office to get information and approval on proposals, administrative requirements and ethics ahead of deadlines, and always check with your supervisor! Email: research.nursing@utoronto.ca

New International Opportunities

Sigma Theta Tau International / [National League for Nursing Grant](#) application deadline is **February 1, 2025**. Value: up to US\$5,000. One grant is awarded per year. Priority will be given to Sigma and/or NLN members. Eligible applicants include PhD and DN students who are registered nurses. U of T students must include their supervisor as a co-investigator on the grant; students should always consult with their supervisor about relevance and suitability. Check with research.nursing@utoronto.ca for information on administrative requirements and eligibility. Proposed studies must focus on advancing the science of nursing education through the use of technology in the dissemination of knowledge.

New CIHR Opportunities

Government of Canada [Call for Expressions of Interest: Indigenous Leadership Circle in Research](#). The Circle provides advice and guidance at the tri-agency level and helps advance the strategic plan's directions via monitoring progress of the strategic plan, identifying issues and opportunities, recommending solutions; and providing advice and direction on other Indigenous matters. **Application deadline: November 28, 2024.**

CIHR will be hosting 90 minute "Ask Me Anything" sessions to share more information and answer questions about [updates to the Project Grant competition, the new tri-agency CV](#), and other developments at CIHR.

English session: Thursday, December 5, 2024 at 1:30 p.m. ET | [Join](#)

French session: Wednesday, December 4, 2024 at 10:00 a.m. ET | [Join](#)

Vote for the [Institute of Human Development, Child and Youth Health](#) IHDCYH Talks Competition – videos, podcasts and infographics. **Voting deadline is November 30, 2024:** Bloomberg's Jen Stinson's infographic "Pearls for Provides" is in the running for best infographic.

Operating Grant: [Pandemic Research Platforms Interim Funding](#). **Letter of intent deadline December 5, 2024.** Grant objectives: implement a plan; build and strengthen capacity; rapidly generate and mobilize evidence; collaborate. Funds available: \$17,000,000, enough to fund approximately 6 grants, divided as: 3 applicants will be awarded in the general pool; 1 application in the data accessibility pool; 1 application in the population-based cohort to study differential risks and impacts of pandemics/health emergencies; and 1 application relevant to the rapid evidence synthesis for patient, community, and policy and decision maker priority research questions.

[Travel Awards](#): Deadline January 7, 2025; travel must occur between April 1, 2025, and March 31, 2026.

Applicants must be presenting at the conference they want to travel to. Eligibility: early career researcher or trainee ([PhD student](#)) or knowledge user; must show proof of Canadian citizenship, Canadian permanent residency or temporary residency (e.g., Canadian study or work permit; for foreign applicants, awards will only begin after proof of an entry visa into Canada has been provided). **These awards will be distributed through a randomization process for each priority area.**

Priority areas of interest include cancer; aging (20 awards for domestic travel; 4 for international); circulatory and respiratory health; gender and health (20 awards, 10 will be reserved for trainees presenting at the annual Organization for the Study of Sex Differences Conference); Human development, child and youth health; health

services and policy research (23 awards; of these, 15 reserved for participants of Canadian Association for Health Services and Policy research Conference 2025); indigenous people's health (Up to 5 awards will be reserved for participants attending the International Indigenous Health conference in Adelaide, Australia); Institute of population and public health (to attend specific conferences – Public Health 2025; Canadian Conference on Global Health; Artificial Intelligence for Public Health Summer Institute 2025).

Project Grant Spring 2025: Registration deadline is February 5, 2025, with full application due March 5, 2025. The anticipated notice of decision for the Fall 2024 Project Grant is January 29, 2024. Priority Announcements have not been announced yet.

Use your Research Office. We are here to support you. Please let us know when you are beginning the grant process – we are happy to assist with developing budgets and providing editorial, financial, content and methodological feedback. Let us know when you succeed! Email: research.nursing@utoronto.ca

NIH Funding

- Cancer prevention and control clinical trials planning grant program (R34, [PAR-22-173](#) and [PAR-22-174](#)). Letter of intent due 30 days before application date; **expires September 8, 2025.**
- National Institute of Aging multi-site clinical trial implementation grant ([PAR-23-057](#)); **expires January 8, 2026.**
- [Understanding expectancies](#) in cancer symptom management (R01, clinical trial required). PAR-23-155, no LOI required; **multiple due dates between June 15, 2023, and February 5, 2026.**
- National Institute of Allergy and Infectious Diseases [Clinical Trial Planning Grant](#) (R34); multiple deadlines with application expiring in May 2026. **Letter of intent due 30 days** before application due date. **Expires May 14, 2026.**
- Social disconnection and suicide risk in late life. [PAR-23-239](#) (R21) and [PAR-23-238](#) (R01). **Letter of intent required** 30 days before application due date. **Expires September 8, 2026.**
- Understanding expectancies in cancer symptom management (R01, [PAR-23-273](#)); **expires May 8, 2026**
- Secondary analysis and integration of existing data to elucidate cancer risk and related outcomes (R01, [PAR-23-245](#) and R21, [PAR-23-255](#)); **expires September 8, 2026.**
- Improving care and outcomes for cancer survivors from sexual and gender minority (SGM) populations (R01, Clinical Trial Optional [PAR-23-292](#)). **Letter of intent due 30 days before application.** **Expires January 28, 2027.**
- Ethical, legal and social implications (ELSI) research on human genetic or genomic research ([R01-PAR-23-293](#) and [R03 – PAR-23-205](#) and [R21-PAR-23-294](#)). No letter of intent; multiple application deadlines; **expires November 2026.**
- Notice of Special interest : [US Health in the International Perspective](#); **expiration date: May 8, 2027.** Submit applications for this initiative using one of the following notices of funding opportunities (NOFOs) or any reissues of these announcements through the expiration date of this notice.
 - [PA-20-183 - NIH Research Project Grant \(Parent R01 Clinical Trial Required\)](#)
 - [PA-20-184 - NIH Research Project Grant \(Parent R01 Basic Experimental Studies with Humans Required\)](#)
 - [PA-20-185 - NIH Research Project Grant \(Parent R01 Clinical Trial Not Allowed\)](#)
 - [PA-20-200 - NIH Small Research Grant Program \(Parent R03 Clinical Trial Not Allowed\)](#)
- Notice of Special Interest (NOSI): [Telehealth Research in Cancer Care](#); **expiration date March 17, 2026.** Submit applications via the Notice of funding opportunities listed under application and submission

information.

- Standardizing data and metadata from wearable devices (R01; [PAR-24-250](#)). LOI required 30 days before **application due date**. Application deadlines: **June 10, 2025 and June 10, 2026**.
- Optimizing behavioral sleep interventions for adolescents and young adults. Application due dates: **June 13, 2025**. **LOI required 30 days before due date**. [RFA-MH-25-130](#), R34 (Clinical Trial required).

Expiring soon

- HEAL Initiative: [Understanding individual differences in human pain conditions](#) (R01, clinical trial optional; RFA-NS-25-020). **Application deadline is February 6, 2025**. The focus of this grant is to support research aimed at holistic understanding of inter-individual or between-person differences in human pain conditions, focusing on 'Whole Person health.'

New

- Cancer Prevention and control clinical trials grant program (R01; [PAR-25-167](#)); LOI required 30 days before application. Expires January 8, 2027.
- Exploratory Grants in Cancer Control (R21, [PA-25-253](#)); expires September 8, 2028.
- Modular R01s in Cancer Control and Population Sciences (R01; [PA-25-172](#)); expires January 8, 2028.
- Personal health informatics for delivering actionable insights to individuals (R01; [PAR-25-235](#)); expires January 8, 2027.
- Dissemination and implementation research in health (R03, [PAR-25-233](#); all NIH Institutes participating); LOI required; expires January 8, 2028.

More opportunities are available in the [NIH database](#). Important: for researchers thinking of applying to the NIH, **NIH strongly encourages PIs to contact program officers directly**. Program Officers give valuable information and assistance to applicants. They will also help rejected applicants understand the weaknesses of an application.

Standard application deadlines apply. Please check NIH funding applications carefully re: submission deadlines. U of T Researchers must meet internal deadlines; please check with research office before beginning an application.

Reminder – these competitions are still open

Canadian Opportunities

The Banting and Best Diabetes Center of the University of Toronto Novo Nordisk BBDC [Pilot and Feasibility Grant](#) **deadline is November 26, 2024**. Value: \$40,000.

The logo of the Council of Ontario Universities, featuring a grid of colored dots. The text 'COUNCIL OF ONTARIO UNIVERSITIES' is displayed to the right of the logo.
The [Ontario Women's Health Scholars Award](#) has launched. These awards are available to **doctoral, master's and postdoctoral students**. **Anticipated internal deadline is November 29, 2024**. Students must check with their academic department for exact deadlines. This competition is open to Canadian citizens or permanent residents. Value: Doctoral Awards: \$35,000 plus \$2,000 research allowance; Postdoctoral awards: \$50,000 plus \$5,000 research allowance. Full details on the [Council of Ontario Universities website](#).

The [University of Toronto's Graduate Student Conference grant](#) application deadline is **November 30, 2024** (for travel between August 1, 2024 and April 30, 2025).

SDGs@UofT has launched [Catalyst and Synthesis Grants](#). Value: Up to \$20,000 for 1-2 years. **Full application deadline December 3, 2024**. Catalyst grants should be used to develop and/or evaluate SDG initiatives while Synthesis grants will produce scoping, systematic or literature reviews.

[Social Sciences and Humanities Research Council Knowledge Synthesis Grant](#) – Envisioning Governance Systems that work. **Application deadline: December 12, 2024**; University of Toronto researchers must submit their grant 5 days ahead of sponsor deadline. Value: \$30,000 for one year.

The [Canadian Hemophilia Society Novo Nordisk Psychosocial Research Program](#) application deadline is **November 29, 2024**. Funding: a maximum of \$40,000 for one year.

The [Canadian Research Data Centre Network](#) offers an emerging scholars grant to support **PhD students** undertaking thesis-related research in a research data centre in Canada. Applications received from December 1 to March 31: grants will be awarded by May 15. Applications received from April 1 to July 31: grants will be awarded by September 15. **Applications received from August 1 to November 30**: grants will be awarded by January 15.

The [Kids Brain Health Network](#) supports research for children with neurodevelopmental disabilities and their families across Canada. There are two programs accepting applications: Innovation and Implementation. **Both have application deadlines of December 16, 2024; both require 1:1 partner matching of KBHN funding**. Innovation: up to \$100,000 per year for up to two years. Implementation: up to \$200,000 per year for up to two years from KBHM. Focus is on large-scale implementation projects bridging the gap between scientific innovation to national uptake.

The [Canadian Women's Heart Health Centre](#) has launched its awards program, including a trainee award (**deadline is January 9, 2025**); a heart, brain and vascular health investigator award for senior and ECR investigators (**deadline is January 31, 2025**)

[SSHRC Insight Development Grants](#) (IDGs) **have an application deadline of February 2, 2025**. **U of T applicants must** submit their MRA by 12 noon on Monday, January 27, 2025, with full application online by 9 am, Friday, January 31, 2025. Value: \$7,000 to \$75,000 for 1-2 years. IDGs support research in early stages for emerging (within six years of completion of first doctorate) and established scholars (exploring new research questions and/or approaches distinct from previous/ongoing research). Webinars: Please note that UofT will be holding a webinar for the 2025 IDG competition on Tuesday, December 10, 2024, 10:30am-12am (details available on the [CRIS website](#)). Additionally, SSHRC will be holding its own

webinars for the IDG competition on Wednesday, November 27 (in both French (10am-12pm) and English (1pm-3pm)). For details and the links to the SSHRC webinars, please visit [SSHRC's upcoming webinars](#) webpage.

International Opportunities

[Greenwall Foundation Open-Access Publication Funding](#) will support open-access fees for publications resulting from Greenwall-funded work. Application deadline: funds will be awarded on a first-come, first-served basis until **December 1, 2024**, or until funding is depleted (whichever comes first).

The [Horowitz Foundation for Social Policy Award](#) (US\$10,000) is open to **doctoral** students. **Application deadline is December 1, 2024.**

[Sigma Theta Tau International Research Grants](#) with a **December 1, 2024, application deadline** include small grants, the Alpha Eta collaborative Research Grant, the Canadian Nurses Foundation Collaborative Grant, the Council for the Advancement of Nursing Science Grant, the rosemary Berkel Crisp Research Award, and the Western institute of Nursing Research Grant. Values and durations vary. **U of T PhD students must include their supervisor on the grant as a co-principal investigator; PhD students should always check with their supervisor about relevance and eligibility, and the research office can assist with administrative matters.**

ASPAN The [American Society of PeriAnesthesia Nurses](#) Research Grant **application deadline is January 1, 2025.**

The [Margaret McNamara Education Grants US-Canada program](#) is accepting applications **between now and January 15, 2025**. This competition is open to **doctoral students** – those who self-identify as ‘woman’, are at least 25 years old at time of application deadline, are registered at an accredited in-person academic institution and program, and a citizen from the [eligible country list](#). It is not open to Canadian citizens or those with Canadian landed immigrant status. Value: Up to US\$15,000.

The [International Association of Medical Science Educators](#) grants **application deadline is January 15, 2025**. There are two arms: Educational Scholarship grants and Curriculum Innovation Grants. Value: Up to \$5,000. The [IAMSE-ScholarRX Educational Research Grant Program for students](#) **deadline is also January 15, 2025**. Value: four student grants will be awarded for up to \$2,500. PhD students at U of T should consult with their supervisor to determine eligibility and relevance.

The [National League for Nursing Education Research Grants Program](#) **application deadline is February 4, 2025**. These opportunities include nursing education grants; emerging investigator in nursing education research award, Mary Ann Rizzolo **doctoral research award**, and the Edmund J Y Pajarillo Health Informatics and Innovation Collaborative Research Award. Values range between \$2,500 to \$30,000.

CIHR Grant Opportunities

CIHR and the American Association for Cancer Research have launched the [inaugural AACR CIHR Scholar](#) in Training Awards competition. Award recipients will receive complimentary registration and a stipend to travel to the [AACR annual meeting](#) in 2025 (April 25-30, 2025, Chicago, IL). **This competition is open to full time doctoral students, postdoctoral fellows or post-health professional degree fellows** at an academic or research institution, who are associate members of the AACR in good standing and first author and presenter of a meritorious abstract at the AACR. **Application deadline for membership was October 28, 2024, and application deadline for scholarship is November 26, 2024. Abstract submission deadline is November 26, 2024.**

The [Summer Program in Aging](#) (SPA) is a 5-day capacity-building program for graduate trainees. **Application deadline is November 26, 2024.** The focus this year is Training a healthcare workforce to meet the needs of older adults. SPA will be hosted at Baycrest Academy for Research and Education in Toronto, ON, June 8-13, 2025. Funding is available for travel expenses. Approximately 40 awards will be made – 20 to postdoctoral trainees; **15 to doctoral trainees**; and 5 to masters trainees.

[Catalyst grant: Digital Health](#). **Application deadline December 3, 2024.** Value: \$100,000 per year for one year; up to four grants will be funded: one will fund research relevant to the Indigenous Health research funding pool; three to the early to mid-career research funding pool.

[Team Grant: Healthy Youth](#). **Registration deadline December 10, 2024. Full application due February 2, 2025.** This grant will support research teams that bring evidence to at least two of the six youth-defined priorities of Canada's Youth Policy, of which Health and Wellness is one. Funds available: \$9,000,000, enough to fund approximately six grants. Funding per grant: \$300,000 per year for up to 5 years for a total of \$1,500,000 per grant.

[Upcoming opportunity](#): CIHR will be supporting the British Heart Foundation's International Research Challenge on Women's Cardiovascular Health – supported by the Global Cardiovascular Research Funders Forum. **One grant of USD \$10 million over 5 years will be awarded. Letter of intent deadline is January 15, 2025. Full application by invitation only.**

The Social Sciences and Humanities Research Council, CIHR and the Michael Smith Health Research BC have launched a joint initiative around [research on research](#). **Application deadline February 20, 2025.** Value: up to \$200,000 over three years. **University of Toronto applicants must submit their MRA by noon on Tuesday, February 11, 2025, and their full application on the Convergence portal by 9 am on Tuesday, February 18, 2025.** The funders anticipate awarding nine grants.

Research Updates

Tricouncil Funding Agency Updates

The [CCV will be replaced](#) (eventually) with a narrative format.

The [CIHR budget has increased](#), which will allow them to boost student funding, increase the number of project grants awarded, and increase the average budget size for project grants.

[CIHR is updating how it presents Project Grant](#) application results for Notices of Recommendation and Decision that will be released in January. Researchers will no longer see specific ranking in the NOR, but their zone (bottom 25%, 25-50%, 50-75%, 75-90%, and >90%).

The Triagencies have published guidance on the [use of generative AI](#) in the development and review of research proposals.

The [Government of Canada](#) has appointed [Paul Hebert](#) as President of the Canadian Institutes of Health Research effective January 2, 2025, for a five year term.

U of T Updates

[U of T to increase funding for PhD](#) and SJD students; beginning fall 2025, the annual base funding package for the funded cohort will be \$40,000, including tuition.

Upcoming Events

New events and calls for abstracts

Transcultural Nursing Society The 51st Annual Conference of the [Transcultural Nursing Society](#) will be held in Portland, ME, October 29-November 1, 2025. **Abstract submission opens November 2024.**

[Best Practices Day 2025 – GTA Rehab Network](#) will be held virtually, May 9, 2025. **Abstract submission deadline is November 22, 2024.** Options include rapid podium presentations, concurrent session presentations, virtual poster presentations.

The [Interdisciplinary Social Accountability Conference in healthcare conference](#) will be held March 1, 2025, in Toronto, ON. **Abstract submission deadline is November 24, 2024.** The theme is “Advocacy in Healthcare.”

The [Nursing Leadership Network of Ontario's](#) annual meeting will be held in Niagara-on-the-Lake, ON, April 10-11, 2025. **Abstract submission deadline is November 29, 2024.**

The [Canadian Pain Society's](#) annual meeting will be held May 1-4, 2025, in Toronto, ON. **Abstract submission deadline is November 29, 2024.**

CANADIAN PUBLIC HEALTH ASSOCIATION

Public Health 2025 will be held in Winnipeg, MB, April 29 – May 1, 2025. [Call for Submissions | Canadian Public Health Association](#) closes **November 29, 2024**, for posters, oral presentations, and workshops. Categories include population health and health equity; collaboration, communications, and education; health policy and systems; and more.

[#ChildHealthCan2025](#) will be held April 14-15, 2025, in Ottawa, ON. **Abstract submission deadline is November 29, 2024.**

[C2UExpo2025](#) “Partners in Place” will be held in Edmonton, AB, May 12-15, 2025. C2UExpo is a biennial international conference dedicated to community based research. The focus is on how community-campus partnerships address local and global challenges. **Abstract submission deadline is December 2, 2024.** Note: this conference will offer free on-site childcare.

The UBC [Centre for Health Services and Policy Research](#) annual conference will be held March 3-4, 2025, in Vancouver or virtually. **Abstract submission deadline is December 16, 2024**

The [International Symposium on Paediatric Pain](#) will be held in Glasgow, UK, June 17-20, 2025. **Abstract submission deadline for oral presentations is December 15, 2024, and for posters is January 15, 2025.**

World Sleep 2025 The [World Sleep Congress](#) will be held in Singapore, September 5-10, 2025. **Abstract submission deadline for symposia is January 5, 2025.**

AcademyHealth [AcademyHealth's](#) Annual Research Meeting will be held in Minneapolis, MN, June 7-10, 2025. **Abstract submission deadline is January 8, 2025, at 5 pm eastern.** Conference themes include the health workforce, women and gender health, child and family health, and more.

The European Society of Cardiology's [Heart Failure Congress](#) will be held in Belgrade, Serbia, and online, May 17-20, 2025. **Abstract submission closes January 9, 2025. Travel grant application closes February 28, 2025.**

The [Canadian Women's Heart Health Summit](#) will be held in Ottawa, ON, April 25-26, 2025. **Abstract submission deadline is Thursday, January 9, 2025.**

The [European Stroke Organisation Conference](#) will be held May 21-23, 2025, in Helsinki, Finland. **Abstract submission deadline is January 14, 2025.**

The [Society for Medical Decision Making](#) annual meeting will be held June 15-18, 2025, in Ann Arbor, MI. **Abstract submission deadline is January 15, 2025.**

The [Canadian Association for Health Services and Policy Research](#) annual conference will be held May 26-29, 2025, in Ottawa, ON. **Abstract submission deadline for oral and poster presentations is January 15, 2025.** Themes include cancer; Indigenous health; mental health and addictions; health policy, healthcare reform; home care, long-term care and aging; and more.

The [Association of Rehabilitation Nurses](#) annual conference will be held in Phoenix, AZ, July 31, 2025 – August 2, 2025 and virtually July 24-25, 2025. **Abstract submission deadline (papers, case studies, rapid-fire sessions, posters) is January 24, 2025.**

International Congress on Peer Review and Scientific Publication

The [10th International Congress on Peer Review and Scientific Publication](#) will be held in Chicago, IL, September 3-5, 2025. **Abstract submissions opens December 1, 2024, and closes January 31, 2025.** Topics of interest can be found in the [BMJ](#).

The [Society for Ambulatory Assessment](#) annual conference will be held in Leuven, Belgium, May 26-28, 2025. **Abstract submission deadline is January 31, 2025.**

The [Canadian Research Data Centre Network](#) conference will be held in Ottawa, ON, May 13-14, 2025. **Abstract submission deadline is February 2, 2025.** All research applying microdata is welcome, but preference is given to research using data available from Canadian Research Data Centres.
