

Research Resources

Reminder: Bloomberg Nursing's Research Office [Research Funding Resources](#) page has information about predatory publishing; reductions in APC fees; EDI resources; free software licenses (e.g., how to access REDCap, NVIVO); and more.

Sign up for the [Centre for Research & Innovation Support newsletter](#) for information about training sessions, funding opportunities and other resources, such as [guidance for mitigating fraud and safeguarding data](#) integrity in online research.

Check the CRIS [Calendar of events](#), for upcoming events, such as [Data Deposit for Health Sciences Research on January 21, 2025](#), 1-2:30 pm (virtual). If you missed a session, presentations and slide sets of past events are often available on the CRIS website.

Grant and Award Opportunities

Remember – always check grant information carefully

New Canadian Opportunities

Want to be involved in a community that is committed to driving a positive impact in sustainable development? SDGs@UofT is welcoming any faculty, staff, or students with interest in our initiative to become an affiliate. As an affiliate, you will receive regular updates and news related to the ongoing activities of the initiative. Join us now by completing the [affiliation form](#).

Opening January 8, 2025: [AMS Project Grant](#), for research projects in the history of healthcare and allied disciplines (science and technology studies, etc.). projects must advance the history of health, healthcare and disease, or the education of health professionals. Value: \$20,000. AMS Postdoctoral Fellowship supporting study, analysis and interpretation of past practices, philosophies and/or epistemologies related to human health, healthcare and/or disease or the education of health professionals. Value: \$45,000, plus a \$2,500 research and travel allowance.

NSERC is seeking members for the [Reference Group](#) for the Appropriate Review of Indigenous Research. **Application deadline is January 3, 2025.**

The Social Sciences and Humanities Research Council is calling for postsecondary students to show Canadians in up to three minutes or 300 words, how social sciences and humanities research affects our lives, our world and our future for the better with [The Storytellers](#) competition. **Deadline: January 21, 2025.**

2025 [Schwartz Reisman Institute Fellowships](#) **application deadline is February 9, 2025.** This competition is open to PhD students, although exceptional master's students are encouraged to apply. Value: \$7,500 for one year. The research focus is on technology's role in society, the contemporary needs of human communities, and the systems that govern them.

The [SSHRC Partnership Stage 1](#) **grant application deadline is February 10, 2025.** U of T applicants must meet internal deadlines, submitting roughly a week before the sponsor deadline. Partnership grants support formal partnerships over 4 – 7 years to advance research, research training and/or knowledge mobilization in the social sciences and humanities. Cash and/or in-kind contributions are required.

The Centre for Graduate Professional Development [Healthy Research Teams Initiative Seed Funding Grant](#) **application deadline is February 28, 2025.** This opportunity is open to faculty with graduate faculty membership, librarians, postdoctoral fellows, graduate students in good academic standing and research staff. Value: \$5,000. Matched funds may strengthen a proposal. This is into primarily a research grant, but proposals that include an original research component may be considered.

The [Molly Towell Perinatal Research Foundation](#) **grant application deadline is March 22, 2025.** Research projects should support the aims and vision of the Foundation- which is to encourage perinatal research in Canada.

Students: Applying for research funding? Check with the Research office about your eligibility to hold funds. Contact the Research Office to get information and approval on proposals, administrative requirements and ethics ahead of deadlines, and always check with your supervisor! Email: research.nursing@utoronto.ca

New International Opportunities

The [Greenwall Foundation's](#) Making a Difference grant **competition letter of intent deadline is January 2, 2025.** Full application by invitation. Research should address ethical and policy issues raised by priority topics including trust in science, medicine, and public health; bias and discrimination in healthcare; public health crises; and healthcare access costs, and resource allocation.

The Government of Canada [Youth Mental Health Fund](#) **Call for Proposals closes on January 22, 2025.** The fund priority is building capacity in and supporting community-based organizations that provide mental health services to youth.

CIHR is participating in the [Transforming Health and Care Systems](#) call for Better Care Closer to Home: Enhancing Primary and Community Care. **Pre-proposal deadline January 30, 2025, with full proposal due June 19, 2025.**

[Sigma Theta Tau International Grants](#) with an **April 1, 2025, application deadline** include the Association of Nurses in AIDS Care Grant*; Hospice and Palliative Nurses Foundation End-of-Life Nursing Care Research Grant, the National Association of Hispanic Nurses Research Grant*; the Midwest Nursing Research Society Research Grant*; and the Southern Nursing Research Society Research Grant*. Asterisk indicates membership in Sigma and/or the Co-sponsoring organization is required. Grant values vary, from US\$2,500 to US\$10,000. **Nursing PhD students should check with their supervisor about relevance. If applying students should include their supervisor as a co-investigator/co-PI on the grant.** Contact the research office (research.nursing@utoronto.ca) for more information.

New CIHR Opportunities

Pre-announcement: [JPND 2025 call](#): Health and social care research with a focus on the moderate and late stages of neurodegenerative diseases. This grant is supported by the EU Joint Programme in Neurodegenerative Disease Research. The CIHR will be participating. Launch anticipated in early January 2025, with a pre-proposal submission deadline in early March 2025.

[CIHR's Institute of Gender and Health](#) 2025 Summer Institute in Sex and Gender+ Science is offering a Travel Award to attend the event. **Application deadline is January 9, 2025.** This competition is open to **trainees (including PhD students)** who are attending the summer institute, which will be held in Toronto May 26-30, 2025, at Toronto rehab. The theme is Advancing knowledge and equity: A transdisciplinary approach to sex and gender+ science across biomedical, clinical, health services, and population health research.

The [CIHR Institute of Health Services and Policy Research](#) in association with the Canadian Association for Health Services and Policy Research (CAHSPR) **article of the year award deadline is January 14, 2025.** Prize is \$10,000.

CIHR is participating in the European Partnership on Transforming Health and Care systems opportunity on [Better care closer to home](#): Enhancing primary and community care". **Pre-proposal deadline is January 30, 2025, and full application deadline is June 19, 2025.**

The [Review in Training Program](#) opens **January 8, 2025, with an application deadline of February 5, 2025.** There are two streams: **Mentees** participate in the Project Grant competition with the support of a mentor, write practice reviews, attend peer review meeting, present one review and participate in discussions; **ECR Reviewers** participate as regular reviewers. Applicants will need a CIHR PIN, PDF of biosketch Common CV; recent letter from institution attesting applicant meets CIHR definition of ECR, and a ranked list of up to two peer review committees. Online form will be available in January.

Use your Research Office. We are here to support you. Please let us know when you are beginning the grant process – we are happy to assist with developing budgets and providing editorial, financial, content and methodological feedback. Let us know when you succeed! Email: research.nursing@utoronto.ca

NIH Funding

- Cancer prevention and control clinical trials planning grant program (R34, [PAR-22-173](#) and [PAR-22-174](#)). Letter of intent due 30 days before application date; **expires September 8, 2025**.
- National Institute of Aging multi-site clinical trial implementation grant ([PAR-23-057](#)); **expires January 8, 2026**.
- [Understanding expectancies](#) in cancer symptom management (R01, clinical trial required). PAR-23-155, no LOI required; **multiple due dates between June 15, 2023, and February 5, 2026**.
- National Institute of Allergy and Infectious Diseases [Clinical Trial Planning Grant](#) (R34); multiple deadlines with application expiring in May 2026. **Letter of intent due 30 days** before application due date. **Expires May 14, 2026**.
- Social disconnection and suicide risk in late life. [PAR-23-239](#) (R21) and [PAR-23-238](#) (R01). **Letter of intent required** 30 days before application due date. **Expires September 8, 2026**.
- Understanding expectancies in cancer symptom management (R01, [PAR-23-273](#)); **expires May 8, 2026**
- Secondary analysis and integration of existing data to elucidate cancer risk and related outcomes (R01, [PAR-23-245](#) and R21, [PAR-23-255](#)); **expires September 8, 2026**.
- Improving care and outcomes for cancer survivors from sexual and gender minority (SGM) populations (R01, Clinical Trial Optional [PAR-23-292](#)). **Letter of intent due 30 days before application**. **Expires January 28, 2027**.
- Ethical, legal and social implications (ELSI) research on human genetic or genomic research ([R01-PAR-23-293](#) and [R03 – PAR-23-205](#) and [R21-PAR-23-294](#)). No letter of intent; multiple application deadlines; **expires November 2026**.
- Notice of Special interest : [US Health in the International Perspective](#); **expiration date: May 8, 2027**. Submit applications for this initiative using one of the following notices of funding opportunities (NOFOs) or any reissues of these announcements through the expiration date of this notice.
 - [PA-20-183 - NIH Research Project Grant \(Parent R01 Clinical Trial Required\)](#)
 - [PA-20-184 - NIH Research Project Grant \(Parent R01 Basic Experimental Studies with Humans Required\)](#)
 - [PA-20-185 - NIH Research Project Grant \(Parent R01 Clinical Trial Not Allowed\)](#)
 - [PA-20-200 - NIH Small Research Grant Program \(Parent R03 Clinical Trial Not Allowed\)](#)
- Notice of Special Interest (NOSI): [Telehealth Research in Cancer Care](#); **expiration date March 17, 2026**. Submit applications via the Notice of funding opportunities listed under application and submission information.
- Standardizing data and metadata from wearable devices (R01; [PAR-24-250](#)). LOI required 30 days before **application due date**. Application deadlines: **June 10, 2025 and June 10, 2026**.
- Optimizing behavioral sleep interventions for adolescents and young adults. Application due dates: **June 13, 2025**. **LOI required 30 days before due date**. [RFA-MH-25-130](#), R34 (Clinical Trial required).
- Cancer Prevention and control clinical trials grant program (R01; [PAR-25-167](#)); LOI required 30 days before application. Expires January 8, 2027.
- Exploratory Grants in Cancer Control (R21, [PA-25-253](#)); expires September 8, 2028.
- Modular R01s in Cancer Control and Population Sciences (R01; [PA-25-172](#)); expires January 8, 2028.
- Personal health informatics for delivering actionable insights to individuals (R01; [PAR-25-235](#)); expires January 8, 2027.
- Dissemination and implementation research in health (R03, [PAR-25-233](#); all NIH Institutes participating); LOI required; expires January 8, 2028.

New

- [Effectiveness trials to test mental health system interventions](#) (R61/R33). Expires October 16, 2027.

- National Library of Medicine [Research Grants in Biomedical informatics and data science](#) (R01 Clinical Trial optional); LOI required; expires January 8, 2026.
- Secondary analysis and integration of existing data to elucidate cancer risk and related outcomes ([PAR-25-096](#) and [PAR-25-095](#)).

More opportunities are available in the [NIH database](#). Important: for researchers thinking of applying to the NIH, **NIH strongly encourages PIs to contact program officers directly**. Program Officers give valuable information and assistance to applicants. They will also help rejected applicants understand the weaknesses of an application.

Standard application deadlines apply. Please check NIH funding applications carefully re: submission deadlines. U of T Researchers must meet internal deadlines; please check with research office before beginning an application.

Reminder – these competitions are still open

Canadian Opportunities

The Canadian Cancer Society [Workplace Cancer Research Grants](#) **abstract registration deadline is January 8, 2025, with full application due March 19, 2025**. Current partners for this grant include the Canadian Federation of Nurses Unions and CUPE. Funds available: up to \$100,000 per year for a maximum of two years. CCS anticipates funding up to 5 grants.

[ENRICHENRICH](#) [Doctoral Salary Award](#) for Black and Indigenous Scholars supports next generation researchers in perinatal and child health. **Application deadline is January 10, 2024**. Value: \$30,000 per year for up to 3 years.

The University of Toronto's [School of Cities](#) **grant program on inequality, data and democracy application deadline is January 13, 2025**. There are two tiers: Multidisciplinary (up to \$250,000; up to two will be funded) and Catalyst (up to \$50,000; up to six will be funded).

[AMS](#) Healthcare's [Fellowship in Leadership in Compassion and Artificial Intelligence](#) (managed by the Ontario SPOR Support Unit) **letter of intent deadline is Wednesday, January 15, 2025, at 5 pm eastern**. Full application is by invitation; deadline TBD. Information webinar is November 21, 2024. Value: \$75,000. This competition is open to early and mid-career academic researchers and regulated health care professionals. The AMS [Small Grant](#) **application deadline is Wednesday, February 19, 2025**. Webinar also on November 21, 2024. Value: up to \$30,000 for early and mid-career academic researchers and regulated health professionals.

[Transform HF](#) [Transform HF 2025 Collaboration Starter Grants](#) **application deadline is January 17, 2025 (5 pm)**. This competition is open to members who are forming collaborations with new partners on early stage projects that will advance equitable access to high quality heart failure care through digital innovation. Three types of projects: proposal development meetings, collaborative project activities, patient or knowledge keeper compensation and facilitation; scoping and preliminary project research and data collection; research proposal writing and editing. Value: Up to \$10,000.

SDGs@UofT [Student Mobility Training Program](#) aims to support top graduate (Master's or PhD) students. This is a competitive 12-week research program for graduate students that runs from May to August. Students can request up to \$7,000 to support travel, accommodation, meals and other incidental costs. Supervisors must be affiliates of the SDGs@UofT. **Application deadline: Monday, January 20, 2025.**

[Connaught PhDs for Public Impact Fellowship](#) application deadline is **January 30, 2025**. This competition is open to PhD students in second year or higher at time of application and in good academic standing. This program supports an innovative program of public scholarship – it is less about what your research is and more about how you engage the public about it. Check out [previously funded projects](#). Value: \$12,500.

The [Canadian Research Data Centre Network](#) offers an emerging scholars grant to support PhD students undertaking thesis-related research in a research data centre in Canada. **Applications received from December 1 to March 31:** grants will be awarded by May 15. Applications received from April 1 to July 31: grants will be awarded by September 15. Applications received from August 1 to November 30: grants will be awarded by January 15.

The [Canadian Women's Heart Health Centre](#) has launched its awards program, including heart, brain and vascular health investigator award for senior and ECR investigators **Deadline is January 31, 2025.**

The Social Science and Humanities Research Council next [Connection Grant](#) competition is **February 1, 2025**; U of T researchers will have to meet internal deadlines. [SSHRC Insight Development Grants](#) (IDGs) have an **application deadline of February 2, 2025**. U of T applicants must submit their MRA by 12 noon on Monday, January 27, 2025, with full application online by 9 am, Friday, January 31, 2025. Value: \$7,000 to \$75,000 for 1-2 years. IDGs support research in early stages for emerging (within six years of completion of first doctorate) and established scholars (exploring new research questions and/or approaches distinct from previous/ongoing research).

The [U of T Data Sciences Institute Postdoctoral fellowship](#) application deadline is **February 7, 2025**. Value: \$63,000 for one year plus up to \$7,000 for benefits and a stipend for knowledge translation activities. The [Doctoral student fellowship](#) application deadline is also **February 7, 2025**. Value: \$25,000 per year for up to 3 years. Student research must have a data sciences focus through the development of novel methodology or innovative application of existing approaches.

The [Heart and Stroke Foundation of Canada](#) current funding opportunities include Personnel awards for black scholars and Personnel awards for Indigenous scholars. **Application deadline is March 20, 2025, at 4 pm**. These competitions are open to doctoral and master's students. Value: Up to \$40,000 per year for a maximum of three years.

International Opportunities

ASPAN The [American Society of PeriAnesthesia Nurses](#) Research Grant application deadline is January 1, 2025.

The [Margaret McNamara Education Grants US-Canada program](#) is accepting applications between now and January 15, 2025. This competition is open to **doctoral students** – those who self-identify as ‘woman’, are at least 25 years old at time of application deadline, are registered at an accredited in-person academic institution and program, and a citizen from the [eligible country list](#). It is not open to Canadian citizens or those with Canadian landed immigrant status. Value: Up to US\$15,000.

The [International Association of Medical Science Educators grants](#) application deadline is January 15, 2025. There are two arms: Educational Scholarship grants and Curriculum Innovation Grants. Value: Up to \$5,000. The [IAMSE-ScholarRX Educational Research Grant Program for students](#) deadline is also January 15, 2025. Value: four student grants will be awarded for up to \$2,500. **PhD students** at U of T should consult with their supervisor to determine eligibility and relevance.

Sigma Theta Tau International / [National League for Nursing Grant](#) application deadline is February 1, 2025. Value: up to US\$5,000. One grant is awarded per year. Priority will be given to Sigma and/or NLN members. Eligible applicants include PhD and DN students who are registered nurses. U of T students must include their supervisor as a co-investigator on the grant; students should always consult with their supervisor about relevance and suitability. Check with research.nursing@utoronto.ca for information on administrative requirements and eligibility. Proposed studies must focus on advancing the science of nursing education through the use of technology in the dissemination of knowledge.

The [National League for Nursing Education Research Grants Program](#) application deadline is February 4, 2025. These opportunities include nursing education grants; emerging investigator in nursing education research award, Mary Ann Rizzolo **doctoral research award**, and the Edmund J Y Pajarillo Health Informatics and Innovation Collaborative Research Award. Values range between \$2,500 to \$30,000.

CIHR Grant Opportunities

Travel Awards: Deadline January 7, 2025; travel must occur between April 1, 2025, and March 31, 2026.

Applicants must be presenting at the conference they want to travel to. Eligibility: early career researcher or trainee (**PhD student**) or knowledge user; must show proof of Canadian citizenship, Canadian permanent residency or temporary residency (e.g., Canadian study or work permit; for foreign applicants, awards will only begin after proof of an entry visa into Canada has been provided). **These awards will be distributed through a randomization process for each priority area.**

Upcoming opportunity: CIHR will be supporting the British Heart Foundation’s International Research Challenge on Women’s Cardiovascular Health – supported by the Global Cardiovascular Research Funders Forum. **One grant of USD \$10 million over 5 years will be awarded. Letter of intent deadline is January 15, 2025. Full application by invitation only.**

[Project Grant Spring 2025](#): Registration deadline is February 5, 2025, with full application due March 5, 2025. The anticipated notice of decision for the Fall 2024 Project Grant is January 29, 2024. **Application site should open January 8, 2025. New. Priority areas have been announced:** Aging, breast cancer research, cancer researcher, early career researcher award in cancer, genetics, global health research, patient-oriented research and knowledge mobilization, sex and gender in health research, and many more

The Social Sciences and Humanities Research Council, CIHR and the Michael Smith Health Research BC have launched a joint initiative around [research on research](#). **Application deadline February 20, 2025.** Value: up to \$200,000 over three years. **University of Toronto applicants must submit their MRA by noon on Tuesday, February 11, 2025, and their full application on the Convergence portal by 9 am on Tuesday, February 18, 2025.** The funders anticipate awarding nine grants.

Research Updates

Tricouncil Funding Agency Updates

The [CCV will be replaced](#) (eventually) with a narrative format. [Current version](#) is available. (This will not be used in Spring 2025 Project Grant.)

The Notice of Recommendation and [Notice of Decision templates](#) for the Project Grant Competition have been released.

CIHR is implementing [My CIHR Profile in ResearchNet](#) on December 13, 2024. It is a new self-serve tool that will allow ResearchNet users to view, input, and update their personal information as needed. The first time you log into your ResearchNet account on or after December 13, you will be taken directly to your My CIHR Profile to validate your personal information. Your My CIHR Profile can also be accessed by clicking on your name in the top right-hand corner of the ResearchNet screen.

The Triagencies have published guidance on the [use of generative AI](#) in the development and review of research proposals.

CIHR, in collaboration with the government of Canada and Environment Canada, is developing a National One Health AMR Research strategy; [survey here](#).

CIHR is developing its Research Priorities; you can contribute by completing the [research priority plan](#) 2025-2030 survey.

CIHR has released its What we heard report: [Dialogue on anti-Black racism](#) and Black health in the health research funding system.

[Tri-Agency Interdisciplinary Peer Review](#) Committee announces its third-year results. TAIPR is now permanent.

U of T Updates

[U of T to increase funding for PhD](#) and SJD students; beginning fall 2025, the annual base funding package for the funded cohort will be \$40,000, including tuition.

The [University of Toronto Libraries](#) has simplified the process of identifying journals covered by existing open access agreements and discounts with the SciFree Journal Search Tool.

Other Updates

[A call for civility in peer review](#) – *Sleep Health*, Williamson et al, November 2024. Concrete guidance on helpful reviewing.

[Innovation, Science and Economic Development Canada](#) has created information on how to apply to Horizon Europe opportunities.

Upcoming Events

New events and calls for abstracts

CIHR's Institute of Gender and Health is offering [media training](#) on **January 20, 2025**. This is a 60 minute webinar.

The [Knowledge Translation Canada Summer Institute](#) will be held in Vancouver, BC, June 17-19, 2025. Application portal opens January 20, 2025. Participants will increase their understanding of KT research and network with national and international KT experts.

The [Canadian Alliance of Nurse Educators Using Simulation](#) annual conference will be held in Burnaby, BC, May 4-6, 2025.

The [International Society of the Scholarship of Teaching and Learning](#) annual conference will be held in Christchurch, New Zealand, November 3-6, 2025. **Abstract submission opening soon.**

The [Canadian Association on Gerontology](#) annual scientific meeting will be held in Montreal, QC, October 23-25, 2025. **Abstract submission opens in January 2025.**

The [International Symposium on Paediatric Pain](#) will be held in Glasgow, UK, June 17-20, 2025. **Abstract submission deadline for posters is January 15, 2025. Deadline for oral papers has been extended to December 20, 2024.**

The [International Association for Health Professions Education](#) annual conference will be held in Barcelona, Spain, August 23-27, 2025. Abstract submission deadline for short communications, eposters, fringe, pechakucha, point of view, and workshops, **is January 29, 2025**. Themes include patient safety, teaching and facilitating learning, the scholarship of teaching and learning, and more.

The [Council of International Neonatal Nurses](#) annual congress will be held in Lusaka, Zambia, August 14-15, 2025. **Abstract submission** (oral and posters) **deadline is January 31, 2025.**

 The [International Pediatric Association](#) annual congress will be held in Mexico City, May 8-11, 2025.

Abstract submission deadline (oral, digital poster) is February 1, 2025. Topics include adolescents and youth adults; neonatology and quality improvement; hematology-oncology, palliative care and pain, and more.

The [Association of Cardiovascular Nursing and Allied Health Professions](#) conference will be held in Sophia Antipolis, France, June 12-14, 2025. **Abstract submission deadline is February 2, 2025.**

The [Organization for the Study of Sex Differences](#) 19th annual meeting will be held in Albuquerque, NM, June 1-5, 2025. **Abstract submission deadline is February 3, 2025.**

The 37th [European Conference on Philosophy of Medicine and Health Care](#) will be held in Manchester, UK, August 13-16, 2025. The theme is Bioethics and philosophy of medicine after COVID. **Abstract submission deadline is March 1, 2025.** Themes include clinical decision making, research ethics, new challenges to the concepts of health and disease, and more.

The [European Society of Cardiology](#) annual congress will be held in conjunction with the World Congress of Cardiology in Madrid, Spain, August 29 – September 1, 2025. **Abstract submission deadline is March 1, 2025.** The call for clinical cases opens January 20, 2025, and closes March 7, 2025. Topics include cardiovascular nursing and allied professions, e-cardiology/digital health, public health, health economics, research methodology, and more.

The [Cancer Prevention Research Conference](#) 2025 will be held in London, UK, June 25-27, 2025, in partnership with Cancer Research UK, the NIH, and the American Cancer Society. **Abstract submission deadline is March 16, 2025.** Abstract themes are the convergence of ageing, genetics and cancer risk; pre-cancer biology and interception opportunities; integrated view of inequalities in cancer risk and incidence; and implementation of precision prevention interventions using repurposed drugs.

The Royal College of Nursing [International Nursing Research Conference](#) will be held in Exeter, UK, September 8-10, 2025. **Abstract submission deadline is March 16, 2025.** The theme is Nursing Research: Transforming global health in a changing world.

The [World Congress of Neurology](#) will be held in Seoul, South Korea, October 12-15, 2025. **Abstract submission deadline is April 2, 2025.** Abstract topics include pain, palliative care, sleep disorders, and more.

Transcultural Nursing Society The 51st Annual Conference of the [Transcultural Nursing Society](#) will be held in Portland, ME, October 29-November 1, 2025. **Abstract submission deadline is May 15, 2025.**

Calls for Meeting Abstracts Still Open

World Sleep 2025 The [World Sleep Congress](#) will be held in Singapore, September 5-10, 2025. **Abstract submission deadline for symposia is January 5, 2025.**

American Diabetes Association The [American Diabetes Association](#) 85th Scientific Sessions will be held in Chicago, IL, June 20-203, 2025. **Abstract submission deadline is January 6, 2025.** Young investigator Grants will be awarded to a limited number of authors. Value: US\$1,000.

AcademyHealth [AcademyHealth's](#) Annual Research Meeting will be held in Minneapolis, MN, June 7-10, 2025. **Abstract submission deadline is January 8, 2025, at 5 pm eastern.** Conference themes include the health workforce, women and gender health, child and family health, and more.

The European Society of Cardiology's [Heart Failure Congress](#) will be held in Belgrade, Serbia, and online, May 17-20, 2025. **Abstract submission closes January 9, 2025. Travel grant application closes February 28, 2025.**

The [Canadian Women's Heart Health Summit](#) will be held in Ottawa, ON, April 25-26, 2025. **Abstract submission deadline is Thursday, January 9, 2025.**

ISPOR The [Professional Society for Health Economics and Outcomes Research](#) annual congress will be held May 13-16, 2025, in Montreal, QC. **Research Abstract submission closes January 10, 2025.**

ESMO The [European Lung Cancer Conference](#) will be held in Paris, France, March 26-29, 2025. **Abstract submission deadline is January 14, 2025.**

The [European Stroke Organisation Conference](#) will be held May 21-23, 2025, in Helsinki, Finland. **Abstract submission deadline is January 14, 2025.**

The [Society for Medical Decision Making](#) annual meeting will be held June 15-18, 2025, in Ann Arbor, MI. **Abstract submission deadline is January 15, 2025.**

The [Canadian Association for Health Services and Policy Research](#) annual conference will be held May 26-29, 2025, in Ottawa, ON. **Abstract submission deadline for oral and poster presentations is January 15, 2025.** Themes include cancer; Indigenous health; mental health and addictions; health policy, healthcare reform; home care, long-term care and aging; and more.

The [Association of Rehabilitation Nurses](#) annual conference will be held in Phoenix, AZ, July 31, 2025 – August 2, 2025 and virtually July 24-25, 2025. **Abstract submission deadline (papers, case studies, rapid-fire sessions, posters) is January 24, 2025.**

The [7th International Conference for Perianesthesia Nurses](#) will be held in Dublin, Ireland, September 10-12, 2025. **Abstract submission deadline is January 25, 2025.** Themes include: Advances in clinical practice; nurse development; clinical inquiry; empowering nursing practice in diverse settings; other.

The [World Congress on Osteoporosis, Osteoarthritis, and Musculoskeletal Diseases](#) will be held April 10-13, 2025, in Rome, Italy. **Abstract submission deadline is January 27, 2025.**

The [America Society of Clinical Oncology](#) annual congress will be held in Chicago, IL, May 30 – June 3, 2025. ASCO Voices auditions end November 15, 2024; abstract submission opens in November with a **submission deadline of January 28, 2025.**

The [Infection Prevention and Control Canada](#) national conference will be held June 1-4, 2025, in Winnipeg, MB. **Abstract submission deadline is January 31, 2025.** Areas of interest include acute care; long-term care/continuing care; congregate setting; public health and more.
