

Research Resources

Reminder: Bloomberg Nursing's Research Office [Research Funding Resources](#) page has information about predatory publishing; reductions in APC fees; EDI resources; free software licenses (e.g., how to access Redcap, NVIVO); and more.

Sign up for the [Centre for Research & Innovation Support newsletter](#) for information about training sessions, funding opportunities and other resources, such as [Generative AI Learning Resources for Researchers](#) and the [Video Library](#) of past events and upcoming events like [CIHR Project Grant: Strategies for Success](#) – July 24, 2025, 1 – 2:30 pm.

Sign up for CRIS Compass: <https://cris.utoronto.ca/about/cris-compass/> - the CRIS bi-monthly newsletter.

CRIS has posted new guides for researchers on **equity, diversity and inclusion**: [Environments and team cultures](#), [research design](#), and [team composition](#).

Check the CRIS [Calendar of events](#), for upcoming events, such as [Reflecting on Indigenous Land Acknowledgements](#), June 26, 2025, 10 am – 1 pm.

If you missed a session, presentations and slide sets of past events are often available on the [CRIS website](#). The [University of Toronto's international opportunity](#) page lists several collaborative opportunities available to faculty. **Deadlines vary.**

Grant and Award Opportunities

Remember – always check grant information carefully

New Canadian Opportunities

Open Call: the Global Institute of Psychosocial, Palliative & End-of-Life Care has an [open call for fellows](#). This is an unfunded **trainee position**. Eligible candidates: doctorate or medical specialist or a supervisor affiliated with GIPPEC.

The [University of Toronto's Data Sciences Institute Catalyst Grant](#) **letter of intent deadline is July 11, 2025. Full application (by invitation) is October 31, 2025.** There are two tiers. Tier 1 (development of novel statistical or computational tools or application of existing methodology in innovative ways): Up to \$100,000 for 1-2 years; Tier 2 (projects that align with Tier 1, may also include projects that foster a robust knowledge exchange between data scientists and researchers working in fields where there is identified unmet need to implement advanced data science methods): Up to \$50,000 for 1-2 years. The DSI is partnering with the Edwin WH Leong [Centre for Healthy Children](#) to co-fund Catalyst Grants focused on innovative and novel data science in child

health equity. Researchers should indicate they are applying for this grant on the application form's Administrative Information tab.

The [Alzheimer Society's Proof of Concept grant](#) **letter of intent deadline is July 21, 2025**. Full application (invitation only) deadline is Monday, November 4, 2025. This grant funds high-risk, high-reward approaches to dementia research. Funds available: \$100,000 maximum that can be held for up to three years.

The [Canadian Pain Society](#) is offering an Editorial Review Mentorship Program. Application deadline is July 26, 2025. This is a one-year term, 1-5 hours per month.

[Cystic Fibrosis Canada](#) has several grants open; all applications are made through [Proposal Central](#) (create an account and search 'cystic fibrosis'). Early career Investigator Awards have a **letter of intent deadline of August 15, 2025**, with full due by October 1, 2025. Seed grants (value up to \$50,000 for one year) have an **application deadline of September 3, 2025**; and the research fellowship (matching funds encouraged) has an **application deadline of October 1, 2025**.

The Lymphoma and Leukemia Society (Canada) [Equity in Access Research Program](#) **letter of intent deadline is September 11, 2025**. This opportunity will fund research focused on improving clinical trial enrolment for underrepresented groups. Value:

Students: Applying for research funding? Check with the Research office about your eligibility to hold funds. Contact the Research Office to get information and approval on proposals, administrative requirements, and ethics ahead of deadlines, and always check with your supervisor! Email: research.nursing@utoronto.ca

New International Opportunities

The [Greenwall Foundation](#) is requesting proposals for its Bridging Bioethics Research & Policymaking grant program. This program supports researchers, policymakers and others to bridge the divide between research results and policymaking. **Application deadline is July 21, 2025**.

The [Marie Skłodowska-Curie Postdoctoral Fellowship](#) **application deadline is September 10, 2025**. [U of T applicants](#) **must have internal approval by September 4, 2025**. This fellowship enables European researchers who are members of a member state or associated country to come to a third country (e.g., University of Toronto) for 12-24 months, returning to their original European host for a mandatory 12 months. The EU funds a living allowance, mobility allowance, as well as research, training and networking activities.

Use your Research Office. We are here to support you. Please let us know when you are beginning the grant process – we are happy to assist with developing budgets and providing editorial, financial, content, and methodological feedback. Let us know when you succeed! Email: research.nursing@utoronto.ca

New CIHR Opportunities

Notice of upcoming funding opportunity: [Strengthening Resilient & Equitable Public Health Systems](#) (STEPS) – Team Grants. Objectives: generate actionable evidence; identify, test and/or evaluate promising system-level

solutions; build capacity; foster knowledge mobilization. Research areas: public sector; community sector; Indigenous communities promoting cardiovascular health; public health emergencies and pandemic preparedness. Partners required (there will be a partner linkage tool). Funds available: \$6,750,000, enough to fund approximately nine grants. Maximum amount per team grant: \$250,000 per year for up to three years for a total of \$750,000 per grant. Anticipated timelines: webinar June 2025; launch June 2025; registration September 2025; and application deadline January 2026.

Notice of upcoming funding opportunity: [Emerging Learning Health Systems in Mental Health](#) will fund two national learning health systems in early psychosis intervention and perinatal mental health. Objectives: develop a national LHS, enhance access to services to improve quality of life and more. Anticipated timeline: Launch: Spring 2025; application deadline (there may be a registration or expression of interest deadline as well): fall 2025; and funding start date: Winter 2026.

Notice of Upcoming Funding Opportunity: [2025-2026 Partnering for Impact – Catalyst Grant](#). Objectives: foster creation/strengthening of partnerships between researchers and partners; support time and enablers required for meaningful co-production activities; evaluate co-production activities as part of a learning approach that contributes to the field of knowledge mobilization. Examples: co-producing a funding proposal; consensus building/research prioritization; identifying areas needing more research and/or knowledge mobilization; evaluating implementation; co-designing rapid learning and improvement projects; fostering partnerships with industry; co-producing activities with historically excluded groups; planning and executing pilot projects or feasibility studies. **Funds available: \$4,750,000; enough to fund approximately 31-38 grants. Up to \$125,000 available per grant for up to one year, and possibility for an additional \$25,000** to ensure meaningful involvement of communities or populations that require additional resources to reach. **Pools:** General; Patient-oriented research; Centre for Research on Pandemic Preparedness and Health Emergencies; Institute of Health Services and Policy Research focused on primary care; Institute of Neurosciences, Mental Health and Addiction; Institute of Population and Public Health (re: global health, climate justice, SDOH and public health); Employment and Social Development Canada (re: Impacts of school food programming). **Anticipated timelines:** Launch: Summer 2025; Application Deadline: Fall 2025; Funding Start Date: Spring 2026.

Upcoming opportunity: [Canada Graduate Research Scholarship – Doctoral Program](#). **Launch:** July 2025. **Application deadline:** TBD – likely early-mid September. **Value:** \$40,000 per year for 36 months. Application is through SSHRC, CIHR or NSERC, depending on subject matter. Eligibility: No more than 36 months of full-time equivalent study in doctoral program. International applicants are eligible; up to 15% of awards will be allotted to international applicants.

Upcoming opportunity: [Canada Postdoctoral Research Award Program](#). **Launch:** July 2025. **Application deadline:** SSHRC September 11, 2025; CIHR and NSERC October 17, 2025. **Value:** \$70,000 per year for two years. International applicants are eligible. Up to 20% of awards will be available to international applicants.

Coming soon: [Reviewer in Training Program](#): **Applications will be open July 9 to August 6, 2025.** This opportunity offers early career researchers the opportunity to learn about the peer review process at CIHR. There are two tracks: Mentees, who write practice reviews on up to three applications and attend the peer review meeting in full; and ECR reviewers who participate in the same capacity as regular reviewers and review a reduced number of applications.

The [CIHR Institute of Aging Betty Havens Prize for Knowledge Mobilization](#) **submission deadline is July 21, 2025.** This award recognizes an individual, team or organization that has advanced the mobilization of research in aging at a local or regional level. Prize Value: \$20,000.

Knowledge Synthesis: [Allied Health and Genetics](#). **Registration deadline August 6, 2025, with full application due October 8, 2025.** Funds available: \$600,000, enough to fund approximately three grants; maximum per grant is \$100,000 per year for up to two years (\$200,000 maximum). The goal of this grant is to define best practices for delivering clinical genetic and genomic information to patients; identify capacity building opportunities for Allied Health Professionals to sustain increase in genetic testing; and foster knowledge mobilization to inform timely uptake of new information.

Operating Grant: [Indigenous Gender and Wellness – Knowledge Sharing](#) (Phase 4 of Indigenous Gender and Wellness – Phase 4: Knowledge Sharing Grant). **Registration deadline: September 3, 2025, with full application due October 1, 2025.** Value: \$200,000 per year for up to one year (maximum of \$200,000).

SSHRC /Other Federal Agency Funding Opportunities

The next SSHRC [Partnership Engage Grant](#) **application deadline is September 15, 2025** (\$7,000 - \$25,000 for work with a single partner organization, to respond to immediate needs and addressing a specific need); University of Toronto applicants must meet internal deadlines (approximately one week before sponsor deadline).

[Indigenous Capacity and Leadership in Research Connection Grants](#). **Application deadline September 23, 2025** (University of Toronto deadline TBD). **Value:** up to \$50,000. Webinar: Wednesday, June 25, 2025, 1 – 3 pm. This opportunity **must** be led by an Indigenous organization eligible to hold research funds. This grant will support knowledge mobilization and translation; support leadership and capacity-building; strengthen research capacities; and more.

[Insight Grant](#) **application deadline is October 1, 2025** (University of Toronto applicants must submit an internal administrative approval by noon on Thursday September 25, 2025, and full application must be uploaded to the SSHRC website by 9 am Monday, September 29, 2025). Stream A funds \$10,000 - \$125,000; Stream B funds \$125,001 - \$500,000. SSHRC is hosting two webinars:

Date	Time (ET)	Webinar connection information
August 21 st , 2025 (French)	10:00 a.m. -12:00 p.m.	Registration and Meeting Link
August 21 st , 2025 (English)	1:00 p.m. -3:00 p.m.	Registration and Meeting Link

Reminder – these competitions are still open

Canadian Opportunities

The Canadian Cancer Society's [Emerging Scholar Research Grants Program](#) **abstract submission deadline is July 2, 2025, with letter of intent due August 27, 2025.** Full application is by invitation. Value: Up to \$120,000 per year for up to five years. A total of \$9 million is available. The society will fund across the four pillars of health research (biomedical; clinical; health services; and social, cultural, environmental and population health). This competition is open to early career scientists within five years of their first independent appointment.

The [Gerontological Nursing Association Ontario](#) Research **grant application deadline is September 1, 2025**, awarded for financial assistance. Value: at discretion of provincial executive. This opportunity open to members only (minimum of three years). Topics: pilot projects, research related to **graduate studies (PhD and DN students – include your supervisor on the grant as a co-Principal investigator** and check with the research office re: administrative requirements), statistical analysis of previously acquired data sets, and applied clinical

SickKids Community Conference Grants support conferences, workshops or symposia which are relevant to the health of Canada's children. The purpose of this program is to support events which are organized by and/or for families with children with health challenges. Eligible events will have a focus on information sharing between health professionals, community organizations, and families. Academic conferences are not eligible for funding. There are three deadlines for applications each fiscal year: May 31; **September 30**; and January 31.

[Apply online](#)

[MyRoad](#) (Maximize your Research on Obesity and Diabetes) Health Research Exchange Competition **application deadline for internships is October 1, 2025**, for internships between January 1, 2026, and December 31, 2026. This opportunity is open to master's, **doctoral** or postdoctoral students or early career investigators.

International Opportunities

The [Greenwall Foundation Making a Difference](#) Grant application is now open. **Letter of intent deadline is June 23, 2025**. The focus is on innovative bioethics research that will have a real-world, practical impact.

The [American Association of Nurse Anesthesiology](#) Research **grant competition deadline is June 30, 2025**. Applicants must be members of the AANA.

The [American Society for Pain Management Nursing](#) **research grant application deadline is June 30, 2025**. This competition is open to members of the ASPMN. Value: US\$5,000.

The [Association of periOperative Registered Nurses Syntegrity](#) (two awards at \$10,000 each) grant **submission deadline is June 30, 2025**. Research should focus on quality improvement activities that enhance patient-centered, effective, safe, timely, equitable and efficient perioperative nursing practice. The AORN/Sigma grant (value \$5,000) **submission deadline is August 31, 2025**.

The Association of Pediatric Gastroenterology and Nutrition Nurses [Susan Moyer NASPGHAN](#) Foundation Research Grant **application deadline is July 1, 2025**. This competition is open to NASPGHAN members only (value is \$500 - \$5,000).

[Sigma Theta Tau International](#) **opportunities with a July 1, 2025**, application deadline re: The American Board for Occupational Health Nurses Grant; Doris Bloch Research Award; Joan K. Stout Research Grant, American Nurses Credentialing Center Evidence-based Practice Implementation Grant, and the Dorothy Brooten Transitional Care Research Grant (new). Funding available ranges from US\$5,000 to US\$20,000. Some opportunities are limited to association or chapter members. Check carefully. **Nursing Students thinking of applying should check with their supervisor re: relevance, include their supervisor as a co-principal investigator on the grant, and connect with the research office re: administrative requirements.**

CIHR Grant Opportunities

The CIHR Institute of Cancer Research is calling for applications for its [early career researcher workshop](#), which will be held at the Canadian Cancer Research Conference in Calgary, Alberta, October 31 and November 1, 2025. **Application deadline is June 23, 2025. Applicants MUST submit an abstract to the conference by the abstract deadline of June 6, 2025.** CIHR-ICR will cover costs associated with travel and accommodation for the ECR workshop plus the 2025 CCRC registration fee. Accommodation will be covered for the duration of the ECR workshop and the 2025 CCRC.

The [Health System Impact Fellowship](#) application deadline is **July 3, 2023**. This opportunity is open to **doctoral and postdoctoral students**, and to non-Canadians who hold the award at a Canadian institution. Application is through [ResearchNet](#). **University of Toronto applicants' supervisors must submit internally by June 26, 2025.**

- **Doctoral trainees** receive a one-year experiential learning opportunity where they are embedded in their health system partner organization for at least 60% of their time focused on an impact-oriented project of direct relevance to their partner organization. The remaining time (up to 40%) is protected to continue with their Doctoral program commitments.
- **Postdoctoral researchers** receive a two-year experiential learning opportunity where they are embedded in their health system partner organization for at least 70% of their time focused on their impact-oriented program of work. The remaining time (up to 30%) is protected for academic research.

Funds Available

- **HSI Fellowship for Doctoral trainees:** The maximum amount per doctoral award is \$50,000 per year for up to 1 year (\$45,000 stipend plus \$5,000 professional development training and research allowance).
- **HSI Fellowship for Postdoctoral researchers:** The maximum amount per postdoctoral award is \$155,000 total for 2 years (\$70,000 stipend per year, plus \$7,500 professional development training and research allowance per year)

Information about the fellows and past awardees can be [found here](#).

SSHRC /Other Federal Agency Funding Opportunities

The next [Connections Grant](#) (\$7,000 - \$25,000;; outreach activities up to \$50,000; for events and outreach activities; **deadline is August 1, 2025**. Connection Grants require 50% of the amount requested from their sponsoring organizations. U of T Applicants must meet internal deadlines for both awards (about a week ahead of sponsor deadline).

The [New Frontiers in Research Fund Exploration Grant](#) is now open for applications for high-risk, high-reward and interdisciplinary research. **Notice of Intent deadline is August 19, 2025; U of T applicants must submit by August 18, 2025.** Full application due October 21, 2025, U of T applicants must submit an approved MRA by noon, October 14, 2025. Funding start date is March 31, 2026. Funds available: Up to \$125,000 per year for up to two years; this includes indirect costs (at 25%). A webinar on the full application stage will be held September 9, 2025, at 1 pm. Link to follow.

Research Updates

Tri-Agency Updates

The CIHR confirms that the [new tri-agency CV](#) **will not be used** for the Fall 2025 Project Grant competition.

CIHR has released [guidelines on reviewing](#) the new tri-agency CV.

SSHRC has launched its [new website](#) where you can find funding opportunities, forms, and more.

University of Toronto Updates

University of Toronto has updated its international travel guidance twice! [June 1, 2025](#) and [June 10, 2025](#)

Other Updates

The [NIH has updated its policy on foreign subawards](#). By September 30, 2025, NIH may issue awards to foreign recipients directly as an independent subproject; primary institutions will no longer be able to issue foreign subawards. Effective May 1, 2025, NIH will not issue notices of awards for anything when a foreign subaward entity is included, and foreign co-applicants are no longer permitted on NIH applications until the new awards structure is in place.

Upcoming Events

New events and calls for abstracts

The [Society for Post-acute and Long-term Care](#) annual conference will be held in Anaheim, CA, March 26-28, 2026. **Abstract submission opens in June.**

The [34th European Congress of Psychiatry](#) will be held in Prague, Czech Republic, March 28-31, 2026. **Abstract submission opens in June 2025 and closes September 2025.**

The [14th International Council of Nurses Nurse Practitioner/Advanced Practice Nurse Network Conference](#) will be held in Nashville TN, September 14-17, 2026. **Abstract submission opens June 16, 2025.**

The [European Stroke Organisation Conference](#) is calling for session proposals to support selection of topics, chairs and speakers for the 12th European Stroke Conference, to be held May 6-8, 2026, in Maastricht, the Netherlands. **Submission deadline for session proposals is June 25, 2025.**

The [International Forum on Quality & Safety in Healthcare](#) will be held in Oslo, Norway, March 9-11, 2026. **Call for speakers closes July 9, 2025.** Programme theme is Resilience, and the six streams are safety, people, populations, change, science and leading.

The AAHPM [Annual Assembly of Hospice and Palliative Care](#) will be held in San Diego, CA, March 4-7, 2026. **Abstract submission deadline for podium (oral) presentations is July 14, 2025.** Abstract tracks include pediatrics, symptom assessment and management, innovations in care and more. Call for poster abstracts opens September 25, 2025.

[Academy Health](#) and the National Institutes of Health are hosting the 18th Annual Conference on the Science of Dissemination and Implementation in Science in National Harbor, MD, December 14-17, 2025. The theme is Realizing the benefits of D&I. **Deadline for D&I Science Plenary Story is July 15, 2025. Abstract submission deadline is July 17, 2025.** Abstract tracks include closing health gaps through implementation science, health policy dissemination and implementation science, clinical care settings, and more.

U of T, UHN, and the Centre for Advancing Collaborative Healthcare and Education are offering [ehpic](#): It's about health, November 24-26, 2025. **Early bird application deadline is August 25, 2025** (for reduced fees). This program targets leaders/educators/professionals in health and/or health education interested in interprofessional education and collaborative practice. Participants are encouraged to apply as a team of two or more to deepen the learning and application.

The European Society of Medical [Oncology AI and Digital Oncology congress](#) will be held in Berlin, Germany, November 12-14, 2025. **Abstract submission deadline is September 2, 2025.** Topics of interest include clinical practice, digital oncology, electronic health records and telemedicine, and methodology, regulations and policy.

Calls for Meeting Abstracts Still Open

[World Sleep](#) will be held in Singapore, September 5-10, 2025. **Submission deadline for poster presentations is July 1, 2025.**

The [Fall 2025 National Neonatal Nurses Conference](#) will be held September 3-6, 2025, in Arlington VA. **Abstract submission deadline is July 2, 2025.**

The [San Antonio Breast Cancer Symposium](#) will be held December 9-12, 2025, in San Antonio, TX. **Abstract submission deadline is July 9, 2025.**

The [12th Canadian Conference on Dementia](#) will be held in Calgary AB, October 16 to 18, 2025. **Abstract submission deadline is July 11, 2025.** This year's theme is Across the dementia cognitive continuum: prevention, precision medicine, and practice implications.

The [European Multidisciplinary Congress on Urological Cancers](#) will be held in Prague, Czech Republic, November 13-16, 2025. **Abstract submission deadline is August 1, 2025.** Abstract topics include quality of life and patient-reported outcomes for urological cancers.

The [Society for Adolescent Health and Medicine](#) annual meeting will be held in Seattle, WA, March 3-6, 2026. **Abstract submission deadline for Educational Sessions (Workshops and institutions) is July 31, 2025.** Abstract submission for scientific research will open in June with a deadline of August 26, 2025, and the Hot Topics session has a submission deadline of October 28, 2025.

The [24th annual Hawaii International Conference on Education](#) will be held January 8-11, 2026, in Honolulu, HI. **Submission/proposal deadline is August 8, 2025.** Topics include health education, education policy and leadership, and more.

The [European Society of Medical Oncology Asia Congress](#) will be held in Singapore, December 5-7, 2025. **Abstract submission deadline is August 12, 2025.** Categories include supportive care, palliative care, miscellaneous, breast cancer, and more.

[The Neuroscience Nursing Annual Conference](#) will be held March 21-25, 2026, in Dallas, TX. **Abstract submission opens June 2, 2025, and closes September 1, 2025.**

The [American College of Occupational and Environmental Medicine](#) annual conference will be held April 19-22, 2026, in Chicago IL. **Abstract submission deadline for concurrent session proposals is September 15, 2025.**

The [World Congress on Research and Integrity](#) will be held in Vancouver, BC, May 3-6, 2026. **Abstract submission (oral and poster presentations) opens June 23, 2025, and closes October 15, 2025.**

Requests for Manuscripts

New Calls for Manuscripts

[The Patient](#) (Springer, IF 3.4) has several open calls for a variety of collections, including patient-reported outcomes; patient preferences in oncology; good practice in health preference research.

The [International Journal of Public Health](#) (Swiss School of Public Health, IF 2.6) is calling for papers for a special issue on artificial intelligence and public health. **Manuscript summary description due September 29, 2025, with full manuscript submission deadline of December 30, 2025.**

[Bioethics](#) (Wiley, IF 1.7) is calling for papers for a special issue on Data Justice in Healthcare. **Submission deadline is October 1, 2025.**

[Australian Critical Care](#) (Elsevier, IF 2.6) is calling for papers for a special issue on patient and family engagement in intensive care research and clinical care. **Submission deadline is October 1, 2025.**

The [Journal of Healthcare Quality Research](#) (Elsevier, IF 1.1) is calling for papers for a special issue on Patient Safety Redefined: strategies for safer healthcare systems. **Submission deadline is December 15, 2025.**

[Teaching and Learning in Nursing](#) (Elsevier, IF 1.9) is calling for papers for a special issue on Beyond competence: Cultivating empathy, advocacy, and engagement in nursing education. **Submission deadline is December 15, 2025.**

Seminars in Oncology Nursing (Elsevier, IF 2.3) is calling for papers for a special issue on [Hereditary Cancer](#) with a submission deadline of **October 28, 2025**; the journal is also calling for papers for a special issue on Striving for equity: [Cancer nursing in countries of low or medium human development](#). **Submission deadline is December 16, 2025.**

[Psycho-Oncology](#) (Wiley, IF 3.3) is calling for papers for a special issue on clinical psychology and oncology: State of the art of integrated care. **Submission deadline is December 31, 2025.**

Continuing Calls for Manuscripts

The [International Journal of Public Health](#) (SSPH, IF 2.6) is calling for papers for a special issue on the **health of displaced people: a challenge for epidemiology and public health**. **Manuscript submission deadline is June 30, 2025. Manuscripts accepted for publication by May 31, 2025, will automatically enter the competition for the Rodolfo Saracci Best Paper Award 2025.**

The [Asia-Pacific Journal of Oncology Nursing](#) (Elsevier, IF 2.4) is calling for papers for a special issue on **understanding and supporting the needs of older adults with cancer and their caregivers and care partners**. **Submission deadline is June 30, 2025.** Editors: Kristin Haase, Margaret Fitch.

The [Journal of Cardiovascular Nursing](#) (Lippincott, IF 1.7) is calling for papers for a special issue on **Intersectionality-based cardiovascular care among equity-deserving groups: Promoting cardiovascular health equity**. **Manuscript submission deadline is June 30, 2025.**

The [Journal of Nursing Regulation](#) (Elsevier, IF 4.2) is calling for papers for a special issue on **Technology and the nursing needs of tomorrow: Innovation and regulation**. **Manuscript submission deadline is July 1, 2025**; publication planned for October 2025. The special issue will examine how telehealth, virtual nursing, AI, robotics and other innovative technologies impact nursing regulation and the nursing profession.

[Advances in Health Sciences Education](#) (Theory and Practice) (Springer, IF 3.0) is calling for papers for a special issue on **Historical scholarship in health professions education**. **Manuscript submission deadline is July 1, 2025.** The editors (including Cynthia Whitehead, University of Toronto) are interested in papers that offer a focused examination of historical research in the field; that examine health education in a variety of historical and geographical context; and more.

[International Nursing Review](#) (Wiley, IF 1.94) is calling for papers for a special issue on the Impacts of artificial intelligence on nursing and midwifery policy and practice. **Manuscript submission deadline is July 15, 2025.** Topics of interest include papers exploring regulations, policies and guidelines; implementation of AI-assisted clinical, education al and management services; improving nursing workforce conditions; and more.

[Critical Public Health](#) (Taylor and Francis, IF 3.1) is calling for papers for an article collection on **intersectional stigma and LGBTQ+ Health**. **Manuscript deadline is July 23, 2025.**

BMC Public Health (BMC, IF 3.5) is calling for papers for a collection on promoting health [equity among aging adults](#). **Manuscript submission deadline is July 24, 2025.** The journal is also publishing a collection on [improving social inequities in health in the global south](#). **Manuscript submission deadline is August 15, 2025.**

The [Asia-Pacific Journal of Oncology Nursing](#) (Elsevier, IF 2.4) is calling for papers for a special issue on **cardio-oncology nursing – addressing the intersection of cardiac and cancer care**. **Submission deadline is July 31, 2025.** Topics of interest include cardiotoxicity management, survivors support, enhancing caner patients' quality f life with heart comorbidities and more.

The [Journal of Clinical Nursing](#) (Wiley, IF 3.2) is calling for papers for a special issue on “**Generative AI in nursing and Healthcare**”. **Manuscript submission deadline is March 31, 2025. New deadline: JULY 31, 2025.** Topics of

Clinical Interventions in Aging (Taylor and Francis, IF 3.5) is calling for papers for a special issue on understanding [physical functioning in older adults](#) – new approaches and novel interventions. **Manuscript submission deadline is July 31, 2025.**

[International Emergency Nursing](#) (Elsevier, IF 1.8) is calling for papers for a themed issue **on Advanced Clinical practice in emergency care**. The journal will accept papers across the four pillars of advanced clinical practice: clinical practice, education, leadership and research. **Submission deadline is August 1, 2025.**

The [Journal Of Advanced Nursing](#) (Wiley, IF 3.8) is calling for papers for a special issue on **gender equity in healthcare**. **Deadline for submission is August 15, 2025.** Topics of interest include but are not limited to removing barriers and improving access to health care for people of all genders; the “gender gap” or gaps in published research which continue to contribute to inequity; removing gender bias in clinical research, medical education and teaching practices; and more.

The [Journal of Emergency Nursing](#) (Elsevier, IF 1.8) is calling for papers for a special issue on **Health Equity in Emergency Care Settings**. **Submission deadline is August 15, 2025.** Topics of interest include community care and referrals for ongoing care needs, methods for addressing bias and inequitable care, structural competency among nurses and health care professionals.

[Breast Cancer: Targets and Therapy](#) (Dove Press, IF 3.3) is calling for papers for an article collection on “**Breast cancer in young women**.” **Manuscript submission deadline is September 5, 2025.** Topics of interest include psychosocial impact, health disparities, diagnosis, and screening, and more.

[Learning Health Systems](#) (Wiley, IF 2.6) is calling for papers for a special issue on Focus on AI in Health Services Research. **Submission deadline is September 8, 2025.**

The [Journal of Nursing Scholarship](#) (Wiley, IF 2.4) is calling for papers for a special issue on Mental Health (e.g., evidence-based strategies to promote mental health wellbeing of nurses, post-covid mental health and wellbeing of nurses and health care professionals and more). . **Submission deadline is September 15, 2025.**

[Nursing in Critical Care](#) (Wiley, IF 3) is calling for papers for a special issue on **Humanizing and elevating critical care: The power of families.
