

Research Resources

Reminder: Bloomberg Nursing's Research Office [Research Funding Resources](#) page has information about predatory publishing; reductions in APC fees; EDI resources; free software licenses (e.g., how to access REDCap, NVIVO); and more.

Sign up for the [Centre for Research & Innovation Support newsletter](#) for information about training sessions, funding opportunities and other resources, such as guides on [generative AI considerations](#) in academic research.

Check the CRIS [Calendar of events](#), for upcoming events, such as **SharePoint for Research, February 26, 2025 | 10:00AM – 11:00AM. [Session Details & Registration](#)**. Do you have questions about how to manage your research data at the University of Toronto? Do you work with internal or external collaborators and need to manage access to project files? Do you work with sensitive data and want to know about your data storage and sharing options? Do you wonder about the differences between saving files to OneDrive vs. SharePoint? Join this interactive webinar to learn about how Microsoft SharePoint can be used for research and have your questions answered. Registration requires a UTORID.

If you missed a session, presentations and slide sets of past events are often available on the CRIS website.

Grant and Award Opportunities

Remember – always check grant information carefully

New Canadian Opportunities

The [Canadian Heart Function Alliance](#) grants and awards program **application deadline is March 28, 2025**. Trainee awards are available **for master's or PhD students and postdoctoral students**

The [University of Toronto's Provost's Postdoctoral Fellowship](#) **application deadline is April 1, 2025**. Value: up to \$80,000 per year to faculties for up to two years. This competition is open to domestic and international students who identify as Indigenous and/or Black. Interested students should reach out to a prospective supervisor to discuss this opportunity.

The [Canadian Donation And Transplantation Research Innovation Grant](#) **competition deadline is April 1, 2025**. Approximately 10 grants will be funded for up to \$30,000 each.

NIHR James Lind Alliance Priority Setting Partnerships: The UK's National Institute for Health and Care Research seeks to fund studies addressing the James Lind Alliance (JLA) Priority Setting Partnerships' (PSPs) [research priorities](#). **Next application deadline: April 8, 2025 [Learn more](#)**

Apply to join the 2025 [GROWW](#) Cohort: GROWW is a Health Research Training Platform (H RTP) supported by CIHR and IHDCYH. The Cohort program annually accepts a group of 20 clinical trainees, graduate students, postdoctoral fellows, and ECRs from across Canada chosen through a competitive application process. This 1-year training program will include seminars from academics within the field of women's and girl's health, experiential learning opportunities and workshops, mentorship partners, a fall institute, and professional networking to help co-create new research and/or employment opportunities. Scholarships are available and application information can be found on the [GROWW website](#). **The application deadline is April 14, 2025**

The [Cancer Research Society](#) in collaboration with Ovarian Cancer Canada is offering is the Next Generation Of Scientists Award. **Application deadline is April 22, 2025.** In Part 1 of this competition the postdoctoral fellow must have completed at least two years of postdoctoral training at the time of accepting fellowship. In Part 2 the fellow must obtain a faculty position at a Canadian university or affiliated accredited research centre. Value: the postdoctoral fellowship component is \$50,000 / 1 year; the operating grant component is \$135,000 / 2 years.

The [CANStroke Recovery Trials](#) post doctoral fellowship for StrokeGoRed **application deadline is April 23, 2025.** This is a national training competition which will award 2 **postdoctoral fellowships** valued at up to \$30,000 each.

SickKids Community Conference Grants support conferences, workshops or symposia which are relevant to the health of Canada's children. The purpose of this program is to support events which are organized by and/or for families with children with health challenges. Eligible events will have a focus on information sharing between health professionals, community organizations, and families. Academic conferences are not eligible for funding. There are three deadlines for applications each fiscal year: **May 31**; September 30; and January 31. [Apply online](#)

The [TRIANGLE](#) program awards competition is now open. **Application deadline is June 1, 2025.** Awards include **doctoral awards**, early career researcher awards, and **postdoctoral awards**. TRIANGLE is a training program for researchers in gastro enterology and liver.

Students: Applying for research funding? Check with the Research office about your eligibility to hold funds. Contact the Research Office to get information and approval on proposals, administrative requirements and ethics ahead of deadlines, and always check with your supervisor! Email: research.nursing@utoronto.ca

New International Opportunities

The [American Association of Nurse Anesthesiology](#) research **grant application deadline is March 31, 2025.** Topics of interest include health care policy, science of anesthesia, education, and more.

[Sigma Theta Tau International](#) **is accepting applications for three grants with a May 1 2025 deadline:** The Martha Pitel global nursing research grant has a value of up to us \$10,000 and requires collaboration between at least two countries. The Patricia Thompson global nursing research grant has a value of US \$10,000. It also requires collaboration between two countries. The Sigma Foundation for Nursing Latin America/ Caribbean nursing research grant has a value of US \$5000. This grant is for research being conducted in a Latin American or Caribbean country. **Nursing PhD students should check with their supervisor about relevance. If applying, students should include their supervisor as a co-investigator/co-PI on the grant.** Contact the research office (research.nursing@utoronto.ca) for more information.

Use your Research Office. We are here to support you. Please let us know when you are beginning the grant process – we are happy to assist with developing budgets and providing editorial, financial, content and methodological feedback. Let us know when you succeed! Email: research.nursing@utoronto.ca

New CIHR Opportunities

Notice of upcoming funding opportunity: [Emerging Learning Health Systems in Mental Health](#) will fund two national learning health systems in early psychosis intervention and perinatal mental health. Objectives: develop a national LHS, enhance access to services to improve quality of life and more. Anticipated timeline: Launch: Spring 2025; application deadline (there may be a registration or expression of interest deadline as well): fall 2025; and funding start date: Winter 2026.

Operating grant: Joint Program On Neurodegenerative Disease Research. [Health and social care research](#) with a focus on the moderate and late stages of neurodegenerative diseases. **Pre- proposal deadline March 4, 2025; full proposal due June 24, 2025.** Topics of interest include establishing effective models of care by studying quality of care for example in nursing homes or the effects of prevention or delay of admission to a nursing home; identifying and addressing known barriers for example to improve the accessibility of services etc. unraveling regional differences in the effectiveness and impact of health and social care interventions; and more. Funds available : the maximum is \$110,000 per year for up to three years for a total of \$333,000 per grant, Enough to fund approximately 3 grants.

Team grant: [Bringing Biology To Cancer Prevention](#). **Registration deadline is 1 April 2025, with full application due 19 June 2025.** This opportunity will not fund research related to prevention, risk reduction, and or early detection of cancer recurrence; basic discovery research; late stage intervention trials; and others. Research areas include a breast cancer pool, cancer in women pool, vaccines pool, and more. Funds available: the maximum amount per grant for Canadian teams is \$400,000 per year for up to five years for a total of \$2,000,000 per grant.

[SickKids-CIHR-IHDCYH New Investigator Research Grants in Child and Youth Health \(2025\)](#). Application deadline: **April 21, 2025.**

SSHRC /Other Federal Agency Funding Opportunities

The [New Frontiers In Research Fund Transformation](#) competition is now open. **Notice of intent to apply deadline is April 15, 2025; The letter of intent to apply deadline is June 17, 2025; and the full application deadline is March 3, 2026.** Value: minimum \$2,000,000 per year (including indirect costs), to a maximum of \$4 million per year (including direct costs). Duration: six years. The objective is to support large- scale Canadian-LED interdisciplinary research that addresses a major challenge and that have the potential to achieve real and lasting change. The challenge may be fundamental, or applied, with a social, economic, environmental, or health impact.

The next [SSHRC connection grant](#) **application deadline is May 1, 2025.** University of Toronto investigators will have to meet internal deadlines approximately 1 week before May 1.

Reminder – these competitions are still open

Canadian Opportunities

The [Connaught Community Partnership Research Program](#) **letter of intent deadline is March 17, 2025, with full application due May 1, 2025.** Value: Up to \$50,000 per year for one or two years.

The [Canadian Lung Association \(Breathe\)](#) 2025 Allied Health Fellowship Awards and Research Grants **registration deadline is March 19, 2025, with full application due April 9, 2025.** Fellowship (**PhD students**) award: \$5,000 with matching funds from supervisor of \$5,000. Research Grant: \$10,000 with matching \$10,000 from the Principal Investigator.

The [Heart and Stroke Foundation of Canada](#) current funding opportunities include Personnel awards for black scholars and Personnel awards for Indigenous scholars. **Application deadline is March 20, 2025, at 4 pm.** These competitions are open to **doctoral** and master's students. Value: Up to \$40,000 per year for a maximum of three years.

The [Molly Towell Perinatal Research Foundation](#) **grant application deadline is March 22, 2025.** Research projects should support the aims and vision of the Foundation- which is to encourage perinatal research in Canada.

The [Canadian Research Data Centre Network](#) offers an emerging scholars grant to support **PhD students** undertaking thesis-related research in a research data centre in Canada. **Applications received from December 1 to March 31:** grants will be awarded by May 15. Applications received from April 1 to July 31: grants will be awarded by September 15. Applications received from August 1 to November 30: grants will be awarded by January 15.

The [Canadian Donation and Transplantation Research Program](#) **research grant application deadline is April 1, 2025.** This competition is open to independent researchers working at a Canadian University or research institution. Values are generally around \$30,000 for one year.

[AMS Project Grant](#), for research projects in the history of healthcare and allied disciplines (science and technology studies, etc.). projects must advance the history of health, healthcare and disease, or the education of health professionals. Value: \$20,000. **Application deadline April 2, 2025.** [AMS Postdoctoral Fellowship](#) supporting study, analysis and interpretation of past practices, philosophies and/or epistemologies related to human health, healthcare and/or disease or the education of health professionals. Value: \$70,000, plus a \$2,500 research and travel allowance. **Application deadline April 2, 2025.**

[GROWW](#) (Guiding interdisciplinary Research On Women's and Girls' health and Wellbeing) cohort program is accepting applications. **Application deadline is April 14, 2025.** This opportunity is open to graduate students (**Master's, PhD**), **postdoctoral fellows**, clinical trainees, and early career researchers at a Canadian university. Partial scholarship support is provided for some students who do not hold a major award (graduate students: \$10,000 / year; postdoctoral fellows: \$20,000 per year).

The Canadian Association of Schools of Nursing [Woodend Clinical Education Research Grant](#) is open to **master's or doctoral (PhD or DN) students to fund a research project** focusing on clinical practice education. Value: \$5,000. **Application deadline: May 2, 2025.** The [CASN Pat Griffin Research Grant](#) will support research that addresses 'Nursing Education Outcomes'. The research can focus on all academic levels of nursing education. **Application deadline: May 2, 2025.** Funds Available: up to \$15,000. Eligibility: PI must be faculty at a CASN member school.

International Opportunities

The [Lung Cancer Research Fund](#) grant program has opened. Leading edge research focuses on basic, translational, clinical, epidemiological, health services, early detection, disparities, and social determinants of health research. Value: \$150,000 over two years. Prevention and early detection in lung cancer focuses on identifying, characterizing and developing approaches and techniques for early detection and/or risk reduction of lung cancer. Value: \$150,000 over two years. **Letter of intent due March 3, 2025; full proposal submission (by invitation) due June 2, 2025.**

The [ResMed Foundation](#) clinical research proposal application deadline is **March 15, 2025**. The Foundation supports sleep disordered breathing research.

[Sigma Theta Tau International Grants](#) with an **April 1, 2025, application deadline** include the Association of Nurses in AIDS Care Grant*; Hospice and Palliative Nurses Foundation End-of-Life Nursing Care Research Grant, the National Association of Hispanic Nurses Research Grant*; the Midwest Nursing Research Society Research Grant*; and the Southern Nursing Research Society Research Grant*. Asterisk indicates membership in Sigma and/or the Co-sponsoring organization is required. Grant values vary, from US\$2,500 to US\$10,000. **Nursing PhD students should check with their supervisor about relevance. If applying, students should include their supervisor as a co-investigator/co-PI on the grant.** Contact the research office (research.nursing@utoronto.ca) for more information.

The [American Association of Heart Failure Nurses Nightingale Research Grants](#) application deadline is **April 1, 2025**. This grant is open to PhD students – PhD students should discuss relevance with their supervisor, include their supervisor as a Co-Principal Investigator on the grant, and notify the research office of their intent to apply. Value: up to US\$1,000 for 12 months.

The [Foundation for Post-acute and Long-term Care Medicine](#) research grant **letter of intent deadline is April 3, 2025. Full application (by invitation) is due July 15, 2025.** Value: Up to US\$25,000. Applicants must be members of the AMDA.

The [American Association for the History of Nursing](#) grants for historical **research deadline is May 1, 2025.**

CIHR Grant Opportunities

Catalyst Grant: [Oral Health Data Analysis](#). **Registration deadline April 15, 2025, with full application due May 13, 2025.** Funds available: \$1,400,000, enough to fund approximately six grants for up to one year.

SSHRC /Other Federal Agency Funding Opportunities

The Social Sciences and Humanities Research Council [Partnership Engage Grant](#) **deadline is March 15, 2025.** U of T applicants must meet internal deadlines and submit approximately 5 days ahead of deadline. Value: \$7,000 to \$25,000. PEGs provide support for partnered research with a single partner organization from public, private or not-for-profit sector.

Research Updates

Tricouncil Funding Agency Updates

[Fall 2024 project grants results](#) have been released.

Fall 2024 [increased investment](#).

Other Updates

[Multifactor authentication](#) is coming to the Canadian Common CV (CCV) in March 2025 (similar system to ResearchNet).

[Cancer incidence in Canada](#), 2022

Upcoming Events

New events and calls for abstracts

The [Canadian Alliance of Nurse Educators Using Simulation](#) annual conference will be held in Burnaby, BC, May 4-6, 2025.

The [Canadian Cardiovascular Congress](#) will be held in Quebec City, Quebec. **Abstract submission opens February 20, 2025.**

The [North American Refugee Health Conference](#) will be held in Niagara Falls, Ontario, September 11- 13, 2025. **Abstract submission has been extended to February 24, 2025.**

The [International Society Of Nurses In Cancer Care Congress](#) will be held June 18-21, 2025, in Adelaide, Australia. **Final deadline for abstract submission is 26th February 2025.**

The [Hospice And Palliative Nurses Association](#) conference will be held in Lake Buena Vista, Florida, October 27-28, 2025. **Abstract submission deadline is February 28, 2025.**

The [Association Of Pediatric Hematology/ Oncology Nurses](#) will be held in Providence RI, September 25- 27, 2025. **Abstract submission deadline is March 10, 2025**

The [International Society of the Scholarship of Teaching and Learning](#) annual conference will be held in Christchurch, New Zealand, November 3-6, 2025. **Abstract submission deadline is March 15, 2025.**

The [Canadian Concussion Centre](#) 12th annual concussion research symposium will be held on Friday, May 23, 2025. **Abstract submission deadline is March 17, 2025.**

The [European Society Of Medical Oncology Gynecological Cancer Congress](#) will be held in Vienna, Austria, June 19-21, 2025. **Abstract submission deadline is April 1, 2025.**

The [Canadian Association on Gerontology](#) annual scientific meeting will be held in Montreal, QC, October 23-25, 2025. **Abstract submission deadline is April 15, 2025.** The theme is radical relationality and aging: creativity,

community, connection. There is a student poster competition and student travel grants.

The [13th World Congress of the International Society for Developmental Origins of Health and Disease](#) will be held in Buenos Aires, Argentina, September 7-10, 2025. **Abstract submission deadline is April 28, 2025.**

The [European Academy of Pediatrics](#) 9th Congress will be held in Warsaw, Poland, October 16- 19, 2025. **Abstract submission deadline is May 1, 2025.**

The [Congress of Joint European Neonatal Societies](#) will be held in Belgrade, Serbia. **Abstract submission deadline is May 11, 2025.** Topics of interest include parental involvement in care and research, palliative care and end of life decisions, innovations in workforce /retention, and more.

The [10th Digital Mental Health Global Congress](#) will be held in Toronto, Ontario, November 19- 21, 2025. **Abstract submission deadline is May 14, 2025.** Abstract themes include equitable access and digital inclusion, AI and machine learning in mental health, policy and strategy, and more period

The [European Society Of Medical Oncology Congress 2025](#) will be held in Berlin, Germany, October 17- 21, 2025. **Abstract submission deadline is May 13, 2025.** Abstract submission topics include breast cancer, palliative care, policy, supportive care, and cancer nursing.

The [International Psycho oncology Society's](#) annual conference will be held in Adelaide, Australia, November 11-14, 2025. **Abstract submission deadline is June 6, 2025.** Abstract categories include digital health, psychosocial care in LMICs, palliative care, and more.

Calls for Meeting Abstracts Still Open

[CHEST](#) (the American College of Chest Physicians) annual meeting will be held in Chicago, IL, October 19-22, 2025. **Abstract submission deadline is February 26, 2025.**

The [International Transplant Nurses Society](#) annual meeting will be held in Philadelphia, PA, October 3-5, 2025. **Abstract submission deadline is February 28, 2025.**

The [American Society of Tropical Medicine and Hygiene](#) annual conference will be held November 9-13, 2025. **Symposia submission (call opens late January) deadline is February 26, 2025, and the abstract submission (call opens early March) deadline is March 26, 2025.**

The [25th International Nursing Ethics Conference](#) will be held in Turku, Finland, August 28-29, 2025. **Abstract submission deadline is February 28, 2025.** Conference themes include but are not limited to patients' rights guiding sustainable care and services, local to global ethics, ethics in the new era of tech and AI in nursing care.

The 37th [European Conference on Philosophy of Medicine and Health Care](#) will be held in Manchester, UK, August 13-16, 2025. The theme is Bioethics and philosophy of medicine after COVID. **Abstract submission deadline is March 1, 2025.** Themes include clinical decision making, research ethics, new challenges to the concepts of health and disease, and more.

The [European Society of Cardiology](#) annual congress will be held in conjunction with the World Congress of Cardiology in Madrid, Spain, August 29 – September 1, 2025. **Abstract submission deadline is March 1, 2025.** Topics include cardiovascular nursing and allied professions, e-cardiology/digital health, public health, health economics, research methodology , and more.

The [American Society for Bioethics and Humanities](#) annual conference will be held in Portland, OR, October 22-25, 2025. **Call for proposals closes March 10, 2025.** Topic categories include research ethics and social sciences, clinical ethics, education/interprofessionalism.

The [Cancer Prevention Research Conference](#) 2025 will be held in London, UK, June 25-27, 2025, in partnership with Cancer Research UK, the NIH, and the American Cancer Society. **Abstract submission deadline is March 16, 2025.** Abstract themes are the convergence of ageing, genetics and cancer risk; pre-cancer biology and interception opportunities; integrated view of inequalities in cancer risk and incidence; and implementation of precision prevention interventions using repurposed drugs.

The Royal College of Nursing [International Nursing Research Conference](#) will be held in Exeter, UK, September 8-10, 2025. **Abstract submission deadline is March 16, 2025.** The theme is Nursing Research: Transforming global health in a changing world.

The [American Public Health Association](#) annual meeting will be held in Washington, DC, November 2-5, 2025. **Abstract submission deadline is March 28, 2025.** There are many topic areas – including cancer, aging & public health, health administration, health informatics information technology, international health, and more.

The [Nurse Practitioners Association of Ontario](#) annual conference will be held in Toronto, ON, September 24-26, 2025. **Abstract submission deadline is March 28, 2025.**

The [World Congress of Neurology](#) will be held in Seoul, South Korea, October 12-15, 2025. **Abstract submission deadline is April 2, 2025.** Abstract topics include pain, palliative care, sleep disorders, and more.

The [2025 World Congress on Lung Cancer](#) will be held in Barcelona, Spain, September 6-9, 2025. **Abstract submission opens January 31, 2025 and closes April 4, 2025.** Abstract tracks include multidisciplinary care (nursing, allied health and palliative care), patient advocacy, global health, health services and health economics and more.

The [International Society of Quality of Life Research](#) annual conference will be held in Milwaukee, WI, October 22-25, 2025. **Oral, brief & poster presentation abstract submissions are due April 7, 2025.**

The 51st Annual Conference of the [Transcultural Nursing Society](#) will be held in Portland, ME, October 29-November 1, 2025. **Abstract submission deadline is May 15, 2025.**

Requests for Manuscripts

New Calls for Manuscripts

[Palliative Medicine](#) (Sage, IF 3.6) is calling for papers for a special issue on digital health in palliative care. **Manuscript submission deadline is April 28, 2025.** Topics of interest include but are not limited to digital care delivery and monitoring; ethical, legal and social implications; digital therapeutics and patient support; and more.

The [Journal Of Clinical Nursing](#) (Wiley, IF 3.2) is calling for papers for a special issue on advancing nursing practice through simulation: enhancing competency, quality, and patient outcomes. **Submission deadline is June 15, 2025.** Topics of interest include but are not restricted to: use of simulation for competency assessment and maintenance in clinic settings; implementation of simulation to improve interdisciplinary collaboration and

teamwork among healthcare professionals; simulation as a tool for enhancing communication skills and patient interaction among nursing staff; and more .

[Research in Nursing and Health](#) (Wiley, IF 2.1) is calling for papers for a special issue on the impact of stress, trauma, and violence on well-being and physical health. **Submission deadline is June 15, 2025.** Topics of interest include health disparities related to stress, trauma, and violence; nursing interventions for stress, trauma, and violence; nursing strategies for managing stress in patients; and more.

The [Journal Of Advanced Nursing](#) (Wiley, IF 3.8) is calling for papers for a special issue on gender equity in healthcare. **Deadline for submission is August 15, 2025.** Topics of interest include but are not limited to removing barriers and improving access to health care for people of all genders; the “gender gap” or gaps in published research which continue to contribute to inequity; removing gender bias in clinical research, medical education and teaching practices; and more.

[Patient Preference And Adherence](#) (Dovepress, IF2.0) is calling for manuscripts for an article collection on digital healthcare solutions for patient experience and medication adherence. **Submission deadline is November 21, 2025.** Topics of interest include but are not limited to the relationship between digital healthcare and patient outcomes; telehealth, remote monitoring, electronic health records and artificial intelligence in healthcare settings; and more.

Continuing Calls for Manuscripts

[Nurse Education in Practice](#) (Elsevier, IF 3.3) is calling for papers on exploring the frontiers of artificial intelligence in nursing/ midwifery education. **Submission deadline is February 28, 2025.** The editors welcome empirical studies, evaluations of teaching and learning innovations, evidence syntheses/ reviews and contemporary issues.

The [International Journal for Educational Integrity](#) (BMC, IF 3.8) is calling for papers for a thematic collection on “Artificial intelligence: Ethical implications for teaching, learning, assessment, science and research”. **Submission deadline is February 28, 2025.**

The [Journal of Healthcare Leadership](#) calling for papers for an article collection on [digital healthcare leadership](#) in an era of value-based care, health equity, and patient consumerism. **Manuscript submission deadline is February 28, 2025.**

The [International Journal of Orthopaedic and Trauma Nursing](#) (Elsevier, IF 1.5) is calling for papers for a special issue on enhanced recovery pathways in orthopaedic and trauma care. **Submission deadline is February 28, 2025.**

Nursing Open (Wiley, IF 2) is calling for papers for three special issues, **all due March 31, 2025:** [Psychiatric Nursing](#) – nursing and the new normal in psychiatric and mental health care post-COVID-19 era; [Research Methodology](#) and [Gerontological Nursing and Interprofessional Collaborations](#) in Gerontological Nursing.

[Journal of Pain Research](#) (Dovepress, IF 2.5) is calling for papers for an article collection on the “Future of pain medicine: Emerging technologies, treatments, and education.” **Manuscript submission deadline is March 31, 2025.**

[Perspectives in Public Health](#) (Sage, IF 3.5) is calling for papers for a special issue titled “[The climate crisis is a public health crisis](#)”. **Manuscript submission deadline is March 31, 2025.** Topics of interest include health

impacts of environmental change; sustainable practices and health; and vulnerable populations (health inequalities, etc.) and more.

The *Gerontologist* (Oxford, IF 4.6) is calling for papers for a special issue on [Artificial Intelligence](#) and Aging. **Manuscripts due April 1, 2025.**

The [Journals of Gerontology Series B](#) (Oxford, IF 4.8) is calling for papers for a special issue on the social determinants of gerontological health, functioning, and wellbeing. **Manuscript submission deadline is April 1, 2025.** Topics include but are not limited to identification, assessment and analysis of unique SDOH indicators observed within and across socially marginalized aging populations; novel analytic methods (e.g., ambulatory approaches, GPS, machine or deep learning techniques) for examining SDOH; translational approaches leveraging SDOH to sustain or improve health behaviours and outcomes; and more.

[Psychosomatic Medicine](#) (Lippincott, IF) is calling for abstracts for a special issue on interpersonal processes of [biopsychosocial health](#): Current and future directions. **Abstract deadline is April 1, 2025.**

[Health and Quality of Life Outcomes](#) (BMC, IF 3.2) is calling for papers for a collection on AI in Measurement and Valuation of Health: Embracing the revolution or a call for a cautionary embrace. **Manuscript submission deadline is April 23, 2025.**

[BJOG](#) (Wiley, IF) is calling for papers for a special issue on modern management of the menopause and post-reproductive women's health. **Manuscript submission deadline is May 1, 2025.**

The [Journal of Nursing Scholarship](#) (Wiley, IF 6.3) is calling for papers for a special issue on the mental health and wellbeing of nurses and healthcare professionals. **Manuscript submission deadline is May 1, 2025.** Topics include but are not limited to post-COVID mental health and wellbeing of nurses and healthcare professionals; innovative interventions and approaches to promote mental health (car and delivery) amongst healthcare professionals and mental health users; and evidence-based strategies to promote mental health wellbeing of nurses.

[Behaviour and Information Technology](#) (Taylor and Francis, IF 2.9) is calling for papers for a special issue on "Designing with AI for wellbeing." **Manuscript submission deadline is May 8, 2025.** Themes include challenges related to designing with data and AI for wellbeing, open problems for AI in designing for wellbeing; opportunities for AI in designing for wellbeing (e.g., how can we enhance user experience).

[Seminars in Oncology Nursing](#) (Elsevier, IF 2.3) is calling for papers for a special issue on Cancer care in haematologic malignancies. **Manuscript submission deadline is May 29, 2025.** If thinking of submitting, contact the guest editors for more information (Maura.Dowling@universityofgalway.ie; and Karen Campbell (k.campbell@napier.ac.uk).

[Journal Awards: Children](#) (Basel, MDPI, IF 2.0) is offering a young investigator award (**nomination deadline April 30, 2025**) and best PhD thesis award (**application deadline May 31, 2025**).

The [International Journal of Public Health](#) (SSPH, IF 2.6) is calling for papers for a special issue on the health of displaced people: a challenge for epidemiology and public health. **Manuscript submission deadline is June 30, 2025. Manuscripts accepted for publication by May 31, 2025,** will automatically enter the competition for the Rodolfo Saracci Best Paper Award 2025.

The [Journal of Advanced Nursing](#) (Wiley, IF 3.8) is calling for papers for a special issue on [Doctoral Education in Nursing](#). **Submission deadline is Monday, May 31, 2025.**

[Clinical Interventions in Aging](#) (Taylor & Francis, IF 3.5) is calling for papers for a special issue on perioperative management and integrated surgical care for older adults. **Manuscript submission deadline is May 31, 2025.** The focus is on perioperative and surgical care of older people which show clinical or socioeconomic benefit over conventional practice.

[Cancer Management and Research](#) (Taylor and Francis, IF 2.5) is calling for papers for an article collection on “Self-screening for cancer: Promises and pitfalls.” **Manuscript deadline is June 1, 2025.** Topics of interest include technological advancements in self-screening tools, regulation, accuracy and reliability, health systems implementation for successful screening, and more.

The [Asia-Pacific Journal of Oncology Nursing](#) (Elsevier, IF 2.4) is calling for papers for a special issue on understanding and supporting the needs of older adults with cancer and their caregivers and care partners. **Submission deadline is June 30, 2025.** Editors: Kristin Haase, Margaret Fitch.

The [Journal of Cardiovascular Nursing](#) (Lippincott, IF 1.7) is calling for papers for a special issue on Intersectionality-based cardiovascular care among equity-deserving groups: Promoting cardiovascular health equity. **Manuscript submission deadline is June 30, 2025.**

The [Journal of Nursing Regulation](#) (Elsevier, IF 4.2) is calling for papers for a special issue on Technology and the nursing needs of tomorrow: Innovation and regulation. **Manuscript submission deadline is July 1, 2025;** publication planned for October 2025. The special issue will examine how telehealth, virtual nursing, AI, robotics and other innovative technologies impact nursing regulation and the nursing profession.
