

Research Resources

Reminder: Bloomberg Nursing's Research Office [Research Funding Resources](#) page has information about predatory publishing; reductions in APC fees; EDI resources; free software licenses (e.g., how to access Redcap, NVIVO); and more.

Sign up for the [Centre for Research & Innovation Support newsletter](#) for information about training sessions, funding opportunities and other resources, such as, the [Resource Hub](#) for tips on compensation and reimbursement of research participants, and the [Video Library](#) of past events. Plus, check the CRIS [Calendar of events](#), for upcoming events, such as [AI in Qualitative Research: Mapping the Landscape](#), October 21, 2025, 10:30 am – 12:00 pm

Sign up for CRIS Compass: <https://cris.utoronto.ca/about/cris-compass/> - the CRIS bi-monthly newsletter.

If you missed a session, presentations and slide sets of past events are often available on the [CRIS website](#).

The [University of Toronto's international opportunity](#) page lists several collaborative opportunities available to faculty. **Deadlines vary.**

Grant and Award Opportunities

Remember – always check grant information carefully

New Canadian Opportunities

The Kindred Foundation [Kindred Cares grant](#) **application deadline is October 27, 2025**. Value: maximum \$30,000 per grant for up to one year. Funding will support pediatric palliative care across Canada.

The [Banting Discovery Foundation](#) **Discovery Award notice of intent deadline is November 3, 2025**. Full application (invited) due January 26, 2026. Value and duration: \$30,000 for up to one year. This award supports early career researchers.

[ENRICH](#) (Empowering Next Generation Researchers in Perinatal and Child Health) Doctoral Clinician Researcher Salary award (\$30,000 per year for 3 years); postdoctoral clinician researcher salary award (\$50,000 per year for two years), and new investigator clinician researcher salary award (\$40,000 for four years), have **application deadlines of November 3, 2025**. Coming soon: doctoral and postdoctoral awards.

The [Parkinson Canada](#) **research competition deadline is November 3, 2025**. There are several opportunities. [Postdoctoral Research Fellowship](#) Value: \$45,000 per year for two years. [Graduate Student Award](#) Value: \$20,000 per year for two years; the [Clinician Scientist Research Fellowship](#) Value: \$75,000 per year for two years for clinical fellows, and \$50,000 per year for two years for residents in neurology/neurosurgery.

U of T's Data Sciences Institute has several grants with an **application deadline of November 14, 2025**. 1. Critical Investigation of [Data Science Grant](#). Value: \$10,000 for up to 12 months. 2. [Summer Undergraduate Data Science Opportunities Programs](#) – seeking supervisors. Value: the program provides \$7,200 to supervisors for the student. Students work between May 4 and August 14. 3. [Computational and Quantitative Social Sciences](#) Grant. Value: \$10,000 for up to 12 months.

The [Connaught New Researcher Award](#) (U of T faculty only) **application deadline is November 17, 2025**. Value: Up to \$30,000, for up to one year. It supports Assistant Professors to establish their research programs. 2.

The [Emerging and Pandemic Infections Consortium](#) (EPIC) is calling for applications for its 2026 doctoral awards program. **Application deadline is November 14, 2025**. Value and duration: a one-time award of \$2,000 and backpack support of \$3,000 for research and professional development related travel. This award will support multidisciplinary trainees engaged in collaborative research with an infectious disease focus.

The [Ontario Early Research Award](#) **application deadline is November 27, 2025**. Note that submissions are made through the applicant's institution which will have a much earlier internal deadline. This award supports early career researchers with funding for training and outreach. Value: \$100,000 over five years. Matching institutional funding required (\$50,000).

The [AMS Fellowship in Compassion and Artificial Intelligence](#) **letter of intent deadline is January 8, 2026**. Application opens November 5, 2025. Webinar date TBD. Value: Up to \$75,000 to early and mid-career academic researchers and regulated healthcare professionals.

Students: Applying for research funding? Check with the Research office about your eligibility to hold funds. Contact the Research Office to get information and approval on proposals, administrative requirements, and ethics ahead of deadlines, and always check with your supervisor! Email: research.nursing@utoronto.ca

New International Opportunities

The [World Cancer Research Fund International](#) INSPIRE grant **letter of intent deadline is November 4, 2025**. Full application (by invitation) due February 2026. Eligibility: Early career researchers. Focus on cancer prevention, treatment or survivorship and address modifiable factors.

The [World Sleep Academy](#) **application deadline is January 1, 2026**. This is an online global training program of World Sleep Society designed for healthcare professionals in underserved regions who want to increase their expertise in sleep medicine.

The [National League of Nursing](#) Education Research **Grant application deadline is January 21, 2026**. This grant is open only to NLN members. Value: US\$30,000.

Use your Research Office. We are here to support you. Please let us know when you are beginning the grant process – we are happy to assist with developing budgets and providing editorial, financial, content, and methodological feedback. Let us know when you succeed! Email: research.nursing@utoronto.ca

New CIHR Opportunities

Notice of Upcoming Funding Opportunity: [Health System Impact Embedded Early Career Researcher Award](#). This opportunity supports emerging leaders and develops embedded research capacity. Value: \$200,000 per year for four years. Important: 1:1 matching funds are required, at least \$50,000 must be a cash contribution towards the applicant's salary. **Anticipated Timelines: Launch: Fall 2025. Information webinars: November 18, 2025, 1-2 pm eastern. Applications due Winter 2026 and award start date is October 1, 2026.**

Notice of upcoming funding opportunity: [Advancing 2S/LGBTQI+ health through research](#) will advance research to address health needs, inequities and strengths of the community, broaden and strengthen engagement in 2S/LGBTQI+ health research, strengthen research and community capacity, and support knowledge mobilization strategies. **Anticipated timeline: Launch November 2025. Registration February 2026, Application deadline March 2026.**

Notice of upcoming funding opportunity: [CIHR Research Excellence, Diversity, and Independence \(REDI\)](#) early career transition award 2025. This two-phase program will support trainees from underrepresented groups. Awards begin seeking an independent research position during mentored Phase 1 and are expected to transition to this position in Phase 2, within 3 years of the funding start date. Stream A is for trainees who self-identify as Black (any gender), racialized women, or racialized gender-diverse people; Stream B is for trainees who self-identify as First Nations, Inuit, Métis (any gender). CIHR will host webinar and a partner linkage tool. Funds available: \$34,500,000, enough to fund approximately 50 awards and 50 community engagement and knowledge mobilization supplements. Maximum amount per award is anticipated to be \$90,000 per year for up to three years (\$70,000 per year for the stipend, \$20,000 per year for the research allowance); and followed by \$120,000 per year for up to three years. \$1,500,000 is available in the KM supplementary funding; each applicant can receive up to \$5,000 per year in additional funding for up to six years. **Anticipated timeline: Launch early October 2025; info session #1 November 2025; info session #2 late January 2026; Q&A session for applicants March 2026, application deadline June 2026.**

Notice of upcoming funding opportunity: [Beyond treatment – advancing cancer survivorship team grants](#). The objectives of this funding opportunity are to advance understanding risks and developments of late and long-term toxicities and complications, and identify strategies to improve survivorship care (re: host, lifestyle, environmental, social and other intersectional factors), foster and enable interdisciplinary team science, bridge the gap between research and practice, and strengthen research capacity in the field. Research areas include breast cancer survivorship, Indigenous peoples' health, pediatric cancer survivorship, reproductive and sexual health in breast cancer survivorship, and more. There will be webinars (date TBD). Funds available: \$18,000,000, enough to fund approximately nine team grants. Maximum per grant is anticipated to be \$400,000 per year for up to five years for a total of \$2,000,000 per grant. **Anticipated timeline: webinar fall 2025/winter 2026; launch fall 2025, registration winter 2026, application summer 2026.**

[Planning and Dissemination Grants](#). **Application deadline: November 13, 2025.** Most institutions have opportunities; some are very specific. Funds available range from \$10,000 up to \$50,000. Approximately 60 grants will be funded. Note: all fundable applications will be entered into a lottery type selection process. **Note: this opportunity has the "Manage Access" function. The NPA can add up to 5 people to support completion of the application.**

[Travel Awards – Institute Community Support](#). **Application deadline: November 18, 2025.** **Open to PhD students.** Read eligibility carefully, especially the sponsor description – international applicants are eligible for some awards (e.g., Institute of Aging will fund four international applicants). Most institutions are funding applications – some are for national or international association meetings. Total funds available: \$521,000,

enough to fund approximately 234 awards. This is open to those who are first author and presenter of the presentation or poster (except in the case of knowledge users for Institute of Gender and Health CBRC Summit Funding and CRPPHE Stream 2 applicants). The award is for travel between April 1, 2026, and March 31, 2027. Individuals may make only one application per competition, for one presentation or paper. Note that a lottery type selection process will be used.

Reminder – these competitions are still open

Canadian Opportunities

[The Alzheimer Society of Canada](#) research competition **application deadline is November 3, 2025**. [Funding opportunities include](#) **doctoral** and postdoctoral awards; new investigator operating grant; and proof of concept grant.

The [Kidney Foundation](#) Allied Health Kidney Research Grants **application deadline is November 3, 2025**. The Allied Health Kidney **Doctoral Fellowships** **application deadline is November 3, 2025**. Funds available: \$31,000 per year for up to two years (must reapply for second year of award).

The [Canadian Hemophilia Society – Novo Nordisk Canada Psychosocial Research Program](#) is open to professionals/graduate students from the allied health disciplines. Funds available: \$20,000 per grant; a maximum of two grants at \$20,000 will be funded. **Graduate Students at U of T must include their supervisor as a co-principal investigator. Application deadline is November 28, 2025.**

International Opportunities

The [American Association of Critical-Care Nurses](#) Research Impact Grant **application deadline is October 24, 2025**. Funds available: US\$50,000. This grant is open to AACN members (including graduate students; U of T Graduate students must include their supervisor as co-principal investigator). The [AACCN STTI grant application deadline through STTI is October 27, 2025](#). Funds available: US\$10,000. **Reminder: PhD students must include their supervisor as a co-Principal investigator on all grants. Let your research office know to meet administrative requirements.**

[Cancer Research UK in association with Stand Up To Cancer](#) is offering a grant on data for children's and young people's cancer. **Outline application deadline is November 27, 2025**. This award will fund data/AI-driven approaches that answer cancer research questions addressing cancers in children and young people. Funds available: up to £2.5 million for up to five years.

The [Horowitz Foundation for Social Policy Awards Competition](#) **application deadline is December 1, 2025**. Eligibility: **Doctoral students**. Value: US\$10,000. The Foundation supports policy research by emerging scholars whose work addresses contemporary issues in the social sciences.

[Sigma Theta Tau International](#) (US) is accepting applications for the small grants; Alpha Eta Collaborative Research Grant; Council for the Advancement of Nursing Science Grant; Rosemary Berkel Crisp research Award; Western Institute of Nursing Research Grant (**application deadline for all is December 1, 2025**). **PhD students at U of T are not eligible to hold funds in their own name; if intending to apply should consult with their supervisor about relevance and eligibility, notify the research office, and include their supervisor on the application.** Funds available vary; check eligibility carefully.

[Alex's Lemonade Stand Foundation Young Investigator Grant](#) application deadline is **December 11, 2025**.

Translational and clinical research projects are encouraged. Proposals must be focused on childhood cancers. Funds available: US\$60,000 per year for a maximum of three years.

CIHR Grant Opportunities

Catalyst Grant: [2025-2026 Partnering for Impact – Catalyst Grant](#). Application deadline: **October 23, 2025**.

Funds available: \$4,750,000; enough to fund 31-38 grants. Up to \$125,000 available per grant for up to one year, and possibility for an additional \$25,000 to ensure meaningful involvement of communities or populations that require additional resources to reach. **Note: this opportunity has the “Manage Access” function. The NPA can add up to 5 people to support completion of the application.**

Catalyst Grant: [Digital Health](#). Registration deadline **December 16, 2025**, with full application due **March 17, 2025**. Funds available: \$1,000,000, enough to fund approximately ten grants. Maximum amount: \$100,000 for up to one year. **Note: this opportunity has the “Manage Access” function. The NPA can add up to 5 people to support completion of the application.**

SSHRC /Other Federal Agency Funding Opportunities

[Indigenous Innovation and Leadership in Research Network Grants](#). Application deadline: **October 21, 2025**.

Stage 1: up to \$75,000 for one year; Stage 2 (invitation only): up to 1.75 million for four years. This grant will support a wide range of interdisciplinary research and research training in First Nations and Métis communities that will increase Indigenous leadership and capacities in research; decolonize Indigenous research.

The next [Connection Grant](#) (\$7,000 - \$25,000; outreach activities up to \$50,000; for events and outreach activities) **deadline is November 1, 2025**. Connection Grants require 50% of the amount requested from their sponsoring organizations. U of T Applicants must meet internal deadlines for both awards (about a week ahead of sponsor deadline).

[Partnership Development Grant](#) application deadline is November 17, 2025. **U of T applicants must submit an MRA by noon, November 5, 2025, and the full application by 9 am, November 12, 2025**. Funds available: \$75,000 to \$200,000 over one to three years. Grant goal: develop research and /or related activities by fostering new partnerships with existing and/or potential partners; or design and test new partnership approaches.

[Knowledge Synthesis Grants](#): The Arts Transformed. **Application deadline December 2, 2025**. Value \$30,000 per grant for one year.

[Partnership Engage Grant](#): **Application deadline: December 15, 2025**. U of T applicants must meet internal deadlines of approximately 1 week before. Value: \$7,000 to \$25,000.

Research Updates

Tri-Agency Updates

[CIHR is requesting feedback](#) from peer reviewers about how to make virtual peer review meetings more engaging. They are also considering expanding the roles of Chairs and Scientific Officers in peer review and making sure these members have appropriate support and data to ensure constructive feedback, as well as the value of improving reviewer continuity and scoring calibration to enhance consistency of reviews. Please send feedback!

[Update](#) on Project Grant.

Update on when the [new triagency CV](#) will be used for project grant (no sooner than Spring 2027).

Update on clinical trials [registration and disclosure](#) due to US shutdown impact on clinicaltrials.gov.

University of Toronto updates

The Temerty Centre for AI Research and Education in Medicine at the U of T in partnership with the International AI in Medicine Education Working Group has developed a [living glossary for AI in Medicine](#).

U of T has launched an [emergency research fund](#) for faculty hit by US cuts.

Other Updates

The NIH has announced its [new application and award structure for NIH-funded international](#) collaborations, which replaces foreign subawards.

Upcoming Events

New events and calls for abstracts

The [Canadian Critical Care Nursing Conference](#) will be held September 29-30, 2026, in Charlottetown PEI.

Abstract submission opens soon.

The [2026 American Society of Clinical Oncology](#) annual conference will be held in Chicago, IL, and online, May 29-June 2, 2026. **Abstract submission opens in early November.**

[Teaching for Transformation](#), offered by Centre for Faculty Development, and Centre for Advancing Collaborative Healthcare and Education annual conference will be held in hybrid form (in-person in Toronto or on-line) March 9-11, 2026. **Abstract submission deadline for short talk and workshop abstracts is October 20, 2025.**

The [International Association for Health Professions Education Conference](#) will be held in Vienna, Austria, August 22-26, 2026. The conference also features the Ottawa Integrated Event, which invites abstracts focused on [assessment](#) in health professions education. **Abstract submissions due October 30, 2025** (symposia, research papers, doctoral reports) and **January 19, 2026** (workshops, eposters, PechaKucha).

[Sigma Theta Tau International's 37th International Nursing Research Congress](#) will be held July 16-18, 2026, in Toronto, ON. **Abstract submission deadline is November 14, 2025.** Congress theme is Discovery into Action: the future of nursing research starts here. Focus areas are AI and digital health tools, emerging care models, resilience and well-being strategies, and leadership for future healthcare challenges.

The [GTA Rehab Network Best Practices Day 2026](#), Bridging Gaps, Building Futures: Advancing Rehabilitative Care Across the Continuum, will be held virtually on May 1, 2026. **Abstract submission deadline** for rapid podium presentation, concurrent session presentation and virtual poster presentation **is November 21, 2025.**

The [Canadian Association of Psychosocial Oncology](#) annual conference will be held in St. John's NL. **Abstract**

submission deadline is November 28, 2025.

The [18th World Congress on Public Health](#) will be held September 6-9, 2026, in Cape Town, South Africa. **Abstract submission deadline is November 30, 2025.** Abstract tracks include adults and older adults' health; digital health, health information, AI and cybersecurity; education and training; Indigenous views on health; and more.

The [European Stroke Organisation Conference](#) will be held May 6-8, 2026, in Maastricht, Netherlands. **Abstract submission deadline is January 7, 2026.**

The [Canadian Association of Schools of Nursing Biennial Canadian Nursing Education](#) Conference will be held June 1-2, 2026, in Mississauga, ON. **Abstract submission deadline is January 12, 2026.** The theme is Rising to responsibility: Educating the nurses for the future.

The [International Society for Quality of Life Research](#) 33rd conference will be held in Prague, Czech Republic, October 18-21, 2026. **Abstract submission deadline (Workshops and Symposia is January 26, 2026.** Abstract submission opens for oral, brief and poster presentations in early March 2026.

The [Association of Cardiovascular Nursing and Allied Professions](#) annual conference will be held June 12-13, 2026, in Sophia Antipolis, France. **Abstract submission deadline is January 29, 2026.**

Calls for Meeting Abstracts Still Open

The [Canadian Respiratory Conference](#) will be held in Calgary, AB, April 16-18, 2026. **Abstract submission deadline for posters is October 20, 2025.**

The [Canadian Pain Society](#) annual meeting will be held in Quebec City, QC, April 28 – May 2, 2026. **Abstract submission deadline for symposia is October 20, 2025.** Abstract submission deadline for posters is November 10, 2025.

The [Society for Simulation in Europe's 2026 Congress](#) will be held in Lyon, France, June 3 17-19, 2026. **Abstract submission deadline is October 20, 2025.**

The [Breast Cancer Survivorship and Supportive Care International Conference](#) will be held in Toronto, ON, November 28-29, 2025. **Abstract submission deadline is October 20, 2025.**

[Georgia Southern University's Scholarship of Teaching and Learning Commons Conference](#) will be held February 25-27, 2026, in Savannah, Georgia. **Submission deadline (proposals) is October 20, 2025.**

[Children's Healthcare Canada's](#) annual meeting will be held in Calgary, AB, May 31 – June 2, 2026. **Abstract submission deadline is October 20, 2025.**

The [Marie Curie Research into Practice Conference](#) will be held online the week of Monday, February 23, 2026. **Abstract submission deadline October 21, 2025.** The focus is on the [priorities](#) identified by the palliative and end of life care priority setting partnership with the James Lind Alliance.

The [27th World Congress](#) of the International Association of Child and Adolescent Psychiatry and Allied Professions will be held in Hamburg, Germany, July 1-4, 2026. **Abstract submission deadline for symposia is October 30, 2025; abstract submission deadline for oral and poster presentations is January 20, 2026.** Topics include child and adolescent psychiatry interventions and services; policy, advocacy, ethics and participatory

research; and more.

The [Royal College of Nursing's Education Forum Conference](#) will be held April 15-16, 2026. **Abstract submission deadline is October 24, 2025.**

The [International Forum on Quality & Safety in Healthcare](#) will be held in Oslo, Norway, March 9-11, 2026. **Abstract submission deadline is October 29, 2025.**

The [European Society of Gynaecological Oncology](#) annual conference will be held in Copenhagen, Denmark, February 26-28, 2026. **Abstract (oral, poster, video) submission deadline is October 31, 2025.**

The [Canadian Paediatrics Society](#) annual conference will be held in Ottawa, ON, May 21-23, 2026. **Abstract submission deadline is November 1, 2025.**

The [Pediatric Academic Societies](#) annual conference will be held in Boston, MA, April 23-27, 2026. **Abstract submission deadline is November 3, 2025.**

The [European Breast Cancer Conference](#) will be held in Barcelona, Spain, March 25-27, 2026. **Abstract submission (oral, poster) closes November 3, 2025.** The theme is Breaking the age barriers: Ending discrimination in breast cancer care.

The [American Nursing Informatics Association](#) annual conference will be held in Boston, MA, March 26-28, 2026. **Abstract submission deadline is November 10, 2025.** Abstract tracks include impact on practice; innovation in practice; quality improvement and patient outcomes; and more.

The [19th World Congress for Infant Mental Health](#) will be held in Toronto, ON, October 2-6, 2026. **Abstract submission deadline is December 1, 2025.**

The [IAGG World Congress of Gerontology and Geriatrics](#) will be held in Amsterdam, the Netherlands, July 5-8, 2026. **Abstract (oral and poster) submission deadline is December 3, 2025.**

The [Professional Society for Health Economics and Outcomes Research](#) annual conference will be held in Philadelphia, PA, May 17-20, 2026. **Abstract submission (session proposal) closes December 12, 2025; research abstract submission opens October 31, 2025, and closes January 9, 2026.**

[HORATIO – European Psychiatric Nurses](#) – annual congress will be held in Mechelen, Belgium, May 28-29, 2026. **Abstract submission (concurrent session, symposium, workshop, poster) deadline is December 15, 2025.**

The [MASCC](#) (Multinational Association of Supportive Care in Cancer)/ISOO 2026 annual meeting will be held in Melbourne, Australia, June 25-27, 2026. **Abstract submission deadline is December 17, 2025.**

The [American Society of Pediatric Hematology/Oncology](#) annual conference will be held in Minneapolis, MN, April 29-May 2, 2026. The theme is Advancing knowledge, discovery and collaboration. **Abstract submission closes December 18, 2025.**

The [Council of International Neonatal Nurses](#) annual conference will be held in Darwin, Australia, August 25-28, 2026. **Abstract submission deadline is January 7, 2026.**

The [National Rural Health Association's](#) annual conference will be held in San Diego, CA, May 19-22, 2026. **Abstract submission deadline for original research is January 15, 2026.**

The [European Society of Medical Oncology's Breast Cancer](#) annual congress will be held in Berlin, Germany, May 6-8, 2026. **Abstract submission deadline is January 27, 2026.**

Requests for Manuscripts

New Calls for Manuscripts

[The Patient](#) (Springer, IF 3.4) has several open calls for a variety of collections, including patient-reported outcomes; patient preferences in oncology; good practice in health preference research.

The [Journal of Cancer Education](#) (Springer, IF 1.3) has two ongoing calls for collections (no deadline): Emerging leaders in cancer education and cancer education empowering Indigenous populations.

[Australian Critical Care](#) (Elsevier, IF 2.7) is calling for papers for a special issue on Patient and Family Engagement in Intensive Care Research and Clinical Care. **Manuscript submission deadline is March 10, 2026.**

[Seminars in Oncology Nursing](#) (Elsevier, IF 2.3) is calling for papers for a special issue on Quality and Safety in Oncology. **Manuscript submission deadline is April 21, 2026.**

The [Archives of Psychiatric Nursing](#) (Elsevier, IF 2.2) is calling for papers for a special issue on Navigating the Digital Age: The impact of technology on mental health across the lifespan. **Manuscript submission deadline is May 15, 2026.**

[Nursing Philosophy](#) (Wiley, IF 2.6) is calling for papers for a special issue on The problem(s) of pain in nursing: Philosophy, practice, and the method(s) of management. **Submission deadline is May 15, 2026.**

The [Asia-Pacific Journal of Oncology Nursing](#) (Elsevier, IF 2.8) is calling for papers for a special issue on Nurses Advancing Oncology Research: From clinical trials to nurse-led innovation. **Submission deadline is July 31, 2026.**

Continuing Calls for Manuscripts

Seminars in Oncology Nursing (Elsevier, IF 2.3) is calling for papers for a special issue on [Hereditary Cancer](#) with a submission deadline of **October 28, 2025**; the journal is also calling for papers for a special issue on Striving for equity: [Cancer nursing in countries of low or medium human development](#). **Submission deadline is December 16, 2025.**

[Advances in Medical Education and Practice](#) (Dovepress, IF 1.8) is calling for manuscripts for an article collection on the **future in health professions education: innovative teaching alternatives**. **Manuscript submission deadline is October 31, 2025.**

The [Journal of Clinical Nursing](#) (Wiley, IF 3.2) is calling for papers for a special issue on “**Generative AI in nursing and Healthcare**”. **Manuscript submission deadline is March 31, 2025. New deadline: JULY 31, 2025–October 31, 2025.**

[Advances in Nursing Science](#) (Lippincott, IF 2.8) is calling for papers for a special issue on Evolutions in Theory for Nursing Science. **Manuscript submission deadline is November 1, 2025.**

[Patient Preference And Adherence](#) (Dovepress, IF2.0) is calling for manuscripts for an article collection on **digital healthcare solutions for patient experience and medication adherence**. **Submission deadline is November 21, 2025.**

[Clinical Interventions in Aging](#) (Taylor & Francis, IF 3.5) is calling for papers for an article collection on Innovative Care Models for Older Adults: [The role of telehealth and emerging technologies](#). **Manuscript deadline is November 30, 2025.**

Clinical Interventions in Aging (Taylor & Francis, IF 3.7) is calling for papers for an [article collection on Perioperative](#) management and integrated surgical care for older adults. **Manuscript submission deadline is November 30, 2025.**

The [Journal of Healthcare Quality Research](#) (Elsevier, IF 1.0) is calling for papers for a special issue on patient safety redefined: Strategies for safety healthcare systems. **Submission deadline is December 15, 2025.**

The [Journal of Healthcare Quality Research](#) (Elsevier, IF 1.1) is calling for papers for a special issue on Patient Safety Redefined: strategies for safer healthcare systems. **Submission deadline is December 15, 2025.**

[Teaching and Learning in Nursing](#) (Elsevier, IF 1.9) is calling for papers for a special issue on Beyond competence: Cultivating empathy, advocacy, and engagement in nursing education. **Submission deadline is December 15, 2025.**

The [International Journal for Equity in Health](#) (BMC, IF 4.1) is calling for papers for a collection on gendered ageism in healthcare: a critical analysis of structural inequities. **Submission deadline is December 19, 2025.**

The [Journal of Genetic Counseling](#) (Wiley, IF 1.9) is calling for papers for a special issue on (Re)imagining the future of genetic counseling. **Manuscript submission deadline is December 31, 2025.**

[Psycho-Oncology](#) (Wiley, IF 3.3) is calling for papers for a special issue on clinical psychology and oncology: State of the art of integrated care. **Submission deadline is December 31, 2025.**

The [International Journal of Older People Nursing](#) (Wiley, IF 2) is calling for papers for a special issue on Nurses' health and well-being: Challenges, innovations, and solutions. **Submission deadline is January 31, 2026.** Topics of interest include workplace violence; moral and ethical well-being; racism, bias, and discrimination; and more. **Participating journals in this special collection are** [International Nursing Review](#) (IF 3.7); [Journal of Advanced Nursing](#) (IF 3.4) via [Healthy Work Environments](#); [Journal of Child and Adolescent Psychiatry Nursing](#) (IF 1.5); [Journal of Clinical Nursing](#) (IF 3.5); [Journal of Nursing Scholarship](#) (IF 2.9) – submit to Mental Health; [Journal of Psychiatric and Mental Health Nursing](#) (IF 2.9); [Journal of Renal Care](#) (IF 1.15); [Nursing in Critical Care](#) (IF 2.6), [Nursing Open](#) (IF 2.3); [Nursing Philosophy](#) (IF 2.5); [Research in Nursing and Health](#) (IF 2.4); [Scandinavian Journal of Caring Sciences](#) (IF 1.8); and [Worldviews on Evidence-Based Nursing](#) (IF 3.8).

[Seminars in Oncology Nursing](#) (Elsevier, IF 2.3) is calling for papers for a special issue on psychosocial issues in cancer care. **Submission deadline is February 1, 2026.**

[Medical Education Online](#) (Taylor and Francis, IF 3.8) is calling for papers for an article collection on supporting healthcare workers and patients with disabilities in medicine. **Manuscript deadline is February 26, 2026.**

The [Journal of Evaluation in Clinical Practice](#) (Wiley, IF 2.1) is calling for papers for a special issue on understanding how knowledge is used in practice: cross-disciplinary approaches. **Submission deadline is February 28, 2026.**

[Nursing Research](#) (Lippincott, IF 2.2) is soliciting manuscripts for a special issue on **Statistics in Nursing Science**. This call builds on a 2012 special issue and editorial on statistics in nursing research, extending that conversation to today's challenges and opportunities. The goal of this issue is to highlight current advances in statistical and data science methods that strengthen rigor, reproducibility, and importance in nursing science. **Deadline for submission:** [March 1, 2026]. This focused issue reflects on progress since 2012 and highlights the next generation of methodological priorities for nurse scientists. The issue is planned for late 2026 or early 2027. **Submission details:** Manuscripts should be submitted via *Editorial Manager* at www2.cloud.editorialmanager.com/nres/default.aspx. In the cover letter, denote submission for the **Statistics in Nursing Science** Special Issue. For questions, please contact the Editor (Rita Pickler) at pickler.1@osu.edu or the Special Issue Guest Editor (Matthew Hayat) at hayatm@muscedu

[Nursing Open](#) (Wiley, IF 2.3) is calling for papers for a special issue on disrupting the status quo: nurses and midwives driving equity in healthcare. **Submission deadline is March 27, 2025.**

The **[Journal of Advanced Nursing](#)** (Wiley, IF 3.4) is calling for papers for a special issue on future proofing person-centred fundamental care – harnessing technology and artificial intelligence for success. **Manuscript submission deadline is March 31, 2026.**

[Critical Public Health](#) (Taylor and Francis, IF 2.8) is calling for papers for an article collection on fresh perspectives on Peer recovery work: Wages, value, and justice in the care economy. **Manuscript submission deadline is April 30, 2026.**
