

Research Resources

Reminder: Bloomberg Nursing's Research Office [Research Funding Resources](#) page has information about predatory publishing; reductions in APC fees; EDI resources; free software licenses (e.g., how to access REDCap, NVIVO); and more.

Sign up for the [Centre for Research & Innovation Support newsletter](#) for information about training sessions, funding opportunities and other resources, such as

Sign up for CRIS Compass: <https://cris.utoronto.ca/about/cris-compass/> - the CRIS bi-monthly newsletter.

CRIS has posted new guides for researchers on **equity, diversity and inclusion**: [Environments and team cultures](#), [research design](#), and [team composition](#).

Check the CRIS [Calendar of events](#), for upcoming events, such as [Using Overton to Measure Policy Impact](#) for Academic Researchers, June 12, 2025, 9-10:30.

The [University of Toronto's international opportunity](#) page lists several collaborative opportunities available to faculty. **Deadlines vary.**

If you missed a session, presentations and slide sets of past events are often available on the [CRIS website](#).

Grant and Award Opportunities

Remember – always check grant information carefully

New Canadian Opportunities

The [Canadian Association of Nurses in Oncology](#) will fund four research grants at a maximum of \$8,000 to be spent over 2 years. **Application deadline is 11:59 pm Eastern, May30, 2025.** Priority will be given to oncology nurses pursuing a graduate degree, projects with the potential to promote evidence-informed oncology practice, clinically based oncology nurses, and projects that promote equity, diversity, and inclusion in cancer care. **This competition is open to PhD students; however, U of T PhD students must include their supervisor as a co-principal investigator**

The Canadian Cancer Society's [Emerging Scholar Research Grants Program](#) **abstract submission deadline is July 2, 2025, with letter of intent due August 27, 2025.** Full application is by invitation. Value: Up to \$120,000 per year for up to five years. A total of \$9 million is available. The society will fund across the four pillars of health research (biomedical; clinical; health services; and social, cultural, environmental and population health). This competition is open to early career scientists within five years of their first independent appointment.

The [Gerontological Nursing Association Ontario](#) Research grant application deadline is September 1, 2025, awarded for financial assistance. Value: at discretion of provincial executive. This opportunity open to members only (minimum of three years). Topics: pilot projects, research related to graduate studies (PhD and DN students – include your supervisor on the grant as a co-Principal investigator and check with the research office re: administrative requirements), statistical analysis of previously acquired data sets, and applied clinical

Students: Applying for research funding? Check with the Research office about your eligibility to hold funds. Contact the Research Office to get information and approval on proposals, administrative requirements, and ethics ahead of deadlines, and always check with your supervisor! Email: research.nursing@utoronto.ca

New International Opportunities

The [Greenwall Foundation Making a Difference](#) Grant application is now open. Letter of intent deadline is June 23, 2025. The focus is on innovative bioethics research that will have a real-world, practical impact.

The [American Association of Nurse Anesthesiology](#) Research grant competition deadline is June 30, 2025. Applicants must be members of the AANA.

The [American Society for Pain Management Nursing](#) research grant application deadline is June 30, 2025. This competition is open to members of the ASPMN. Value: US\$5,000.

The Association of Pediatric Gastroenterology and Nutrition Nurses [Susan Moyer NASPGHAN](#) Foundation Research Grant application deadline is July 1, 2025. This competition is open to NASPGHAN members only (value is \$500 - \$5,000).

The [Association of periOperative Registered Nurses Syntegrity](#) (two awards at \$10,000 each) grant submission deadline is June 30, 2025. Research should focus on quality improvement activities that enhance patient-centered, effective, safe, timely, equitable and efficient perioperative nursing practice. The AORN/Sigma grant (value \$5,000) submission deadline is August 31, 2025.

Use your Research Office. We are here to support you. Please let us know when you are beginning the grant process – we are happy to assist with developing budgets and providing editorial, financial, content, and methodological feedback. Let us know when you succeed! Email: research.nursing@utoronto.ca

New CIHR Opportunities

Notice of upcoming funding opportunity: [Strengthening Resilient & Equitable Public Health Systems](#) (STEPS) – Team Grants. Objectives: generate actionable evidence; identify, test and/or evaluate promising system-level solutions; build capacity; foster knowledge mobilization. Research areas: public sector; community sector; Indigenous communities promoting cardiovascular health; public health emergencies and pandemic preparedness. Partners required (there will be a partner linkage tool). Funds available: \$6,750,000, enough to fund approximately nine grants. Maximum amount per team grant: \$250,000 per year for up to three years for a total of \$750,000 per grant. Anticipated timelines: webinar June 2025; launch June 2025; registration September 2025; and application deadline January 2026.

Notice of upcoming funding opportunity: [Emerging Learning Health Systems in Mental Health](#) will fund two national learning health systems in early psychosis intervention and perinatal mental health. Objectives: develop a national LHS, enhance access to services to improve quality of life and more. Anticipated timeline: Launch: Spring 2025; application deadline (there may be a registration or expression of interest deadline as well): fall 2025; and funding start date: Winter 2026.

Institute Community Support: [Planning and Dissemination Grants](#). **Application deadline is June 19, 2025.** Important: this opportunity will use the [new tri-agency narrative CV](#). Also important: Once applications go through a relevance review, CIHR will use a partial randomization process to fund applications relevant to each Institute or initiative. Funds available: ranging from \$5,000 to \$50,000 to support planning and dissemination activities.

SSHRC /Other Federal Agency Funding Opportunities

The [New Frontiers in Research Fund Exploration Grant](#) is now open for applications for high-risk, high-reward and interdisciplinary research. **Notice of Intent deadline is August 19, 2025; U of T applicants must submit by August 18, 2025.** Full application due October 21, 2025, U of T applicants must submit an approved MRA by noon, October 14, 2025. Funding start date is March 31, 2026. Funds available: Up to \$125,000 per year for up to two years; this includes indirect costs (at 25%). An information webinar on the full application stage will be held September 9, 2025, at 1 pm. Link to follow.

Reminder – these competitions are still open

Canadian Opportunities

The [Cancer Research Society's Prostate Cancer Research Grant](#) program has launched. Four grants will be awarded; focus is on improving early detection and developing more effective treatments. **Letter of intent deadline is May 28, 2025, with full application due September 9, 2025.**

The [University of Toronto's Collaborative Centre for Climate, Health + Sustainable Care](#) student training program **application deadline is May 30, 2025.** This non-credit certificate program offers specialized training to help students and trainees develop knowledge and expertise in this field. The Centre's [graduate fellowship](#) application deadline is also May 30, 2025. Funds available \$10,000. The fellowship supports graduate students to develop their research expertise in sustainability and health.

The [Canadian Nurse Educators Institute Fellowship](#) **application deadline is May 31, 2025.**

SickKids Community Conference Grants support conferences, workshops or symposia which are relevant to the health of Canada's children. The purpose of this program is to support events which are organized by and/or for families with children with health challenges. Eligible events will have a focus on information sharing between health professionals, community organizations, and families. Academic conferences are not eligible for funding. There are three deadlines for applications each fiscal year: **May 31; September 30; and January 31.** [Apply online](#)

The [TRIANGLE](#) program awards competition is now open. **Application deadline is June 1, 2025.** Awards include **doctoral awards**, early career researcher awards, and **postdoctoral awards**. TRIANGLE is a training program for researchers in gastroenterology and liver.

[MyRoad](#) (Maximize your Research on Obesity and Diabetes) Health Research Exchange Competition **application deadline for internships is October 1, 2025**, for internships between January 1, 2026, and December 31, 2026. This opportunity is open to master's, **doctoral** or postdoctoral students or early career investigators.

International Opportunities

The [Sigma Theta Tau International](#) **opportunity with a June 10, 2025**, deadline is the Association of Rehabilitation Nurses Grant. **Opportunities with a July 1, 2025**, application deadline re: The American Board for Occupational Health Nurses Grant; Doris Bloch Research Award; Joan K. Stout Research Grant, American Nurses Credentialing Center Evidence-based Practice Implementation Grant, and the Dorothy Brooten Transitional Care Research Grant (new). Funding available ranges from US\$5,000 to US\$20,000. Some opportunities are limited to association or chapter members. Check carefully. **Nursing Students thinking of applying should check with their supervisor re: relevance, include their supervisor as a co-principal investigator on the grant, and connect with the research office re: administrative requirements.**

The [American Society of Perianesthesia Nurses](#) **research grant competition deadline is June 15, 2025**. There are two funding categories: beginning nurse researcher, with a value of USD500 - 5000 U.S. dollars; experienced nurse researcher, USD3000 to 10,000.

The [Mendez National Institute of Transplantation Foundation Research Grant](#) **program letter of intent deadline is June 15, 2025. Full application deadline, by invitation only, is July 31, 2025**. Funds available: up to a maximum of USD\$150,000 over two years.

CIHR Grant Opportunities

The CIHR Institute of Cancer Research is calling for applications for its [early career researcher workshop](#), which will be held at the Canadian Cancer Research Conference in Calgary, Alberta, October 31 and November 1, 2025. **Application deadline is June 23, 2025. Applicants MUST submit an abstract to the conference by the abstract deadline of June 6, 2025.** CIHR-ICR will cover costs associated with travel and accommodation for the ECR workshop plus the 2025 CCRC registration fee. Accommodation will be covered for the duration of the ECR workshop and the 2025 CCRC.

The [Health System Impact Fellowship](#) **application deadline is July 3, 2023**. This opportunity is open to **doctoral and postdoctoral students**, and to non-Canadians who hold the award at a Canadian institution. Application is through [ResearchNet](#).

- **Doctoral trainees** receive a one-year experiential learning opportunity where they are embedded in their health system partner organization for at least 60% of their time focused on an impact-oriented project of direct relevance to their partner organization. The remaining time (up to 40%) is protected to continue with their Doctoral program commitments.
- **Postdoctoral researchers** receive a two-year experiential learning opportunity where they are embedded in their health system partner organization for at least 70% of their time focused on their impact-oriented program of work. The remaining time (up to 30%) is protected for academic research.

Funds Available

- **HSI Fellowship for Doctoral trainees:** The maximum amount per doctoral award is \$50,000 per year for up to 1 year (\$45,000 stipend plus \$5,000 professional development training and research allowance).
- **HSI Fellowship for Postdoctoral researchers:** The maximum amount per postdoctoral award is \$155,000 total for 2 years (\$70,000 stipend per year, plus \$7,500 professional development training and research allowance per year)

Information about the fellows and past awardees can be [found here](#).

SSHRC /Other Federal Agency Funding Opportunities

The next [Partnership Engage Grant](#) application deadline is **June 15, 2025** (\$7,000 - \$25,000 for work with a single partner organization, to respond to immediate needs and addressing a specific need); the next [Connections Grant](#) (\$7,000 - \$25,000;; outreach activities up to \$50,000; for events and outreach activities; **deadline is August 1, 2025**. Connection Grants require 50% of the amount requested from their sponsoring organizations. U of T Applicants must meet internal deadlines for both awards (about a week ahead of sponsor deadline).

Research Updates

Tri-Agency Updates

The CIHR confirms that the [new tri-agency CV](#) **will not be used** for the Fall 2025 Project Grant competition.

NSERC Announces [enhancements to the Convergence platform](#): Integration of Open Researcher and Contributor and principal research administrator role.

University of Toronto Updates

A reminder that required documentation for some [travel to the United States](#) has been updated which may affect future or current stays.

The University has updated its [guidance on international travel](#) for university activities.

The University of Toronto has updated its public facing [research by the numbers website](#).

The University of Toronto has released its [annual research report](#).

Other Updates

The [NIH has updated its policy on foreign subawards](#). By September 30, 2025, NIH may issue awards to foreign recipients directly as an independent subproject; primary institutions will not longer be able to issue foreign subawards. Effective May 1, 2025, NIH will not issue notices of awards for anything when a foreign subaward entity is included, and foreign co-applicants are no longer permitted on NIH applications until the new awards structure is in place.

Upcoming Events

New events and calls for abstracts

The [Society for Post-acute and Long-term Care](#) annual conference will be held in Anaheim, CA, March 26-28, 2026. **Abstract submission opens in June.**

The [14th International Council of Nurses Nurse Practitioner/Advanced Practice Nurse Network Conference](#) will be held in Nashville TN, September 14-17, 2026. **Abstract submission opens June 16, 2025.**

The [Transcultural Nursing Society's](#) annual conference has **extended its abstract submission deadline to June 1, 2025**. The theme is Addressing healthcare needs in a global society. The conference will be held October 29 – November 1, 2025, in Portland ME.

The [San Antonio Breast Cancer Symposium](#) will be held December 9-12, 2025, in San Antonio, TX. **Abstract submission deadline is July 9, 2025.**

The [Society for Adolescent Health and Medicine](#) annual meeting will be held in Seattle, WA, March 3-6, 2026. **Abstract submission deadline for Educational Sessions (Workshops and institutions) is July 31, 2025.** Abstract submission for scientific research will open in June with a deadline of August 26, 2025, and the Hot Topics session has a submission deadline of October 28, 2025.

The [24th annual Hawaii International Conference on Education](#) will be held January 8-11, 2026, in Honolulu, HI. **Submission/proposal deadline is August 8, 2025.** Topics include health education, education policy and leadership, and more.

The [European Society of Medical Oncology Asia Congress](#) will be held in Singapore, December 5-7, 2025. **Abstract submission deadline is August 12, 2025.** Categories include supportive care, palliative care, miscellaneous, breast cancer, and more.

[The Neuroscience Nursing Annual Conference](#) will be held March 21-25, 2026, in Dallas, TX. **Abstract submission opens June 2, 2025, and closes September 1, 2025.**

The [American College of Occupational and Environmental Medicine](#) annual conference will be held April 19-22, 2026, in Chicago IL. **Abstract submission deadline for concurrent session proposals is September 15, 2025.**

Calls for Meeting Abstracts Still Open

The University's [Collaborative Centre for Climate, Health + Sustainable Care 2025](#) Annual Symposium will be held in Toronto, ON, October 30, 2025. **Abstract submission (oral presentations and posters) deadline is May 30, 2025.** Topics of interest include climate costs of AI in medicine, reducing the environmental harms of care, climate crisis and mental health and more.

The annual education conference of the [American Society of Addiction Nursing](#) will be held in Las Vegas NV August 8 to 10, 2025. **Abstract submission deadline is May 31, 2025.** The theme is New Directions in Treatment, Education, Inclusivity and Service.

The [American Heart Association](#) scientific sessions will be held in New Orleans LA, from November 7th to November 10th, 2025. **Abstract submission opens on April 9, 2025, and closes June 5, 2025.**

The [International Psycho oncology Society's](#) annual conference will be held in Adelaide, Australia, November 11-14, 2025. **Abstract submission deadline is June 6, 2025.** Abstract categories include digital health, psychosocial care in LMICs, palliative care, and more.

The [Early Detection of Cancer Conference](#) will be held in Portland OR, October 21 to October 23, 2025. **Abstract submission deadline is June 6, 2025.**

The [9th World Congress on Controversies in Breast Cancer - Latin America](#) will be held September 12 to 13, 2025, in Lima, Peru. **Abstract submission deadline is June 16, 2025.** Topics of interest include screening, prevention, symptom management, genetics, and more.

The [International Forum on Quality and Safety in Healthcare Canberra](#) will be held November 19 to 21, 2025, in Canberra, Australia. **Abstract submission deadline is June 18, 2025.** The conference themes include safety, people, populations, change, and leading. The theme is “Think differently, start small, have impact.”

The [Canadian Cancer Research Conference](#) will be held in Calgary, AB, November 2-4, 2025. **Abstract submission deadline is June 6, 2025.** Formats include oral presentations, electronic or physical posters. Abstract topics include adolescent and young adult cancer, cancer across the lifespan, end of life care, pediatric cancer, palliative and supportive care, and more.

[World Sleep](#) will be held in Singapore, September 5-10, 2025. **Submission deadline for poster presentations is July 1, 2025.**

The [Fall 2025 National Neonatal Nurses Conference](#) will be held September 3-6, 2025, in Arlington VA. **Abstract submission deadline is July 2, 2025.**

The [12th Canadian Conference on Dementia](#) will be held in Calgary AB, October 16 to 18, 2025. **Abstract submission deadline is July 11, 2025.** This year's theme is Across the dementia cognitive continuum: prevention, precision medicine, and practice implications.

The [European Multidisciplinary Congress on Urological Cancers](#) will be held in Prague, Czech Republic, November 13-16, 2025. **Abstract submission deadline is August 1, 2025.** Abstract topics include quality of life and patient-reported outcomes for urological cancers.

Requests for Manuscripts

New Calls for Manuscripts

[The Patient](#) (Springer, IF 3.4) has several open calls for a variety of collections, including patient-reported outcomes; patient preferences in oncology; good practice in health preference research.

[Learning Health Systems](#) (Wiley, IF 2.6) is calling for papers for a special issue on Focus on AI in Health Services Research. **Submission deadline is September 8, 2025.**

The [Journal of Nursing Scholarship](#) (Wiley, IF 2.4) is calling for papers for a special issue on Mental Health (e.g., evidence-based strategies to promote mental health wellbeing of nurses, post-covid mental health and wellbeing of nurses and health care professionals and more). **Submission deadline is September 15, 2025.**

[Bioethics](#) (Wiley, IF 1.7) is calling for papers for a special issue on Data Justice in Healthcare. **Submission deadline is October 1, 2025.**

The [Journal of Healthcare Quality Research](#) (Elsevier, IF 1.1) is calling for papers for a special issue on Patient Safety Redefined: strategies for safer healthcare systems. **Submission deadline is December 15, 2025.**

[Teaching and Learning in Nursing](#) (Elsevier, IF 1.9) is calling for papers for a special issue on Beyond competence: Cultivating empathy, advocacy, and engagement in nursing education. **Submission deadline is December 15, 2025.**

Continuing Calls for Manuscripts

[Seminars in Oncology Nursing](#) (Elsevier, IF 2.3) is calling for papers for a special issue on **Cancer care in haematologic malignancies**. **Manuscript submission deadline is May 29, 2025**. If thinking of submitting, contact the guest editors for more information (Maura.Dowling@universityofgalway.ie; and Karen Campbell (k.campbell@napier.ac.uk).

[Clinical Interventions in Aging](#) (Taylor & Francis, IF 3.5) is calling for papers for an article collection on [perioperative management and integrated surgical care for older adults](#). **Manuscript submission deadline is May 31, 2025**.

[Nurse Education in Practice](#) (Elsevier, IF 3.3) is calling for papers for a special issue on **Exploring the Frontiers of Artificial Intelligence in Nursing/Midwifery Education**. **Submission deadline is May 31, 2025**. Topics may include AI literacy for healthcare students and educators, machine learning and AI models for predictive learning analytics, and more.

[Journal Awards: Children](#) (Basel, MDPI, IF 2.0) is offering a young investigator award (**nomination deadline April 30, 2025**) and best **PhD thesis award** (**application deadline May 31, 2025**).

The [International Journal of Public Health](#) (SSPH, IF 2.6) is calling for papers for a special issue on the **health of displaced people: a challenge for epidemiology and public health**. **Manuscript submission deadline is June 30, 2025**. **Manuscripts accepted for publication by May 31, 2025**, will automatically enter the competition for the Rodolfo Saracci Best Paper Award 2025.

The [Journal of Advanced Nursing](#) (Wiley, IF 3.8) is calling for papers for a special issue on [Doctoral Education in Nursing](#). **Submission deadline is Monday, May 31, 2025**.

[Nursing Open](#) (Wiley, IF 2) is calling for papers for a special issue on [Gerontological Nursing and Interprofessional Collaborations](#) in Gerontological Nursing – **deadline is May 31, 2025**

[Cancer Management and Research](#) (Taylor and Francis, IF 2.5) is calling for papers for an article collection on **“Self-screening for cancer: Promises and pitfalls.”** **Manuscript deadline is June 1, 2025**. Topics of interest include technological advancements in self-screening tools, regulation, accuracy and reliability, health systems implementation for successful screening, and more.

The [American Journal of Medicine](#) (Elsevier, IF 5.1) is calling for manuscripts for a special issue on **“Transforming healthcare: The frontier of integrative medicine”**. **Submission deadline is June 1, 2025**.

The [Journal of the Association of Nurses in AIDS Care](#) (Lippincott, IF 1.6) is calling for papers for a special issue on the **ethical, social, and political issues in HIV prevention, care, and treatment**. **Manuscript submission deadline is June 1, 2025**.

The [Journal Of Clinical Nursing](#) (Wiley, IF 3.2) is calling for papers for a special issue on **advancing nursing practice through simulation: enhancing competency, quality, and patient outcomes**. **Submission deadline is June 15, 2025**. Topics of interest include but are not restricted to use of simulation for competency assessment and maintenance in clinic settings; implementation of simulation to improve interdisciplinary collaboration and teamwork among healthcare professionals; and more.

[Research in Nursing and Health](#) (Wiley, IF 2.1) is calling for papers for a special issue on **the impact of stress, trauma, and violence on well-being and physical health**. **Submission deadline is June 15, 2025**. Topics of

interest include health disparities related to stress, trauma, and violence; nursing interventions for stress, trauma, and violence; nursing strategies for managing stress in patients; and more.

The [Asia-Pacific Journal of Oncology Nursing](#) (Elsevier, IF 2.4) is calling for papers for a special issue on **understanding and supporting the needs of older adults with cancer and their caregivers and care partners**. **Submission deadline is June 30, 2025**. Editors: Kristin Haase, Margaret Fitch.

The [Journal of Cardiovascular Nursing](#) (Lippincott, IF 1.7) is calling for papers for a special issue on **Intersectionality-based cardiovascular care among equity-deserving groups: Promoting cardiovascular health equity**. **Manuscript submission deadline is June 30, 2025**.

The [Journal of Nursing Regulation](#) (Elsevier, IF 4.2) is calling for papers for a special issue on **Technology and the nursing needs of tomorrow: Innovation and regulation**. **Manuscript submission deadline is July 1, 2025**; publication planned for October 2025. The special issue will examine how telehealth, virtual nursing, AI, robotics and other innovative technologies impact nursing regulation and the nursing profession.

[Advances in Health Sciences Education](#) (Theory and Practice) (Springer, IF 3.0) is calling for papers for a special issue on **Historical scholarship in health professions education**. **Manuscript submission deadline is July 1, 2025**. The editors (including Cynthia Whitehead, University of Toronto) are interested in papers that offer a focused examination of historical research in the field; that examine health education in a variety of historical and geographical context; and more.

[International Nursing Review](#) (Wiley, IF 1.94) is calling for papers for a special issue on the Impacts of artificial intelligence on nursing and midwifery policy and practice. **Manuscript submission deadline is July 15, 2025**. Topics of interest include papers exploring regulations, policies and guidelines; implementation of AI-assisted clinical, educational and management services; improving nursing workforce conditions; and more.

[Critical Public Health](#) (Taylor and Francis, IF 3.1) is calling for papers for an article collection on **intersectional stigma and LGBTQ+ Health**. **Manuscript deadline is July 23, 2025**.

BMC Public Health (BMC, IF 3.5) is calling for papers for a collection on promoting health [equity among aging adults](#). **Manuscript submission deadline is July 24, 2025**. The journal is also publishing a collection on [improving social inequities in health in the global south](#). **Manuscript submission deadline is August 15, 2025**.

The [Asia-Pacific Journal of Oncology Nursing](#) (Elsevier, IF 2.4) is calling for papers for a special issue on **cardio-oncology nursing – addressing the intersection of cardiac and cancer care**. **Submission deadline is July 31, 2025**. Topics of interest include cardiotoxicity management, survivors support, enhancing cancer patients' quality of life with heart comorbidities and more.

The [Journal of Clinical Nursing](#) (Wiley, IF 3.2) is calling for papers for a special issue on **“Generative AI in nursing and Healthcare”**. **Manuscript submission deadline is ~~March 31, 2025~~ New deadline: JULY 31, 2025**. Topics of

Clinical Interventions in Aging (Taylor and Francis, IF 3.5) is calling for papers for a special issue on understanding [physical functioning in older adults](#) – new approaches and novel interventions. **Manuscript submission deadline is July 31, 2025**.

[International Emergency Nursing](#) (Elsevier, IF 1.8) is calling for papers for a themed issue **on Advanced Clinical practice in emergency care**. The journal will accept papers across the four pillars of advanced clinical practice: clinical practice, education, leadership and research. **Submission deadline is August 1, 2025**.

The [Journal Of Advanced Nursing](#) (Wiley, IF 3.8) is calling for papers for a special issue on **gender equity in healthcare. Deadline for submission is August 15, 2025.** Topics of interest include but are not limited to removing barriers and improving access to health care for people of all genders; the “gender gap” or gaps in published research which continue to contribute to inequity; removing gender bias in clinical research, medical education and teaching practices; and more.

The [Journal of Emergency Nursing](#) (Elsevier, IF 1.8) is calling for papers for a special issue on **Health Equity in Emergency Care Settings. Submission deadline is August 15, 2025.** Topics of interest include community care and referrals for ongoing care needs, methods for addressing bias and inequitable care, structural competency among nurses and health care professionals.

[Breast Cancer: Targets and Therapy](#) (Dove Press, IF 3.3) is calling for papers for an article collection on “**Breast cancer in young women.**” **Manuscript submission deadline is September 5, 2025.** Topics of interest include psychosocial impact, health disparities, diagnosis and screening, and more.

[Nursing in Critical Care](#) (Wiley, IF 3) is calling for papers for a special issue on **Humanizing and elevating critical care: The power of families. Manuscript submission deadline is October 1, 2025.** Topics of increase interest include long term outcomes of family centred interventions; family participation in decision making; nurses’ perspectives on family centred care; and more.

The **Journal of Advanced Nursing** (Wiley, IF 3.8) is calling for papers for a special issue on [healthy work environments](#). **Deadline for submissions is October 15, 2025.** Topics of interest include workforce retention and job satisfaction; psychosocial and physical safety; education and professional development; and more.

[Advances in Medical Education and Practice](#) (Dovepress, IF 1.8) is calling for manuscripts for an article collection on the **future in health professions education: innovative teaching alternatives. Manuscript submission deadline is October 31, 2025.**

[Patient Preference And Adherence](#) (Dovepress, IF2.0) is calling for manuscripts for an article collection on **digital healthcare solutions for patient experience and medication adherence. Submission deadline is November 21, 2025.** Topics of interest include but are not limited to the relationship between digital healthcare and patient outcomes; and more.

[Clinical Interventions in Aging](#) (Taylor & Francis, IF 3.5) is calling for papers for an article collection on Innovative Care Models for Older Adults: [The role of telehealth and emerging technologies](#). **Manuscript deadline is November 30, 2025.** Topics of interest include innovative digital health tools designed to address age-related health challenges; caregiver integration tools that enhance support; and more.
